THE LAST PICTURE BOOK

1974. THE YEAR. The year of ... what? Styles! ANYTHING goes! Long hair or short, faded blue jeans or palazzo pants, high heels or low, wire rims or contact lenses, grubby or formal ... for girls AND guys! New morality! One person's morals are just as good as the other's; it depends on who YOU are. Limited fuel, paper, and energy. Maybe these limitations are waking people up, showing everybody how good we've had it.

1974. THE YEAR. Not only in the outside world, but here at G.E.T., too. Victories and defeats, both personal and academic, games, dances, organizational meetings, and homework.

A new soap opera was ever-present over the summer months--Watergate. It was the never ending saga of men and their trek for power. G.E.T. had its own version of Watergate. It was the saga of the administration and faculty and their trek for power--with the emphasis on discipline. To get rid of any leaks and bugs, they terminated senior privileges, physical contact, and eating in the halls. And just for good measure, parental permission was needed for station breaks.

As a result, the high cost of "living" went up. If a student was found guilty of the forementioned crimes, the consequence was detention, suspension, or expulsion, depending on the nature and degree of the crime.

Monday. Mondays were terrible! Having to get up so early without having enough sleep was the worst part. By Tuesday, signs for games and mixers were put up, reminding everyone of the coming weekend. Wednesday was hump day. Thursday morning classes were usu-

ally cut short because of homeroom, and once in a while Friday afternoon classes would be shortened because of a pep rally.

Slowly, but surely, Friday, 3:33 p.m. crept upon the unknowing weekend. Then ... LOOK OUT!!! Seventh hour teachers were practically run over in the mad rush for the door. Time wasn't wasted because time was short. Students who had their driver's licenses and I.D. cards were off and barely seen again until Monday morning, while those who wore boots made for walking and who still belonged to the Pepsi Generation tried to dig up some excitement in the near vicinity. No matter how many liberties anyone had, all too soon it was Monday again.

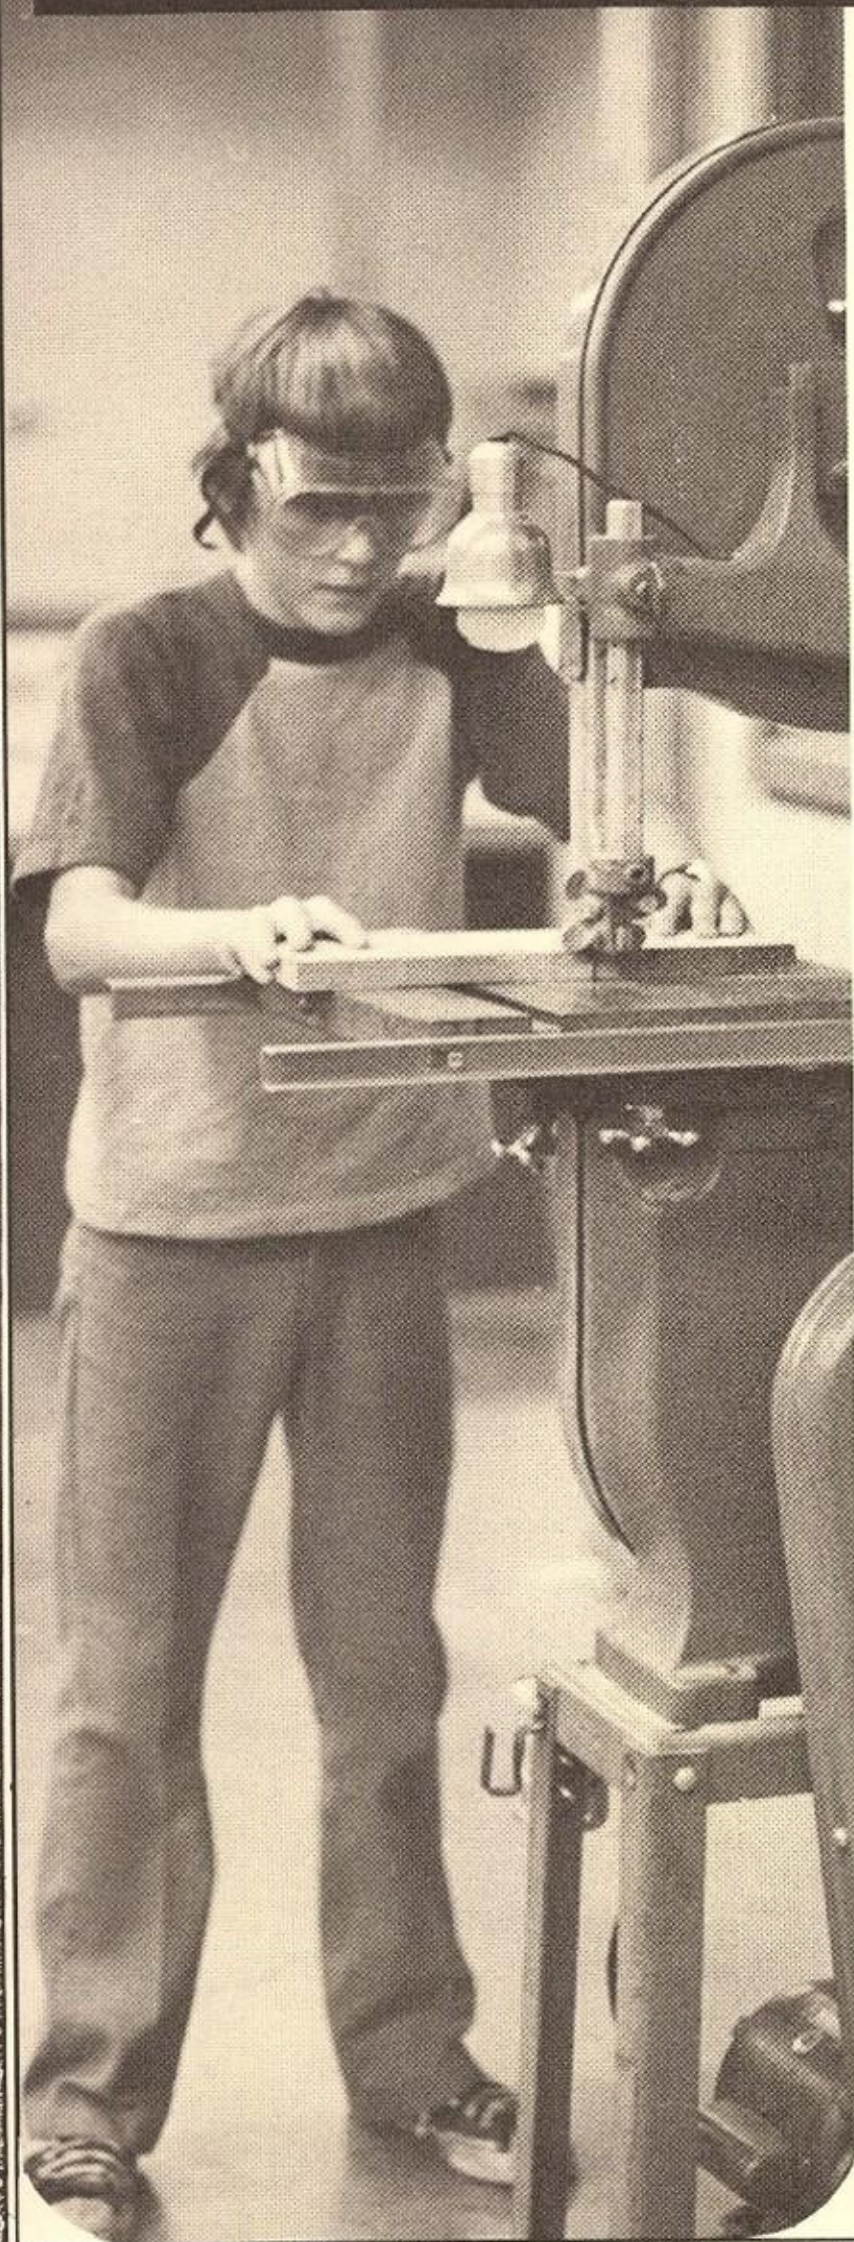

And so, another year has come and gone, not soon enough, and yet, too soon. They say these are the best years of our lives ... maybe they are. But we don't know that; we haven't lived to find out. Maybe as we grow older, we too, will realize that these really were the best years. The details may fade, but there will always be the memories of old friends and good times.

We on the yearbook staff have put this book together to help bring back the days when you were feeling silly, or sad, so you can remember the styles, so you can think back on your own morals. The hours of studying, laughing, talking, and just plain living at G.E.T. are brought back in a small way through this book. We especially had the seniors in mind because as far as they're concerned, this is ... The Last Picture Book.

IDEAS GALORE IN '74

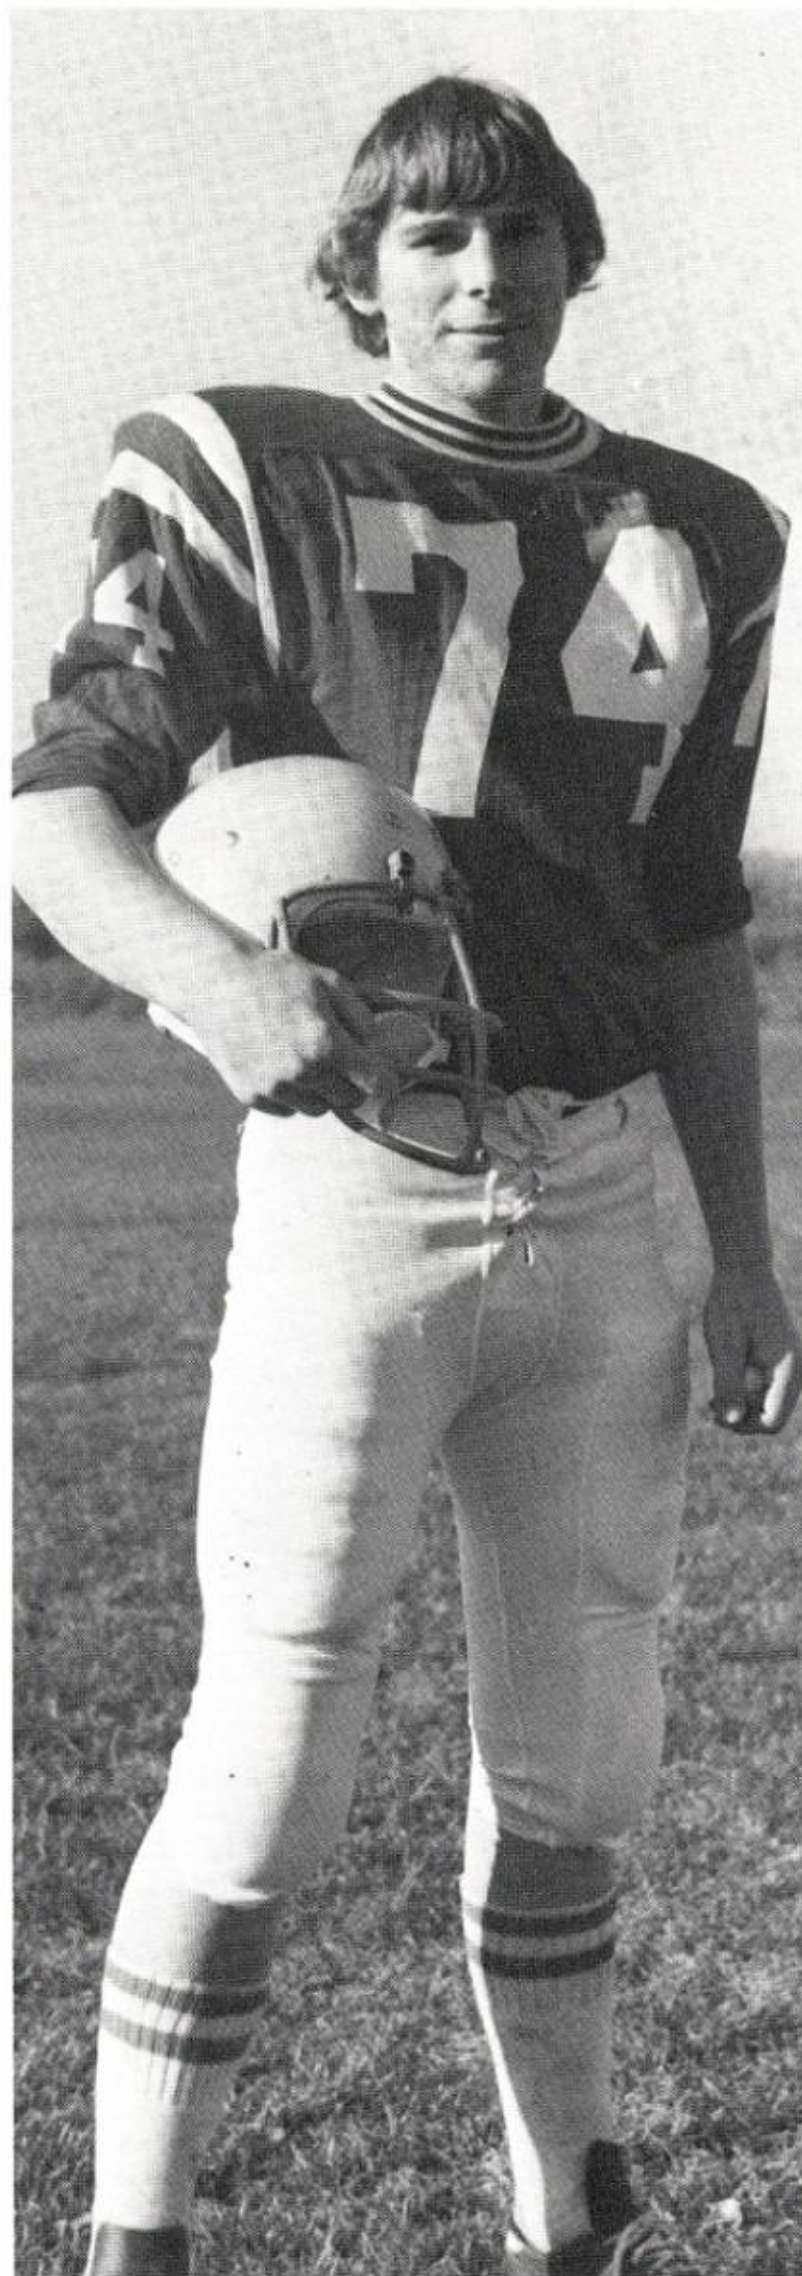

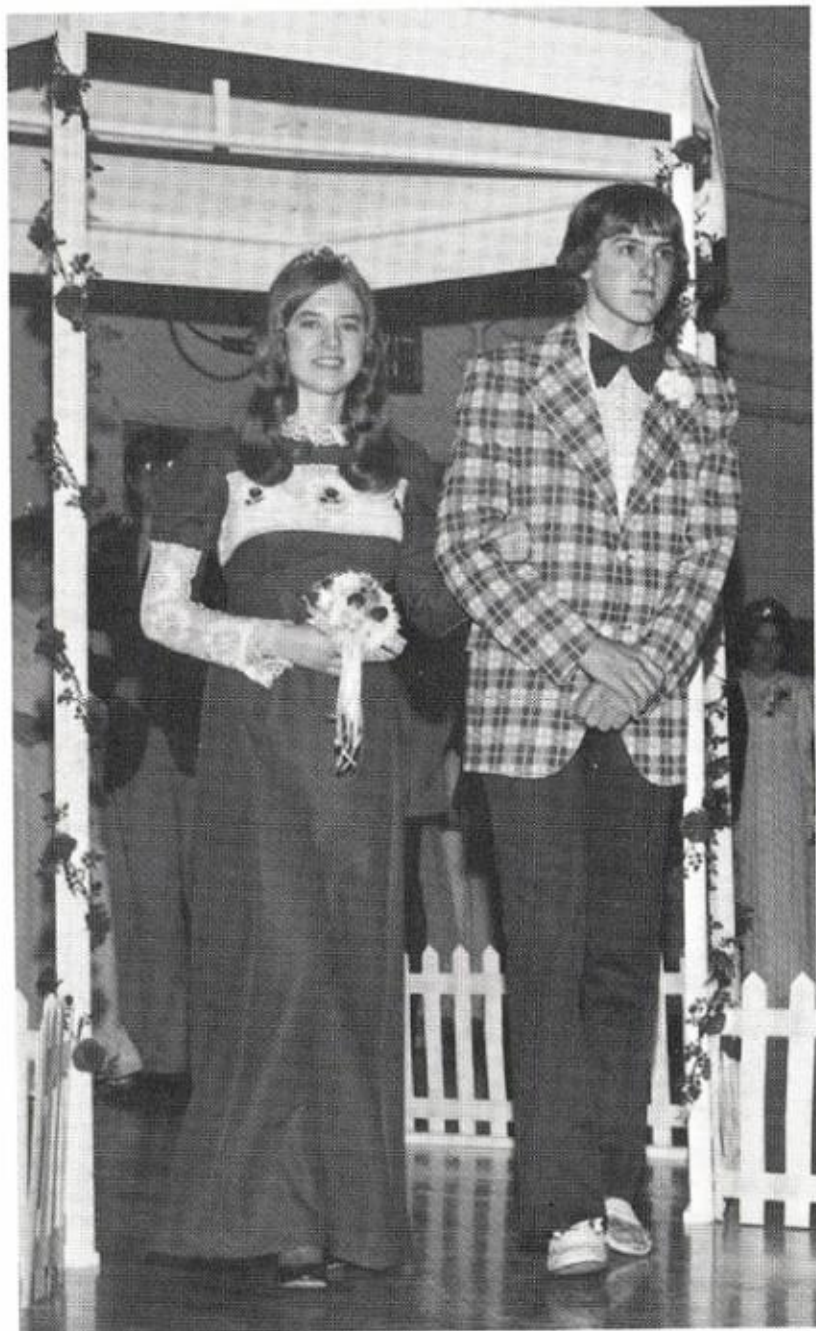

Seniors seem to be exceptional in one way or another, and '74's seniors were no exception. They knew what they wanted and they didn't wait...they went right out after their goals.

Winning first prize on that fantastic imagery of "Big Bird" was only the beginning. Homecoming activities were carried out successfully.

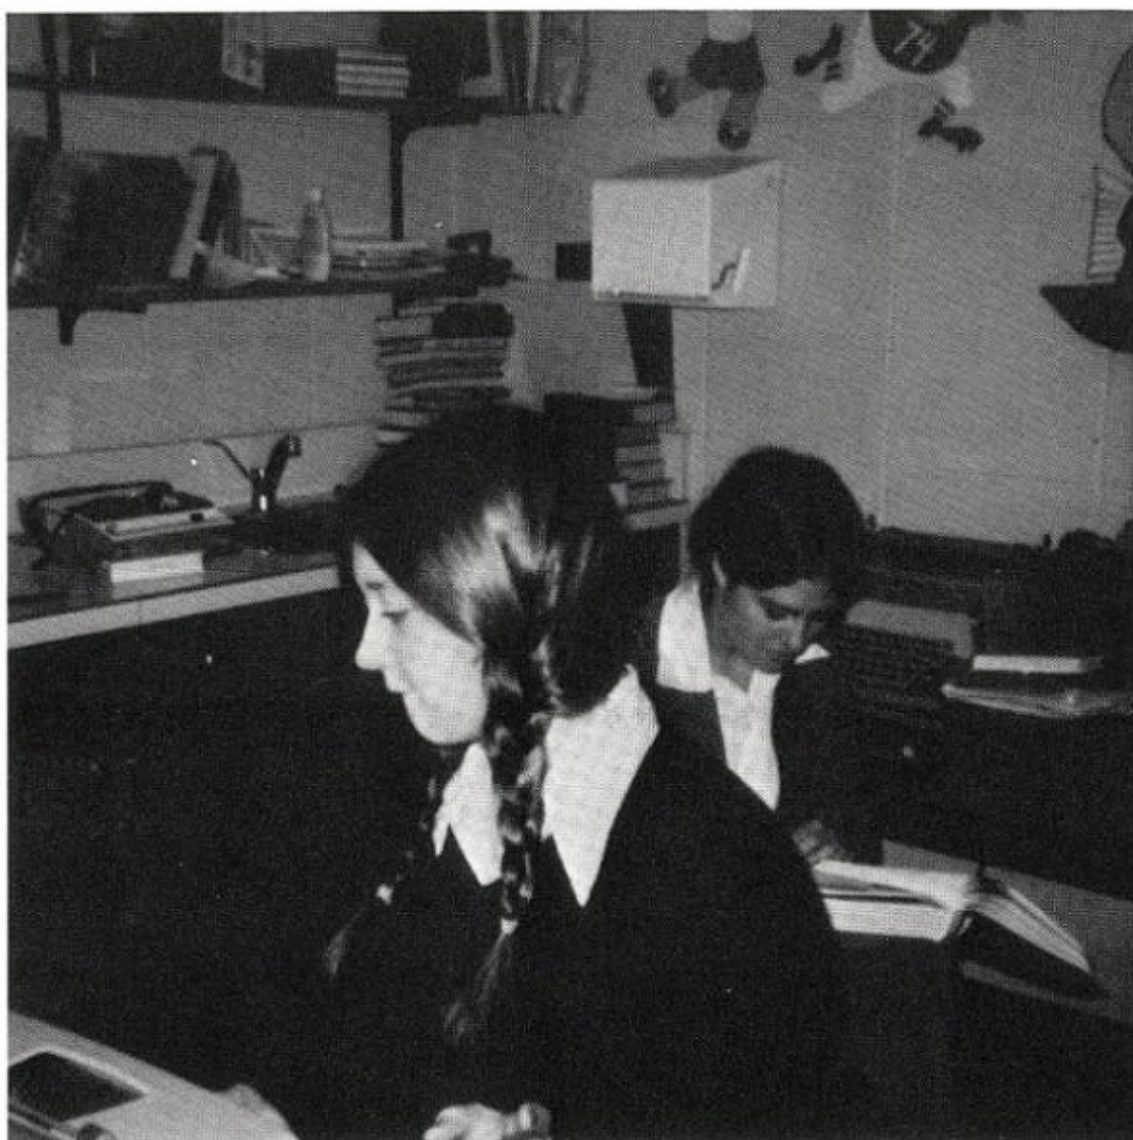

Senior privileges were taken away, but not for long. Circulating petitions to create interest, forming a committee, planning ideas to present to the administration, and finally presenting their plans and ideas to the School Board, Mr. Valiska and Mr. Howard was a lot of hard work, but it paid off. The seniors were granted their privileges for first, noon and seventh hours.

Planning class night and graduation brought the class closer together as the realization they would each go their own way became more evident. Each member of the class will have his own personal goals, and will strive to the best of his ability to obtain them.

The senior class officers were: Ron Aasland, President; Rose Dolle, Vice President; Norma Kohnle, Secretary; Rita Waldera, Treasurer.

ATHLETICS

I DON'T CARE HOW BIG THE OTHER
TEAM IS -- YOU GUYS WILL HAVE
TO USE YOUR REGULAR UNIFORMS!

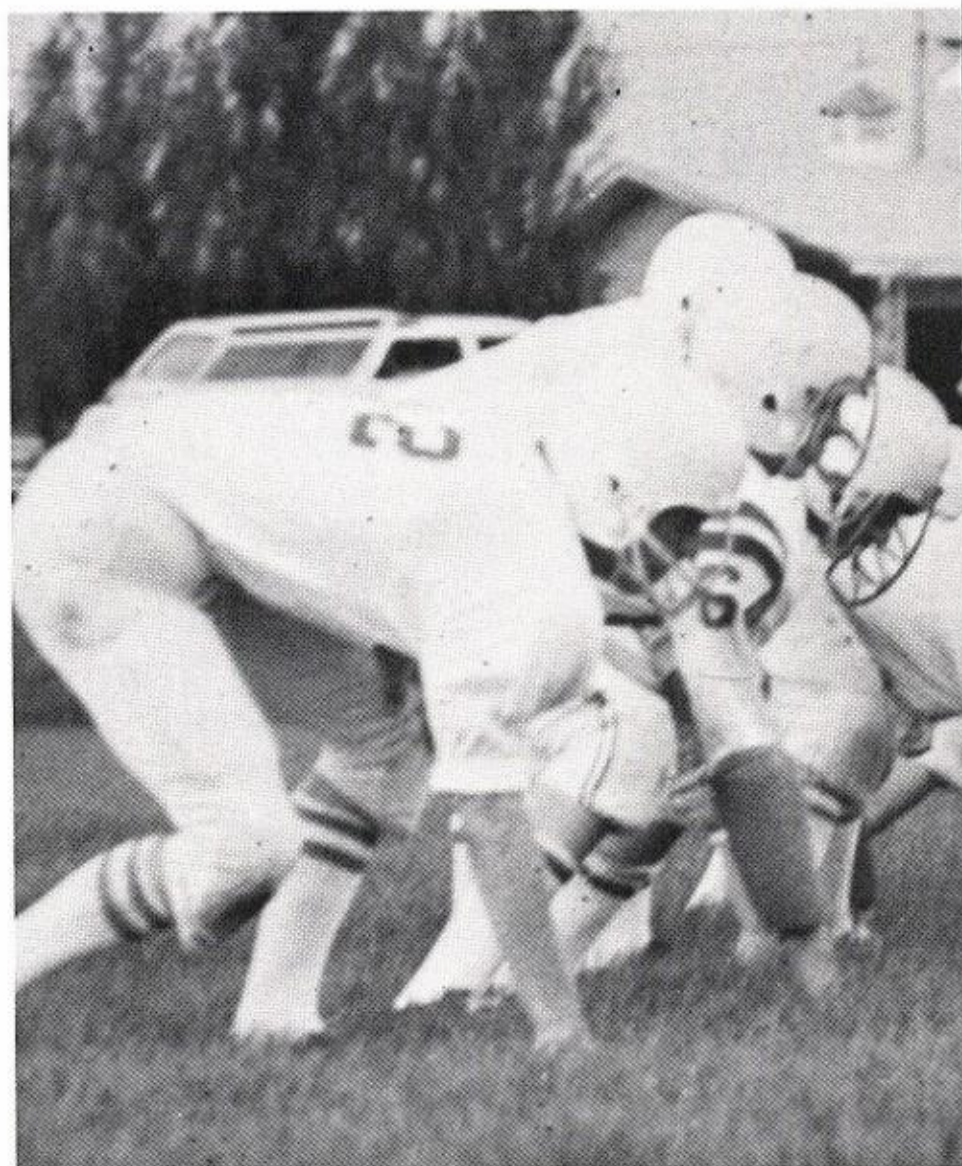

ALL GOOD THINGS

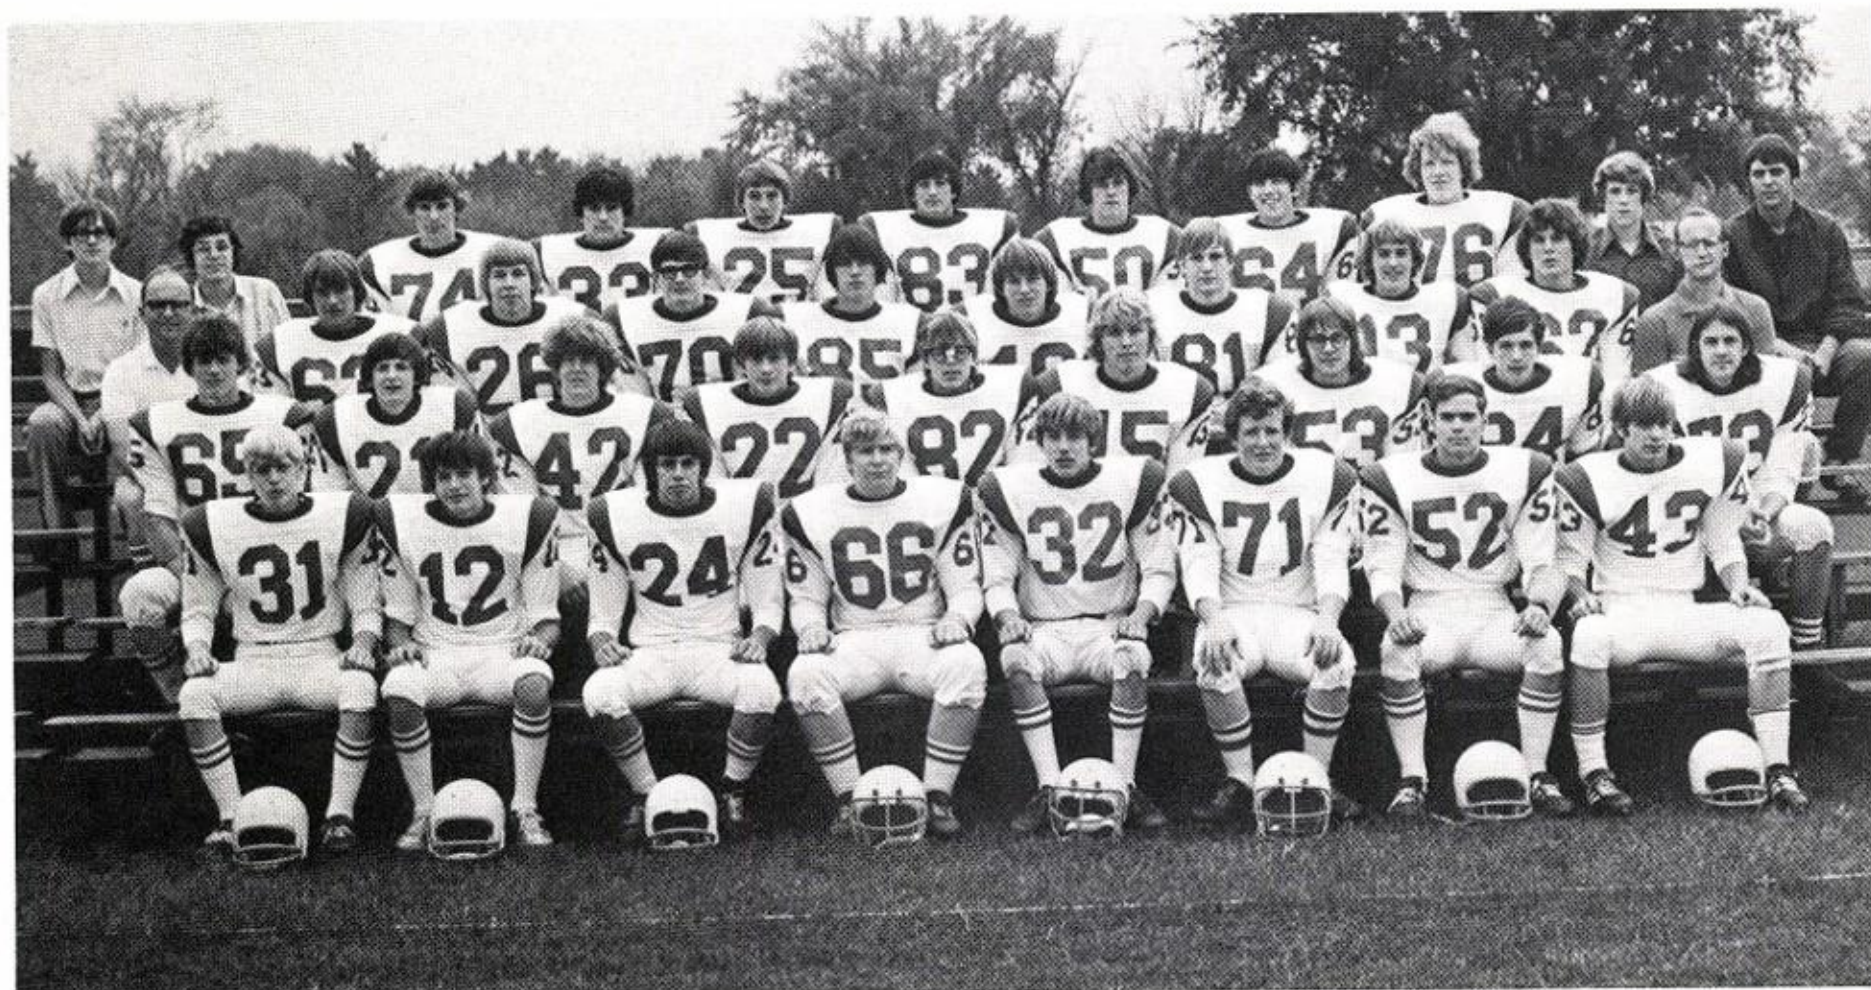

The G-E-T winning streak of 41 straight games came to an abrupt end in the season opener against Loyal. The 1973 Redmen bounced back from this disappointment and won their next four ball games against Bangor, Holmen, Onalaska, and West Salem. The Redmen showed a lot of character by coming from behind to beat Holmen and West Salem. The West Salem game was followed by a heartbreaking loss to Cochrane-Fountain City. Injuries and frustration took their toll and the team was soundly beaten by Arcadia and Melrose-Mindoro in the last two games of the season.

Pat Scheller was honored by being chosen on the all-conference team as a linebacker. John Cantlon, Jeff Hauser, and Dave Salsman were chosen to the second team and Jim Richason, John Christianson and Jerry Collins received honorable mention.

Fourteen seniors finished their high school football careers. The 1974 Redmen will be bolstered by the return of 22 lettermen who will be working very hard to get back on the winning track.

Practice makes perfect. . . usually.

ROW 1: G. Jacobs, T. Smith, T. Smith, D. Cantlon, D. Allen, M. MacDonald, R. Aasland, D. Baer; ROW 2: T. Halderson, T. Cook, N. Bell, J. Christianson, S. Smith, C. Dahl, G. Smith, D. Biesen, G. WEEK
BOY

ABOVE: Coach Lund gives the Redmen a pep talk at half time.

LEFT: Dan seems to be missing a part of his outfit.

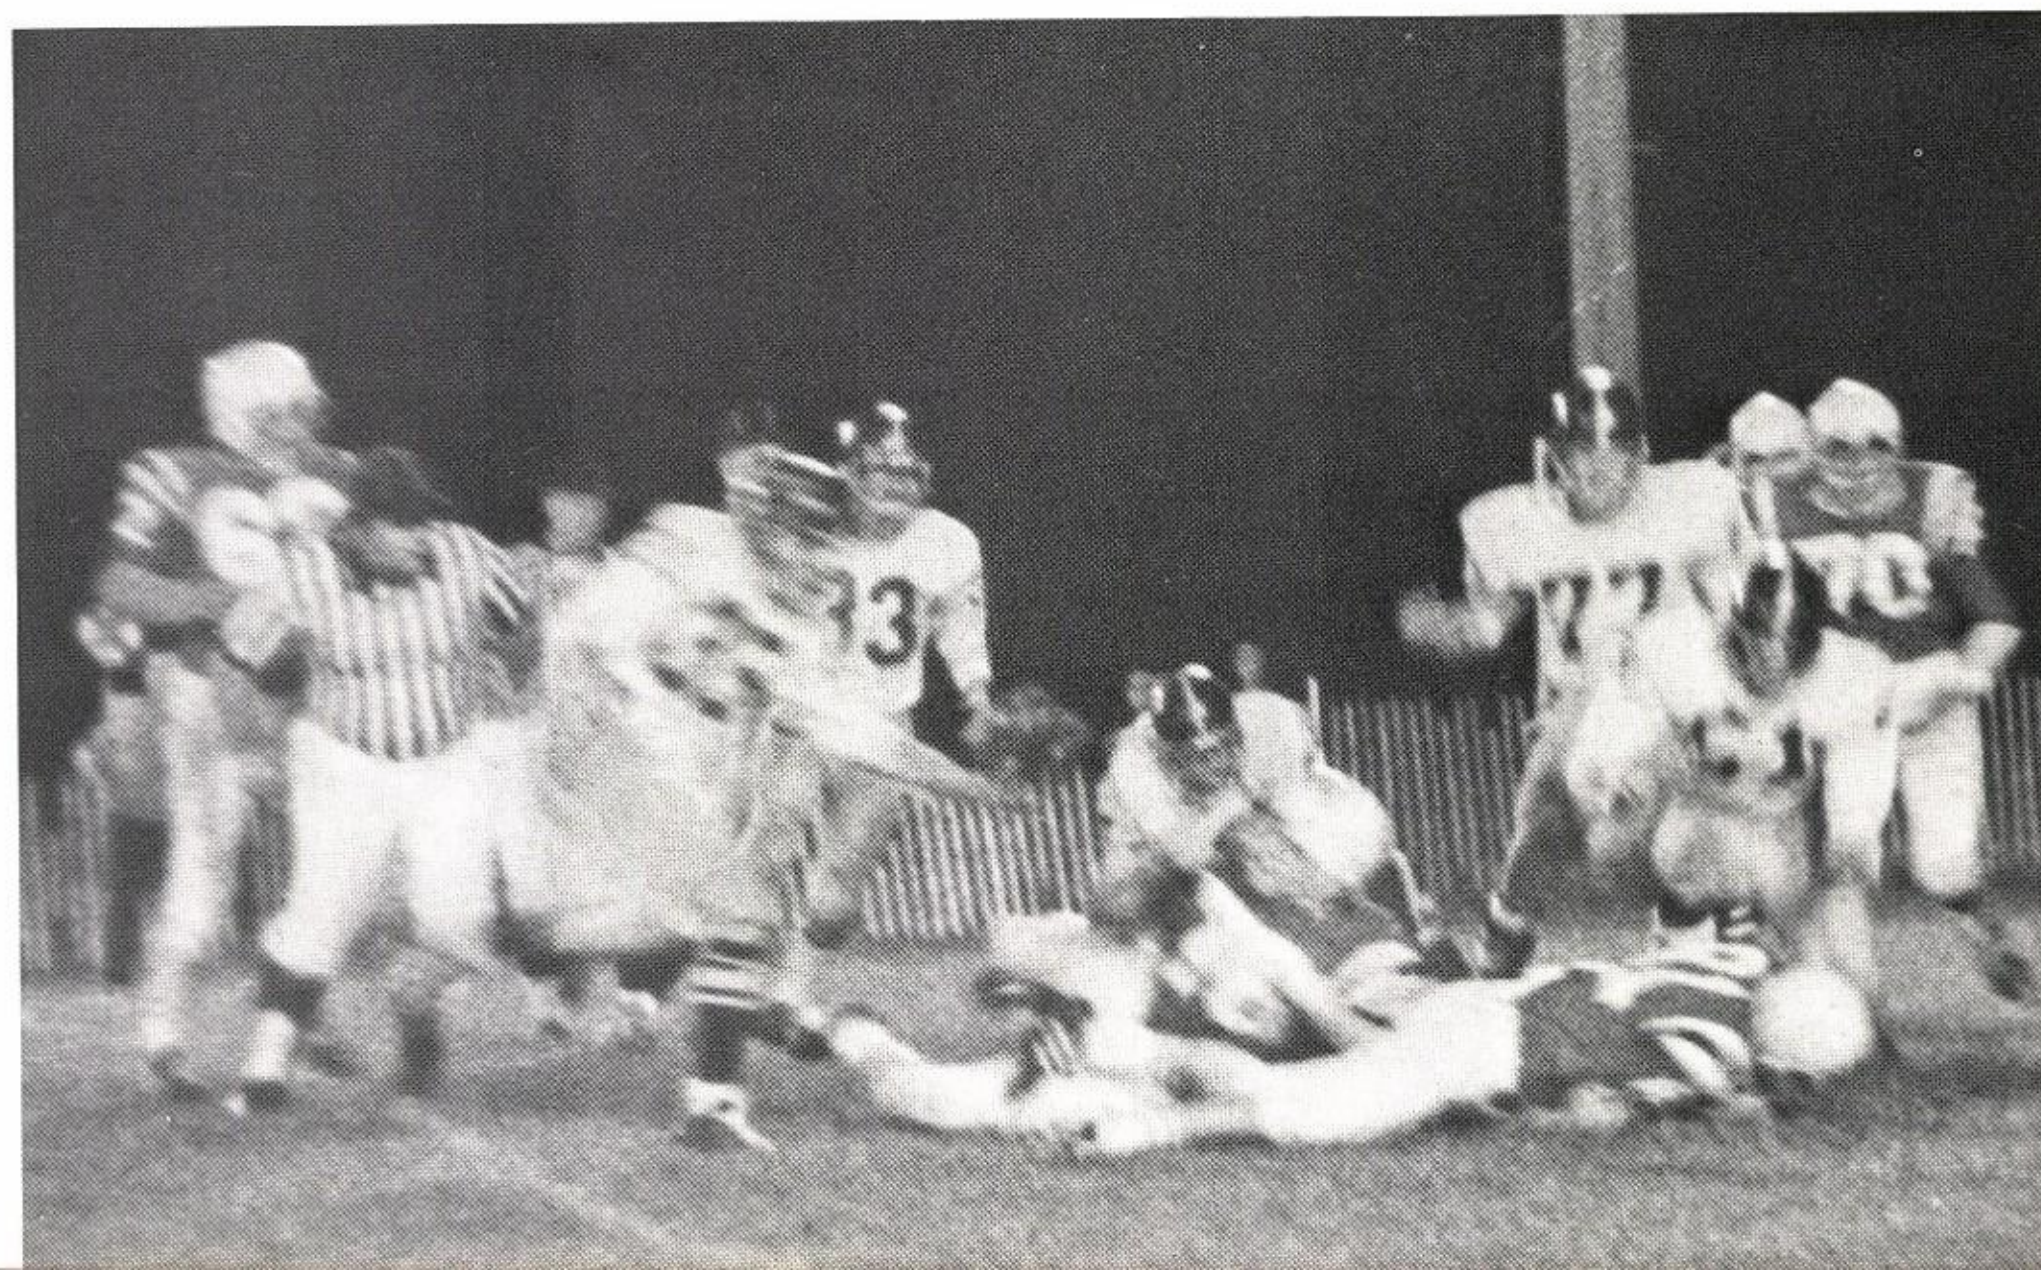

FAR LEFT: Randy, Bruce, and Tom are raring to fight.

CENTER: John Elstad runs away from the crowd.

LOWER LEFT: The Senior players had their picture taken for the Republican and Neid just had to be noticed.

BELOW: Both teams go for the ball.

JUNIOR VARSITY TEAMS

This year's junior varsity basketball team is made up of 11 sophomores and 1 freshman. The record so far this year is 9 wins and 4 losses.

The G. E. T. freshmen team managed to log a 5-5 season record. Four of the wins came against conference opponents.

The young Redmen were most impressive in their two clashes with Arcadia, devastating the Raider's zone press in the first meeting to win 50-42.

Most disappointing, perhaps, was a mid-season one point loss to undefeated Whitehall, a team that has yet to be beaten since beginning in 7th grade.

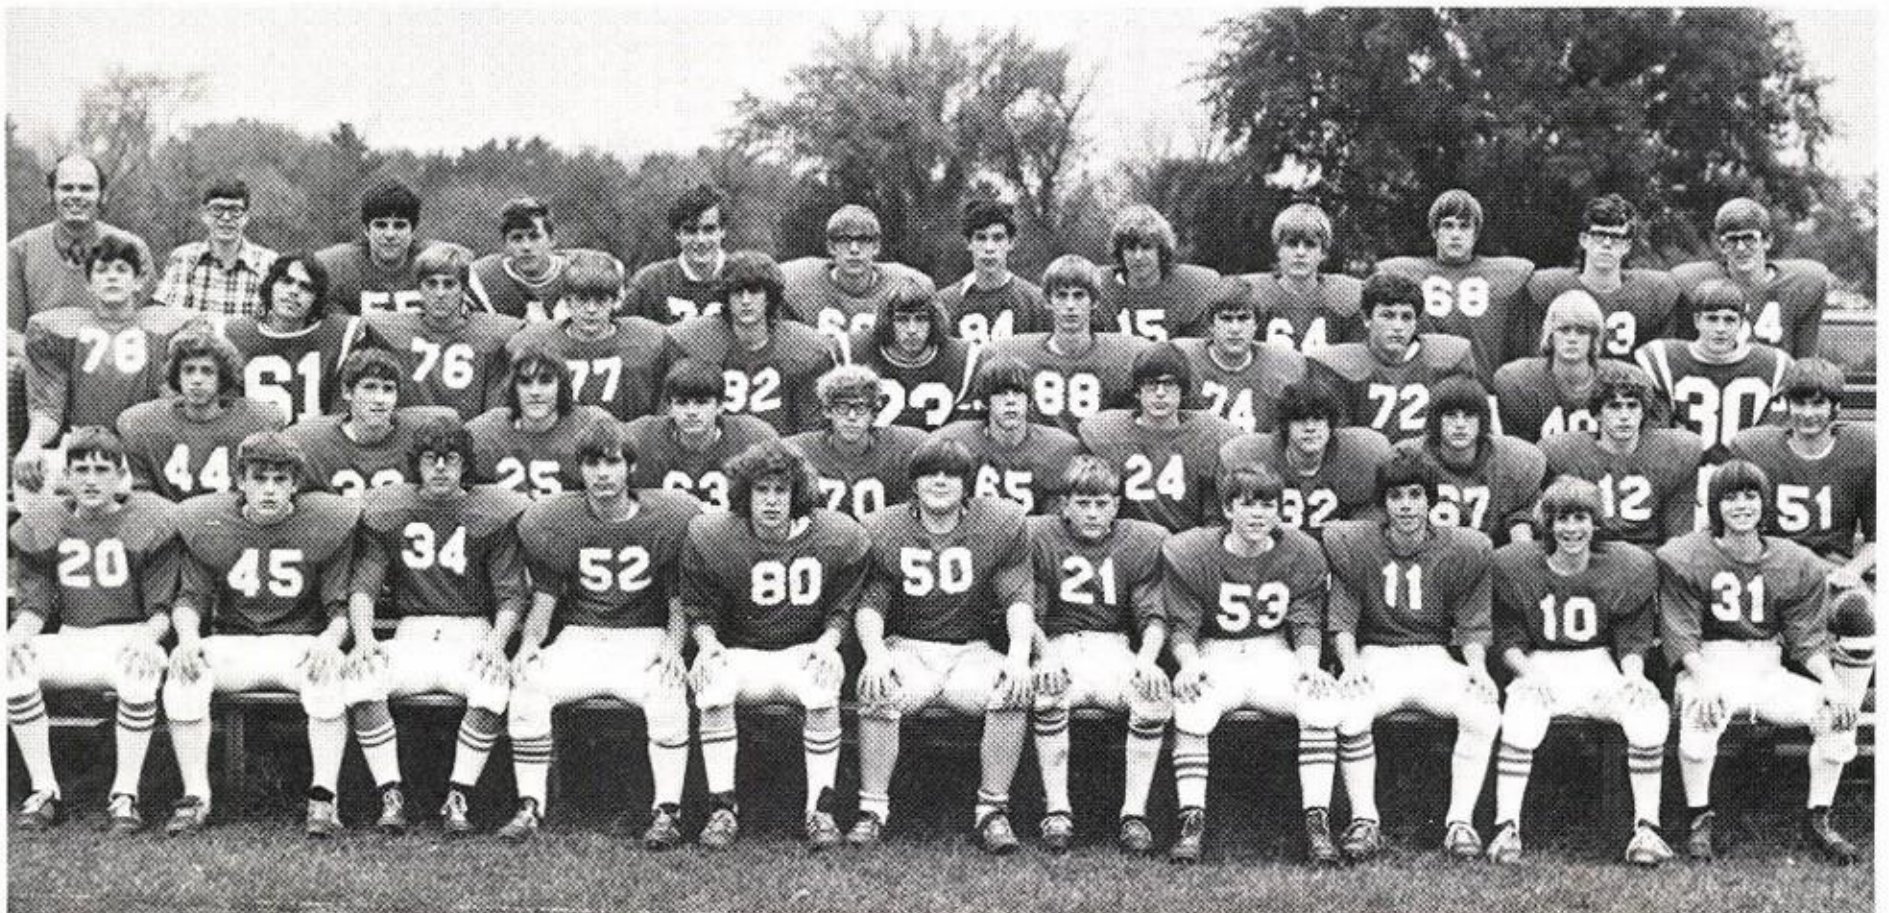

Tim McCormick scored 12 points and a host of teammates tallied 6 as the frosh upended the Junior high squad, 42-29, in the annual scrimmage with next year's Freshmen.

Inexperience was the cause of the 3-3-1 season in J. V. Football this year. The team consisted of 16 Sophomores and 35 Freshmen. The Sophomores who will move up to varsity next year were excellent players, but few in number. Next year's J-V football team should be good due to the number competing this year in Freshman football.

ABOVE: The team gathers added spark.

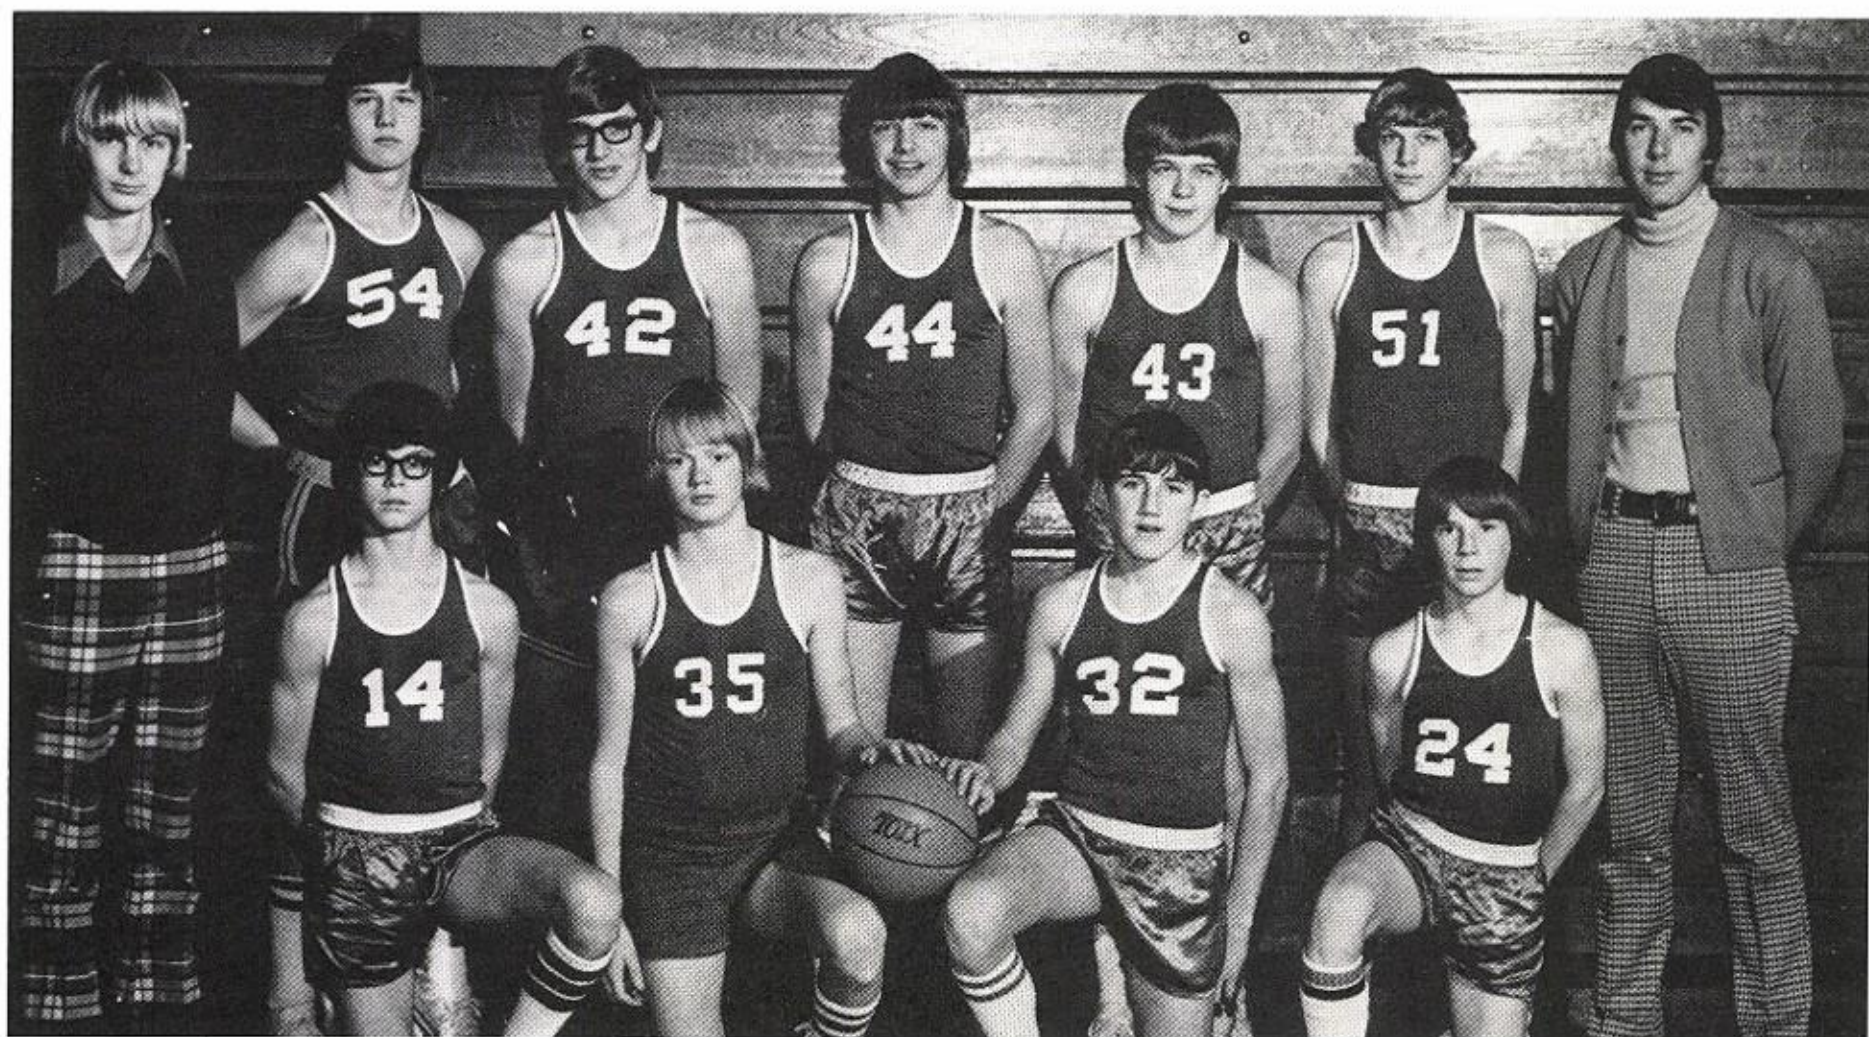

ROW 1: W. Stellflug, J. Emerson, N. Wilber, D. Teska, M. McDonald, J. McDonah, C. Slowcheski, M. Craig, G. Updike, J. Lund, R. Hoff. ROW 2: M. Nichols, W. Craig, S. Bautch, B. Hein, F. Thill, W. Allen, M. Updike, J. McDonah, K. Sacia, T. McCormick, D. Teska. ROW 3: D. Elliott, R. Jick, J. Knepper, T. Rindahl, T. Hjelsand, R. Sacia, A. Ofsdahl, J. Peters, D. Collins, D. Daffinson, R. Solberg. ROW 4: J. Worra, D. Beirne, D. Heffner, R. Weyant, T. Jessesky, J. Bemis, K. Sahlstrom, J. Scherr, K. Stellflug, T. McCloud, D. Wall, P. Blaha.

GAIN EXPERIENCE

ABOVE: ROW 1: J. Knepper, R. Daffinson, W. Stellflug, J. Lund ROW 2: J. Beseler, T. McLeod, P. Blaha, J. Scherr, T. Rindahl, P. Scott, L. Gautsch

FEARLESS TEAM

The 1973-1974 Redmen gained very little varsity experience during the '72-73' season. In spite of this lack of experience they have attained a creditable record of 8 wins and 4 losses and are in second place in the Coulee Conference with an 8-2 record at the time of this writing.

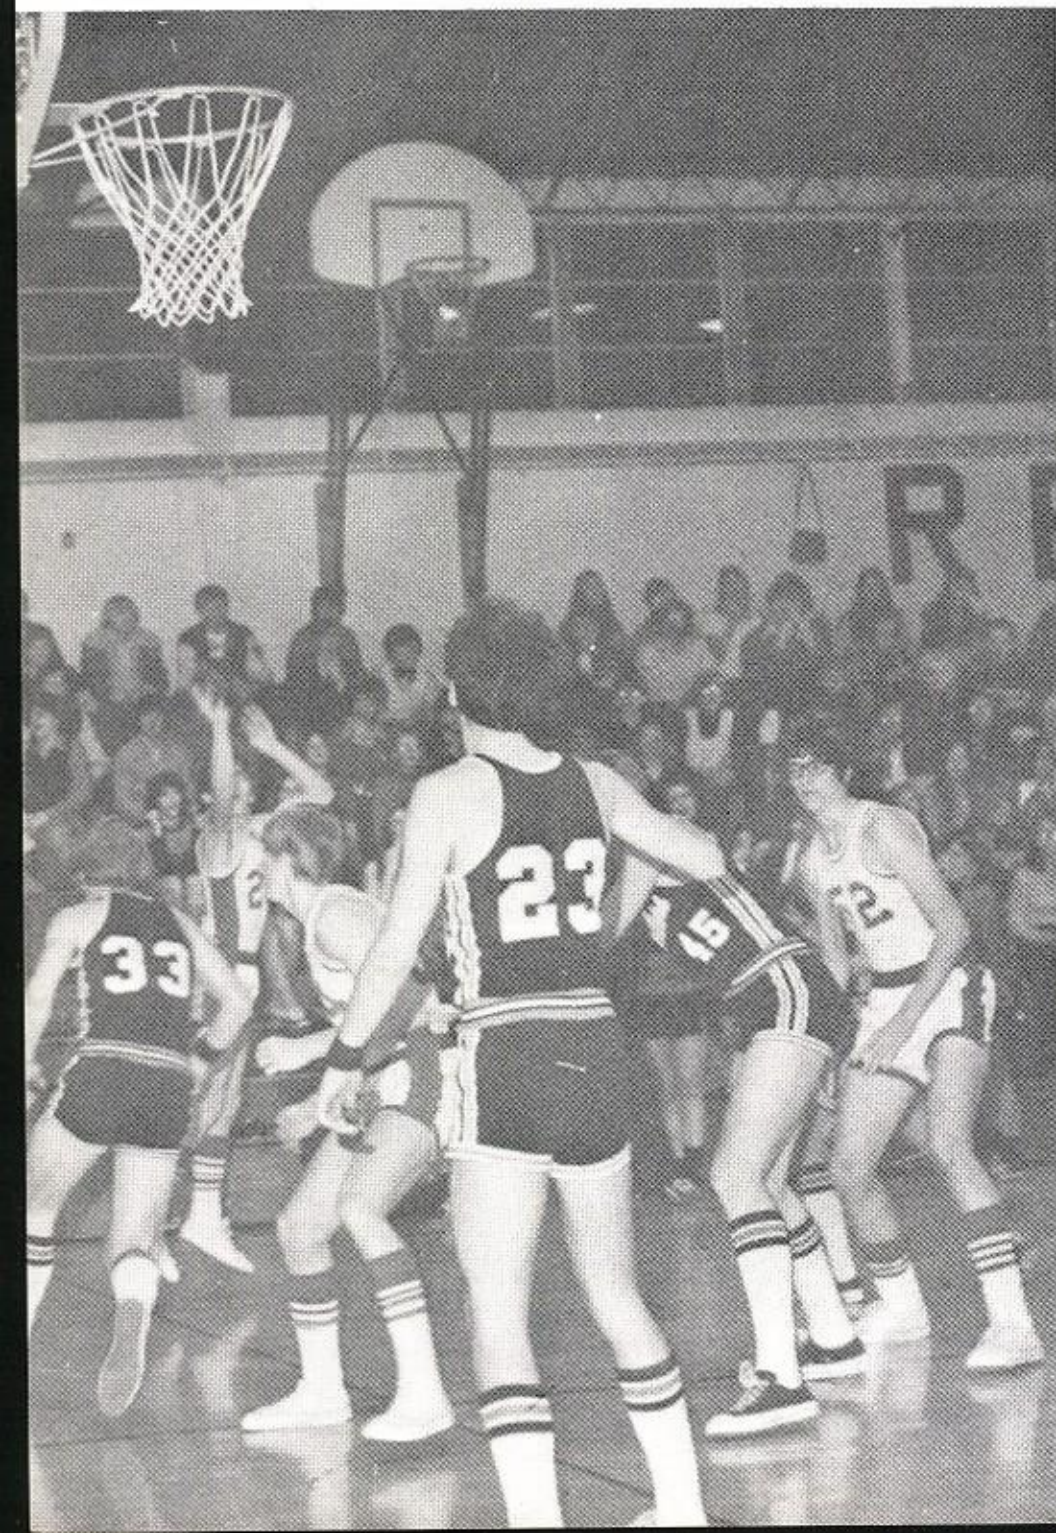

Kevin Back, Steve Hovell, John Olson, Dave Salsman, Bill Stephan, Larry Stuhr and Nick Bell have seen the most action this year. John Christianson and John Elstad have also made contributions in some key ball games. Pat Scheller, Jerry Collins, Clayton Harris, Dave Rowlands, and Steve Smith round out the squad.

ABOVE: Steve scores two on a fast break.

LEFT: Players position themselves under the boards for the rebound.

TOP RIGHT: Up, Up and away but where did the ball go?!

FUTURE LOOKS

In 1973-74 the G.E.T. wrestlers worked very hard trying to meet the experience levels of their opponents. Being a very young team with only a few experienced and seasoned wrestlers, the team was 2-10-1 in dual meet competition. In tournament competition the wrestlers finished 12th in the Mustang Tournament with Junior, 145# Dan Uhl, placing 3rd in his class. At the Dairyland Tournament, G.E.T. placed 9th and had a champion, Jeff Hauser, at 155#. The team has regionals, sectionals and state tournaments remaining to complete the season. We are looking for some surprises in this final tournament series to end up the season on a good note.

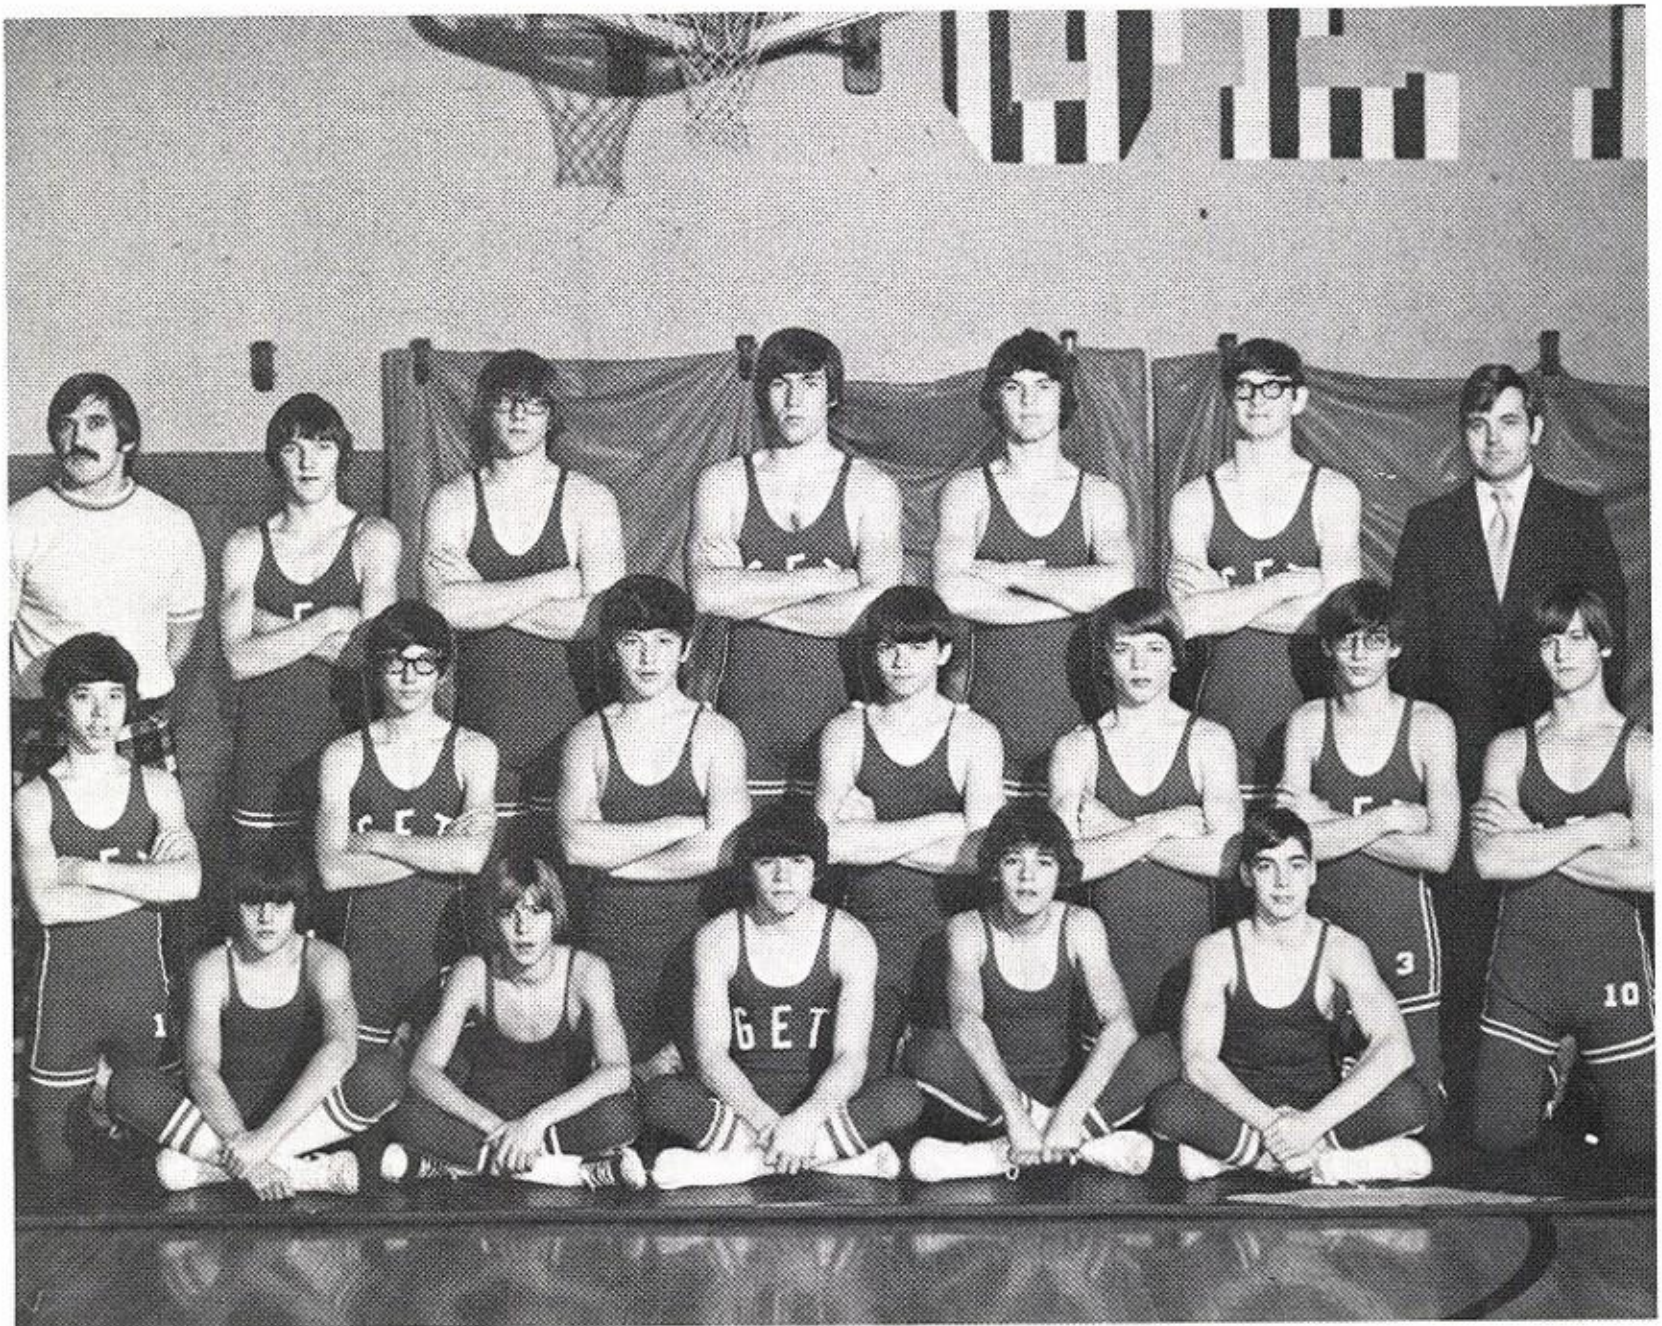

With quite a number of returning lettermen and boys with much more experience, the future looks bright for the G.E.T. wrestling team. A junior high school wrestling program has been started which will help a great deal in the years to come.

Outstanding wrestlers for the year were Senior, Jeff Hauser-Co-captain, Junior, Dan Uhl-Co-captain, Sophomore, Mike Updike, and Freshman, Jeff McDonah.

GOLFERS' FINISH SECOND

Golfers at G. E. T. had a fine year in 1973. In regular season competition they were defeated only one time in all matches. In tournament competition, they finished second behind Durand in the Arcadia Regional. This qualified the team to go to West Salem's Maple Grove Golf Course for sectional competition. With an average score of 89 by 4 boys we were not able to go on to state competition. LaCrosse Central squad averaged 80 for the 18 holes and won the Sectional Tournament with Stevens Point having an 81 to place second.

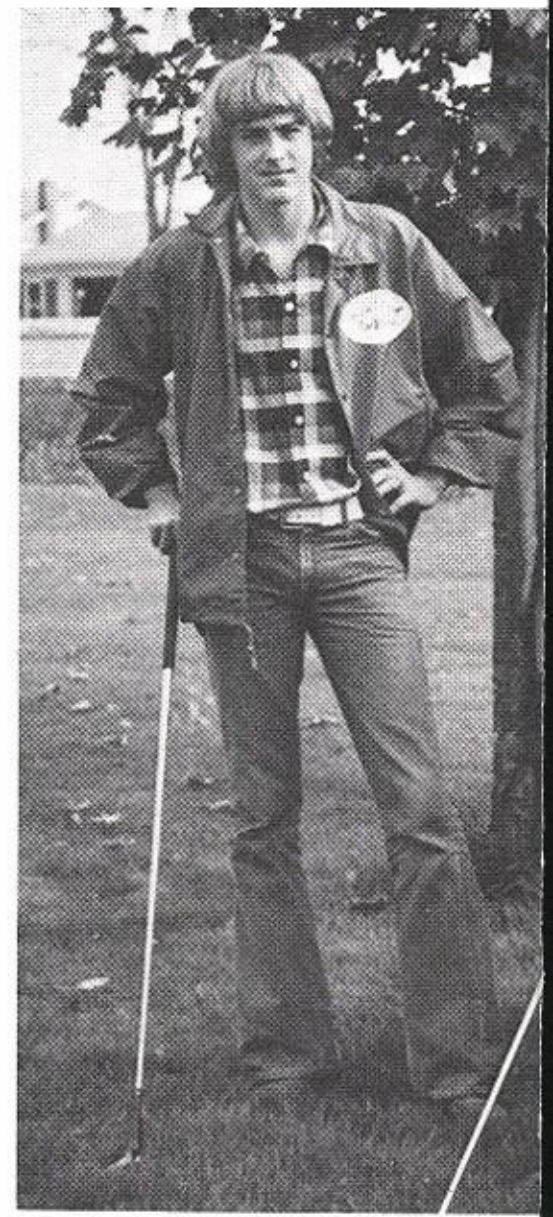

G. E. T. was led very consistently by Paul Williamson who won medalist honors for the Coulee Conference. Rounding out the varsity linksters were Pat Flaherty, Mark Severson, Dan Severson, Don Osborn, Todd Cook, Sam Ekern, and John Elstad.

The J. V. linksters consisted of Steve Smith, Mike McDonald, Tom Stellpflug, and members not qualifying for Varsity on a given day. These golfers had a 2 win, 4 loss record, but showed marked improvement towards the end of the season.

Our squad was made up of 3 Seniors, 1 Junior, 6 Sophomores, and 1 Freshman. In winning the Coulee Conference, our golf team has its first Coulee Conference Trophy in four years.

CENTER: Look at all the "swingers."

ABOVE: Mike shows perfect golf form.

REDMEN CONFERENCE

The 1973 Redmen had a tough act to follow--the 1972 Redmen had gone to the state tournament. However, this years team went one better. They won the conference championship and went to the state tournament. Their conference record was 12-2 and their over all record was 18-5.

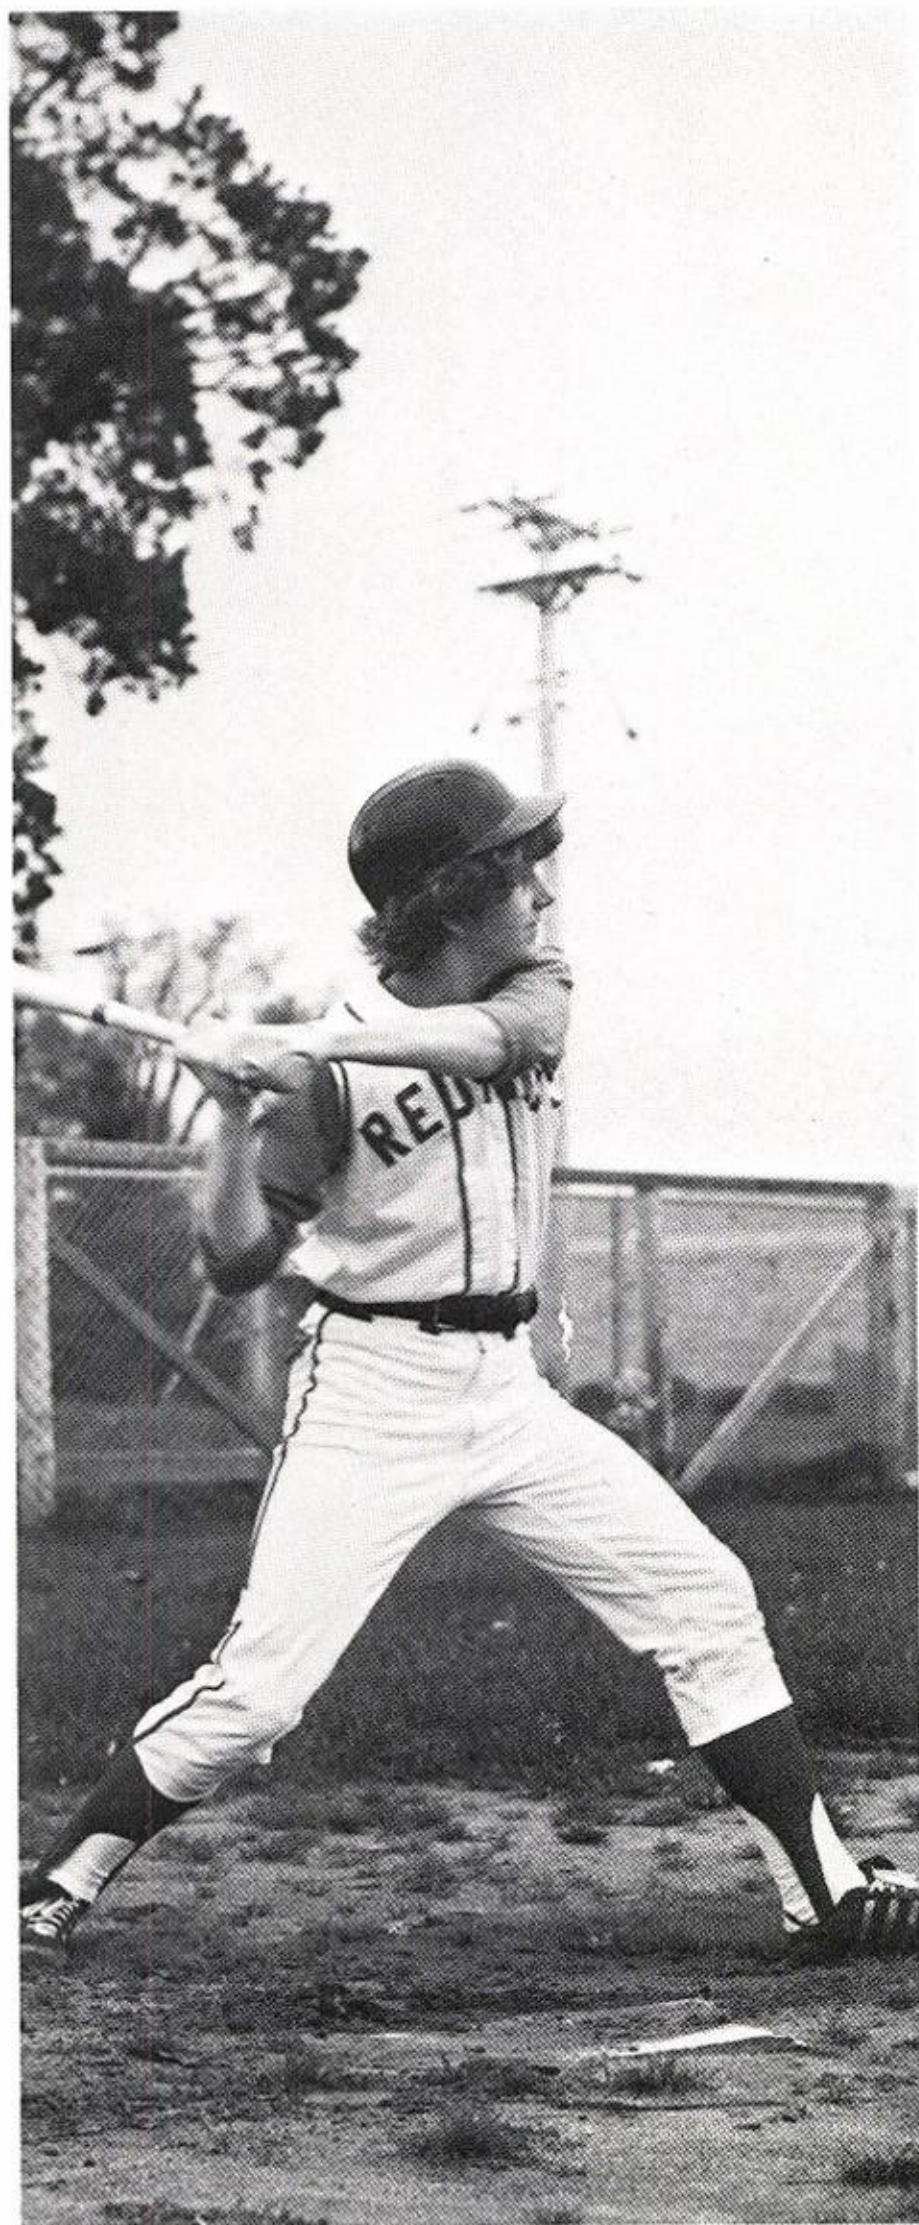

Jeff Wagner, Ken Casey, Dave Salsman, and Larry Stuhr formed a solid infield with Steve Hovell and John Christianson providing some excellent catching. Fran Peterson, Todd Johnson, Wayne Henderson, and Nick Bell shared time in the outfield, they provided sound defense and excellent catching. Clayton Dahl and Bill Stephan performed the bulk of the pitching with Bell and Peterson available in relief roles. Dahl's season record was 11-2. His only two losses coming when the Redmen were shut out. Gordon Jacobs, Dave Rowlands, and Jerry Collins rounded out the squad.

The J. V. 's posted another fine season with 9 wins and 3 losses. Many of these fine young ballplayers will be challenging the upper classmen for positions in 1974.

ROW 1: R. Lund, D. Rowlands, J. Collins, J. Christianson, C. Dahl, N. Bell, G. Jacobs, ROW 2: K. Casey, F. Peterson, J. Wagner, D. Salsman, T. Johnson, L. Stuhr, B. Stephans, W. Henderson, S. Hovell.

CHAMPIONS AND RETURN TO STATE

CHAMPION TRACK TEAM

ROW 1: G. Leavitt, R. Harris, P. Scheller, P. Halderson, T. Johnson, K. Wood, G. Ouellette, G. Jacobs, T. Smith, J. Collins, D. Allen. ROW 2: D. Skwierawski, D. Salsman, G. Thill, T. Eichman, D. Uhl, D. Lilla, R. Solberg, D. Rowlands, D. Baer, S. Hovell, J. Cantlon, J. Mulac, R. Pampuch. ROW 3: D. Spencer, R. Blank, B. Tranberg, R. Aasland, D. Ryder, N. Bell, J. Olson, T. Smith, K. Sahlstrom, T. Daffinson. ROW 4: F. Peterson, D. Hanson, D. Wagner, M. Nichols, J. Walters, R. Baer, C. Muller.

In our second year as Gale-Ettrick-Trempeleau, we had a very successful season. About 75 boys tried out for the team and we had 26 meets for both "A" and "B" squads.

Our season outdoor meet record was (10-2), and our team record was (70-11). We placed fourth in the Red Raider Relays and sixth in the Knights of Columbus Relays. We were champs in the conference, Trempe County, Holmen Relays, G-E-T Relays and the Junior and Senior part of the G-E-T Invitational.

Our tournament team record was (14-8). We placed fourth in the Regional and sixth in the sectionals and qualified two boys for the state meet: Dan Lilla in the discus-30'7", and Steve Hovell in the pole vault-11'6".

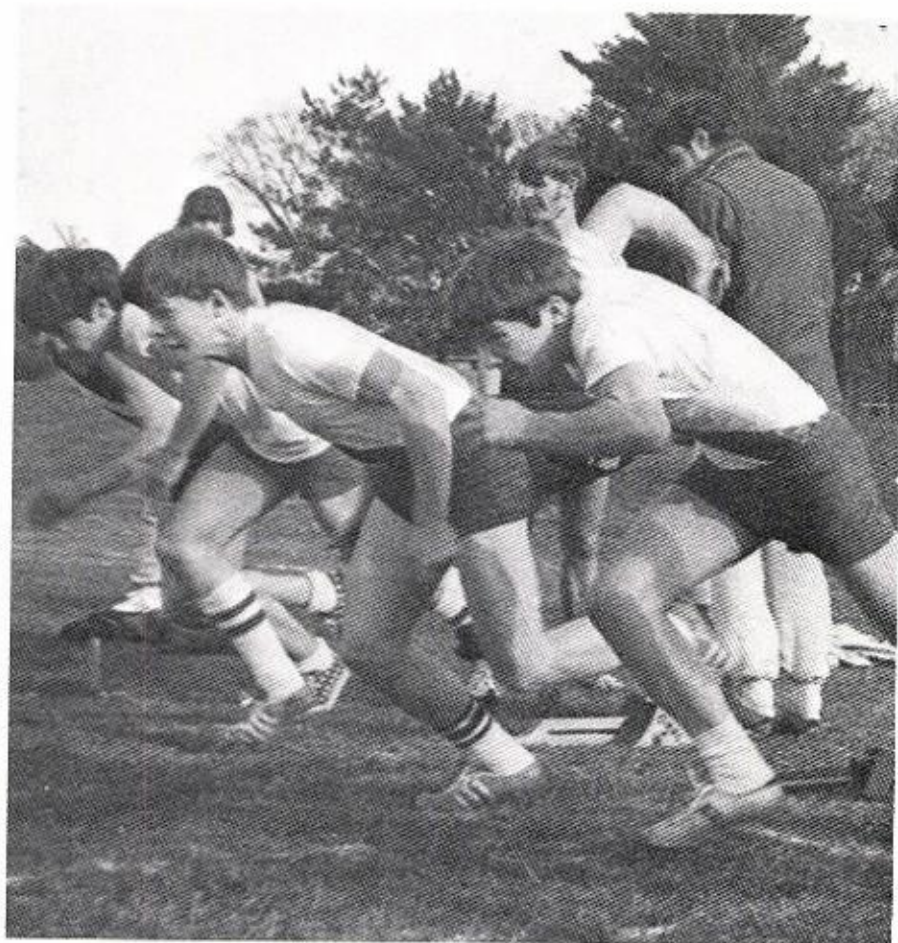

We attended two indoor meets, placed third in the LaCrosse Invitational and eighth in the Menomonie Invitational. Our indoor record was (10 1/2-9 1/2).

Our team track record for the whole season was (94 1/2-28 1/2). Track is coached by R. Pampuch and Don Skwierawski.

RIGHT: Dave Ryder shows great style in jumping the high hurdles.

CROSS COUNTRY TEAM IMPROVES

In our second year of competition, we improved a great deal individually, but our team efforts were only 21%. Our best team effort was in the Regionals when we placed in the middle of 13 schools.

We placed third in the Coulee Conference of the four schools competing. We also competed in the Logan Invitational, Brookwood Invitational, and the Holmen Invitational.

Our squad this year consisted of 1 senior, 1 junior, 4 sophomores, and 3 freshmen.

The seven top runners and their best times on our squad were as follows:

Greg Ouellette	13:32
Don Osborn	13:51
Ed Stull	14:29
Dan Johnson	14:29
Perry Scott	15:05
Keith Ouellette	15:10
Tom Burt	15:29

The team was coached by Richard Pampuch.

LEFT: It's a mad dash for the finish line.

ABOVE: ROW 1: P. Scott, J. Beseler, K. Ouellette, S. Leavitt, D. Osborn. ROW 2: T. Burt, D. Johnson, G. Ouellette, E. Stull, R. Pampuch.

REDMEN CURL

As the yearbook goes to press, Coach Duellman and his curling team are on their way to Waupaca to hopefully win the bonspiel there.

This season in conference play the varsity team won two and lost five. At the Wausau Invitational with twenty-six teams entered, the G.E.T. curling team won second event.

The junior varsity team won five and lost two games.

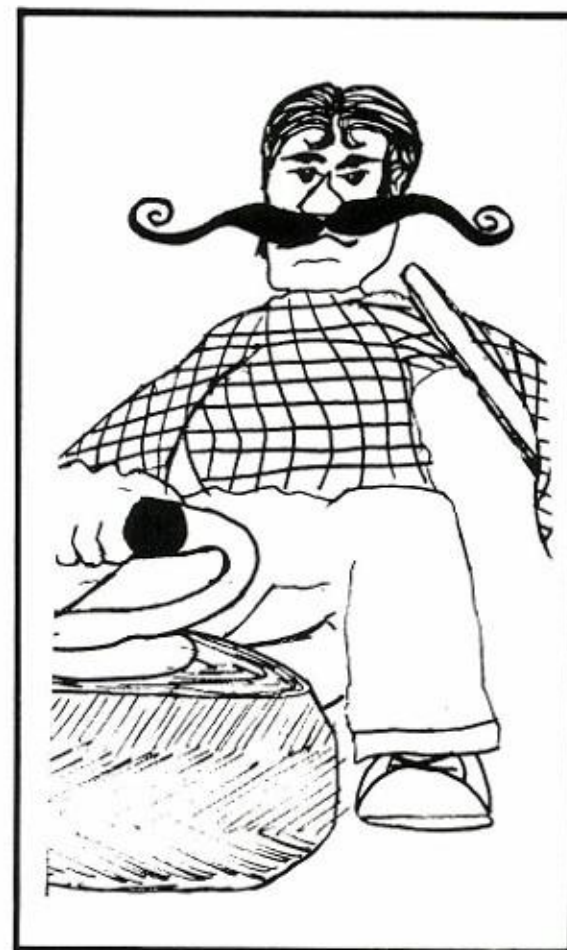

Much to the disappointment of many students this will be the last year that our school will have a curling team.

CENTER: Didn't anyone tell you. . . the rock already stopped!

ABOVE: ROW 1: D. Osborn, R. Hovell, E. Trim, D. Severson, S. Ekern, T. Hovre ROW 2: R. Duellman, J. Peter, G. Eichman, L. Jacobson, B. Kopp, T. Halderson, D. Beirne, D. Baer, L. Hovell, P. Trim

THEIR LAST END

LEFT: Tom, who are you trying to kid? Since when do you throw a rock in FRONT of the house?!

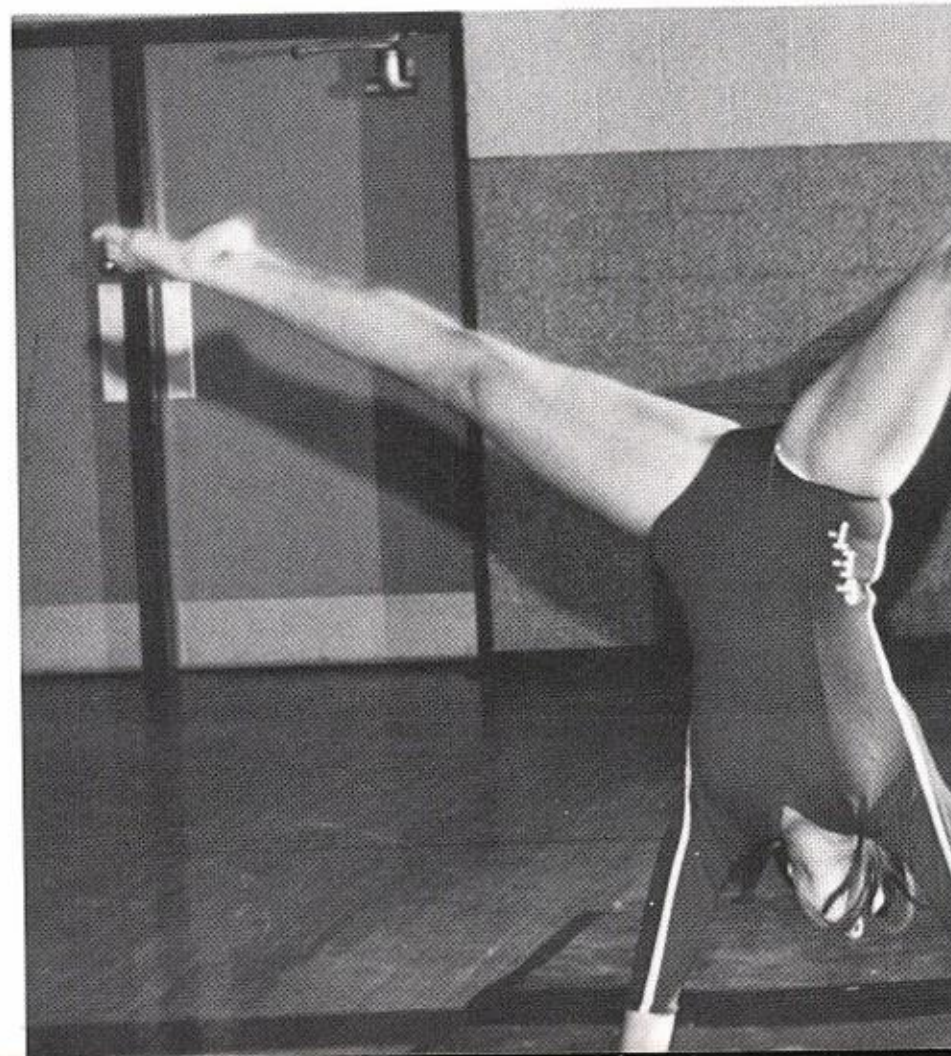

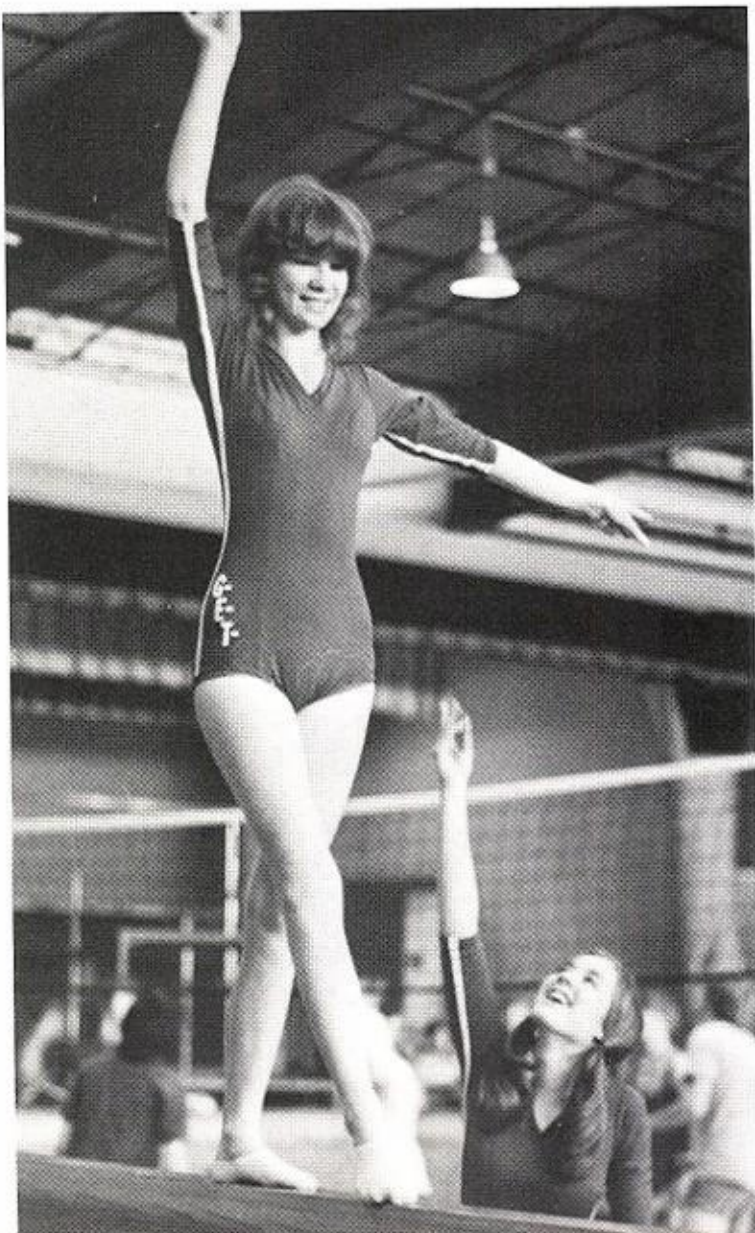

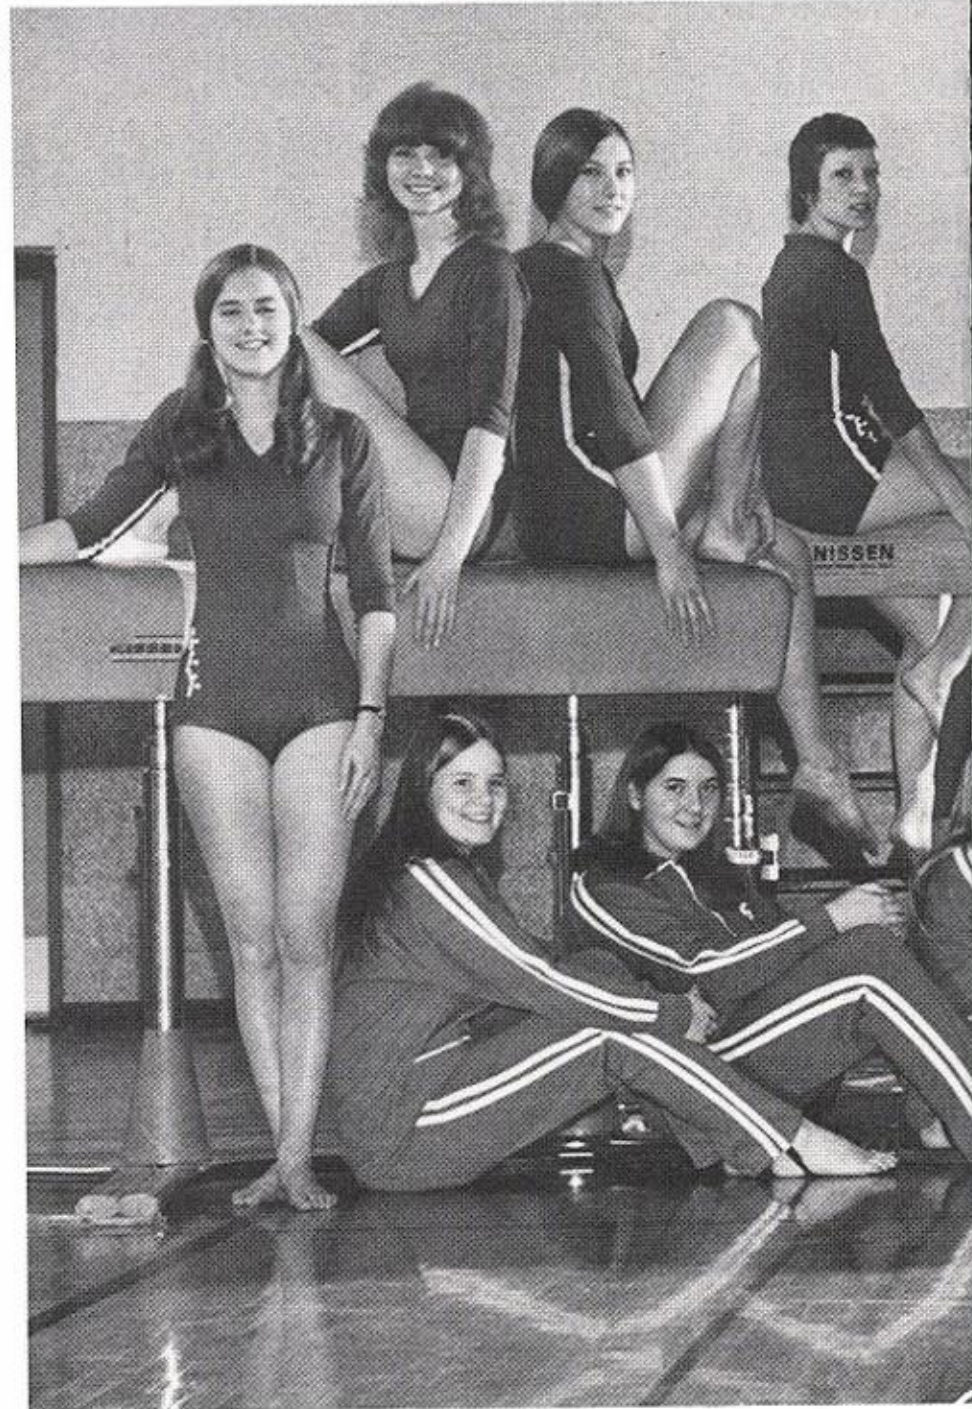

GYMNASTS SCORE HIGH

Having a young team didn't stop the girl's gymnastics team as they began the year with only five returning lettermen, four of whom were seniors. Thus far in the year, they have participated in four meets. Defeating Holmen in a home meet, Cochrane-Fountain City in their gym, and coming in a close second behind DeSoto at Logan, got the team off to a good start. The high point for the team was the Dr. McLellan Invitational at Viroqua. Seventeen schools competed and G.E.T. took fifth place, with Linda Nelson and Shawn Ofsdahl each placing fifth in the individual competition.

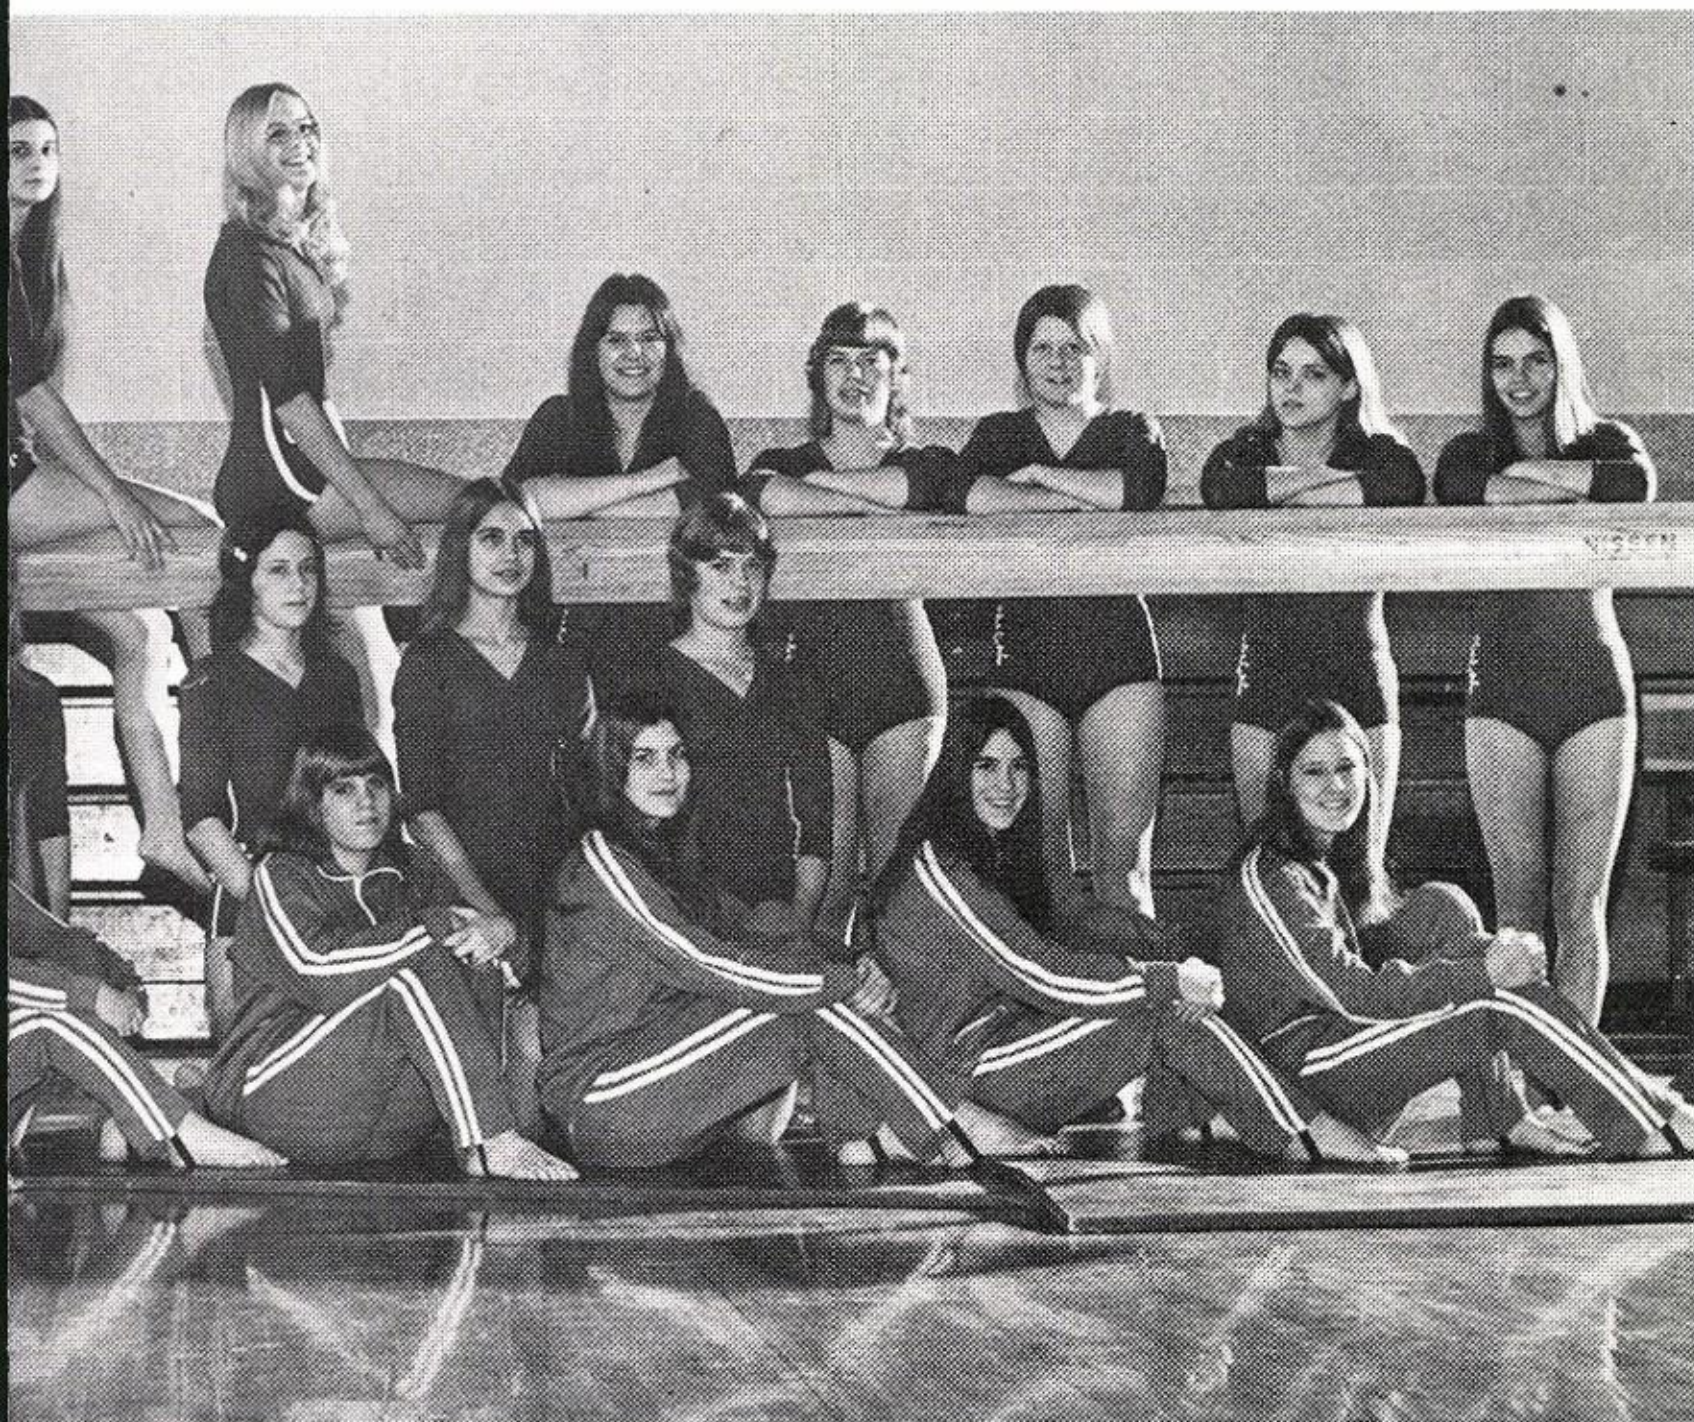

Teams were scored on two levels instead of one this year--beginning and intermediate compulsory routines was one level, and optional routines was the other. The W.I.A.A. tournament program was scored on the optional level only.

Although all the team members who competed did very well, the four senior members consistently scored the highest. They are: Sharyn Becker doing floor exercise; Shawn Ofsdahl on the uneven parallel bars and vault; Linda Nelson on the balance beam; and Jane Trim did all four events and was the team's all-around.

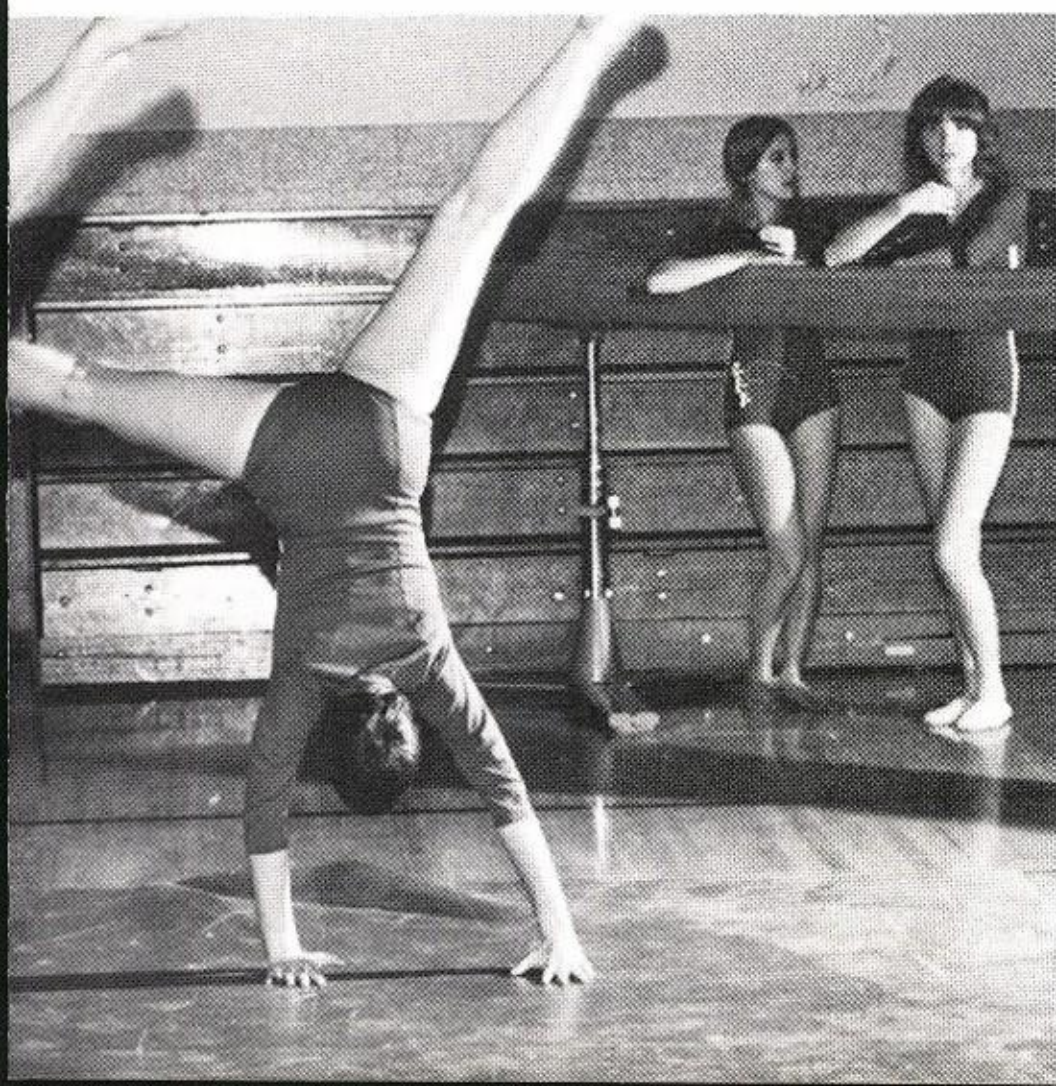

Mrs. Warriner is the team coach and Linda Nelson is the captain.

IN COMPETITION

ABOVE: ROW 1: S. Ofsdahl, V. Ryder, J. Weyant, C. Hogden, K. Williamson, R. Reincke, K. Moppin, S. Willock ROW 2: D. Mickelson, M. Hilt, B. Molid, K. Ofsdahl ROW 3: L. Nelson, J. Trim, S. Becker, H. Folkedahl, C. Olson, B. McCormick, K. Ofsdahl, S. Bell, C. McBride, H. Truax

LEFT: Jane and Sharyn exhibit coordination and timing.

FAR LEFT: Balance and poise, keys to a winning routine, are demonstrated by Linda and Shawn.

ATHLETES SHARE VICTORY AND DEFEAT

ATHLETIC CODE

CHEERLEADERS will be regulated by the full ATHLETIC CODE.

1. SCHOLASTIC: A student failing more than one subject will be ineligible until the next grading period.
2. ATTENDANCE: A truant student will be ineligible for the first contest following the truancy.

A student must be in regular attendance for at least 1/2 of the school day on which an athletic contest is scheduled, in order to participate in that contest. (extenuating circumstances to be given special consideration).

3. TRAINING RULES: Smoking, drinking, and drugs are to be governed by the same penalty.

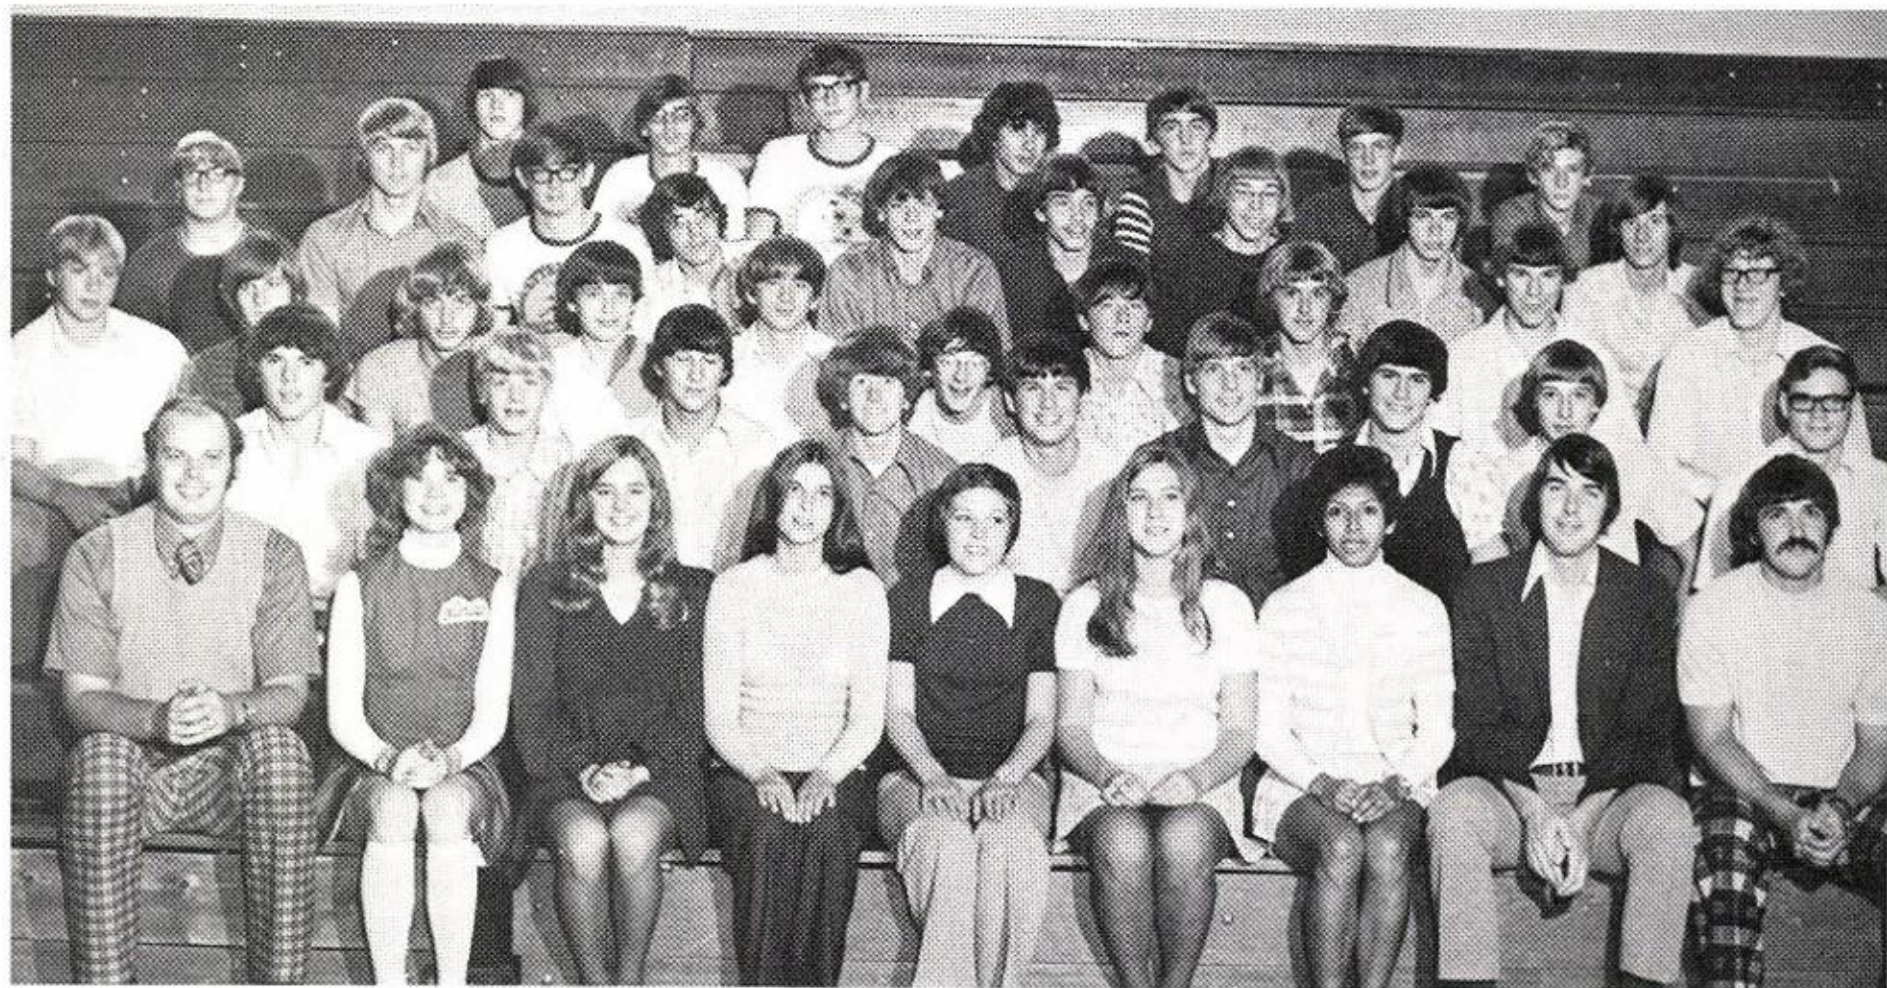

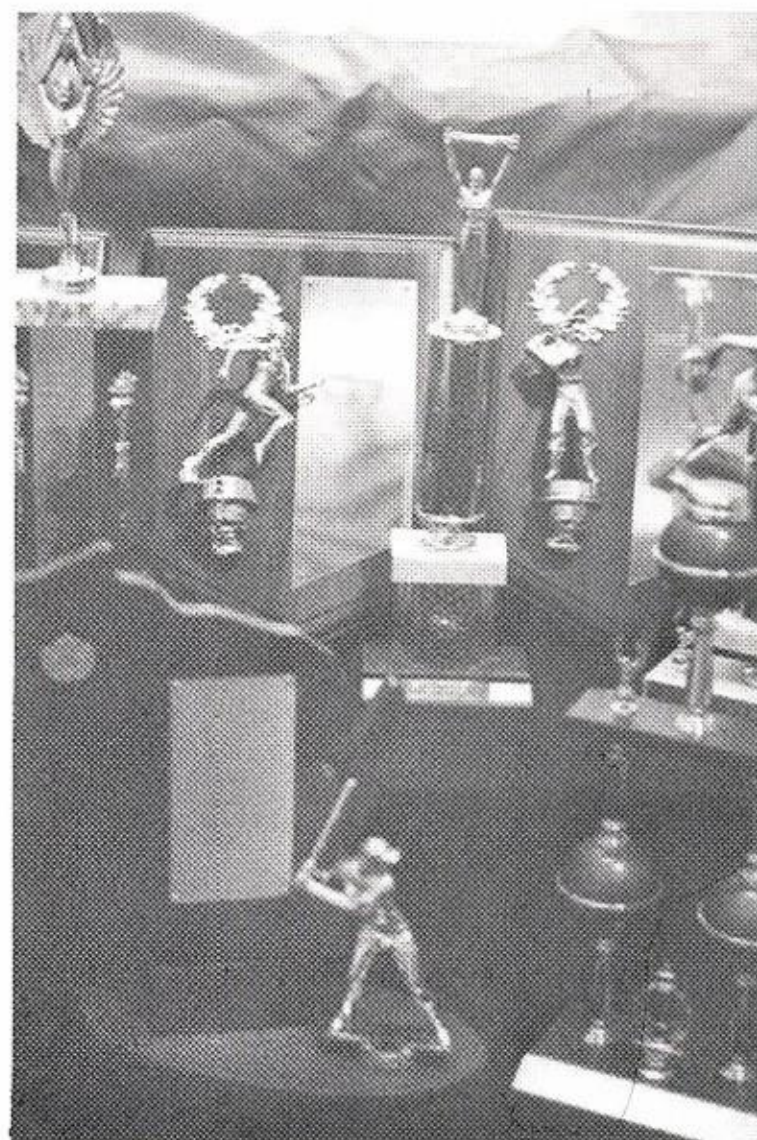

FIRST OFFENSE: The athlete is to be suspended for one-third (1/3) of the regular season games, but must attend all practice sessions. If any situation where less than one-third (1/3) of the season remains, the penalty will carry into the next sport the athlete participates in.

SECOND OFFENSE: Suspension for one calendar year.

GENERAL: Training rules shall be in effect for the full calendar year. Infractions occurring during a time of the calendar year when the athlete is not participating in a sport will be dealt with during the next season that the athlete participates in a sport.

4. CIVIL OFFENSES: Violations of this nature will be handled by the athletic board.

RIGHT: G.E.T. Victories

ABOVE: ROW 1: J. Worra, L. Nelson, S. Ofsdahl, H. Folkedahl, S. Becker, J. Trim, A. Warriner, L. Gautsch, D. Skwierawski ROW 2: J. Hauser, G. Jacobs, R. Niederkorn, N. Bell, D. Severson, J. Olson, P. Scheller, D. Salsman, R. Aasland ROW 3: E. Trim, J. Mulac, R. Sacia, T. Smith, J. Christianson, T. Cook, D. Osborn, J. Elstad, J. Cantlon, J. Richason ROW 4: D. Cantlon, C. Dahl, D. Uhl, R. Grant, T. Halderson, D. Allen, D. Rowlands, T. Smith, G. Ouellette ROW 5: T. Daffinson, J. Kopp, D. Ryder, S. Hovell, L. Stuhr, R. Solberg, K. Ouellette

UNDERCLASSMEN

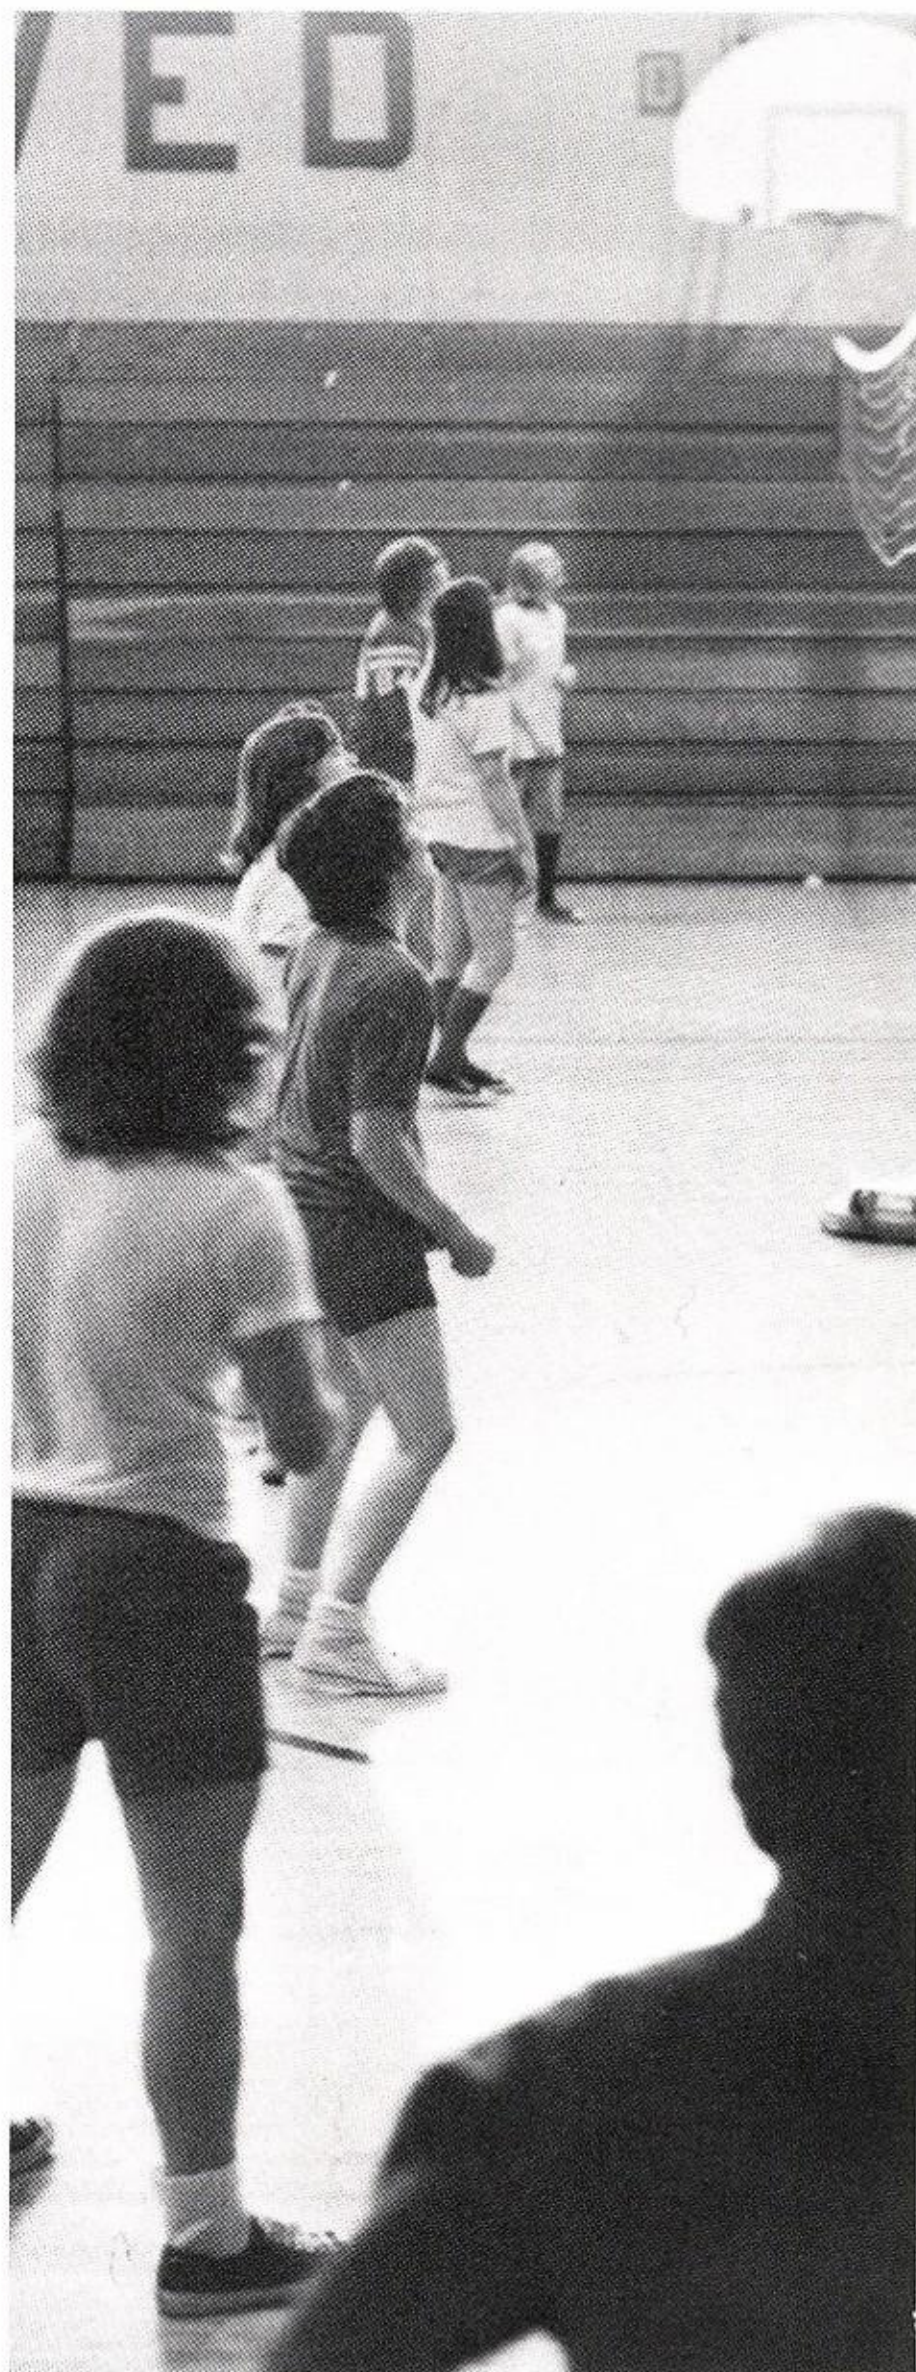

G.E.T. knew it had the Jolly-Jolly Juniors on its side by the way the class showed its spirit. Turning out at games, mixers, and pep rallies, the Juniors were full of energy and anticipation.

The class sponsored a mixer "One-way Ticket," and placed third with their homecoming float "Give 'em Hull!", which eased their financial worries for the Prom.

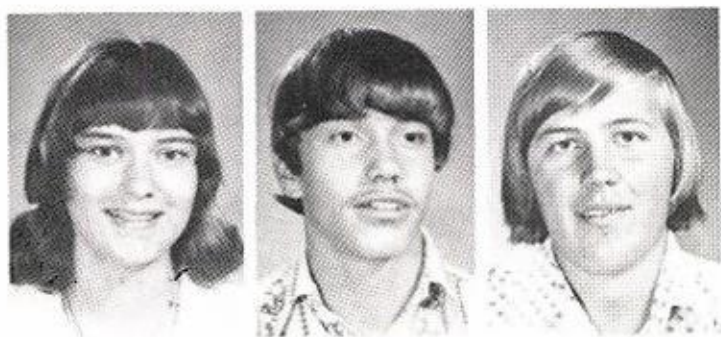

The Class of '75 was the first class to add its number to the Spirit Stick, which boosted their spirit.

Rounding the far turn and coming into the home stretch of their high school days, the Juniors are certain to succeed as Seniors.

The Junior class officers are: President-Sandy Smith, Vice-President-Tom Smith, Secretary-Jill Carhart, and Treasurer-Gordy Jacobs.

THEY GET THEIR

Slipping from Green, Green Freshmen to Silly, Silly Sophomores, the Class of '76 began to show its potential. New responsibilities came their way, along with new experiences and lots of fun.

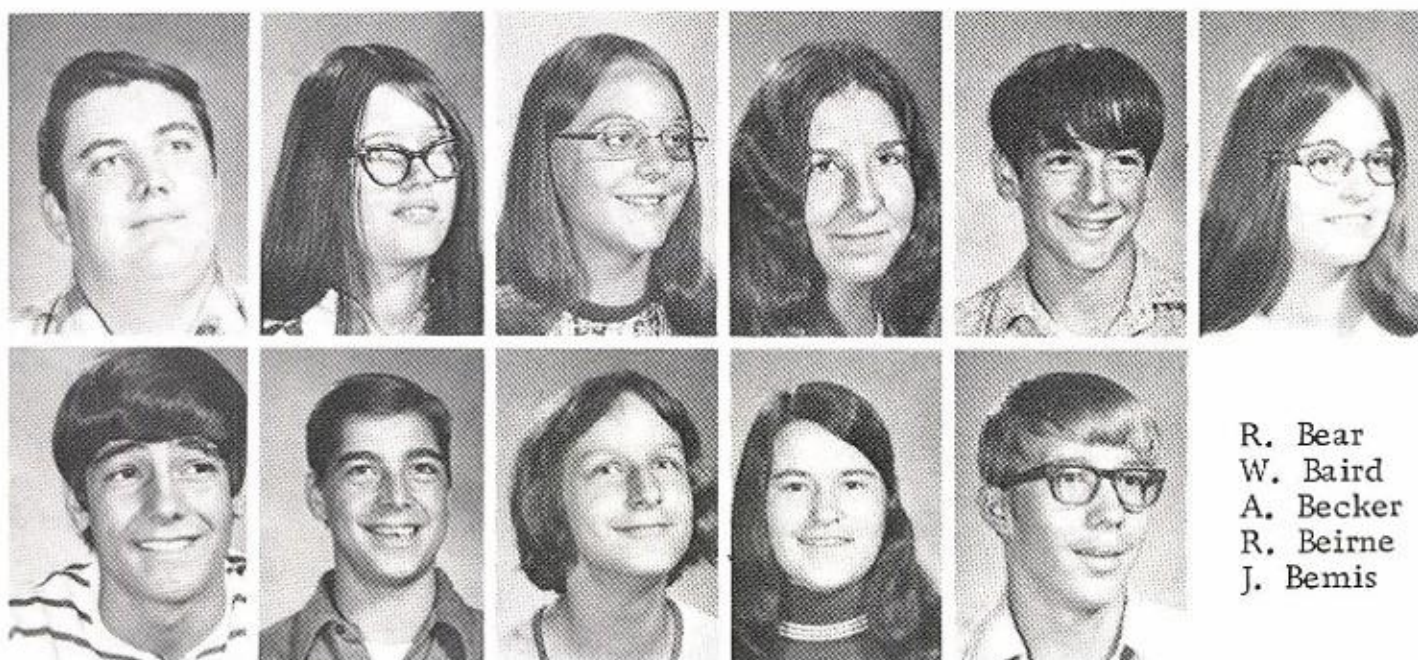

The sophomores placed second this year on their homecoming float. With the expenses of the future in mind, they sponsored a mixer with the theme "Spiders and Snakes."

To the Class of '76 goes the best of luck in its future years at G. E. T.

The Sophomore class officers are: President-Ryan Solberg, Vice-President-Bob Baer, Treasurer-Jill Voss-eteig, and Secretary-Kathy Larson.

HEAVEN HELP

Jumping into high school life with eager anticipation, the Class of '77 kept pushing and pulling from their end to make their years at G.E.T. a success.

The Freshmen's homecoming float, "Roll 'em Over" didn't place this year, but they know the saying "try and try again". The mixer they sponsored in February added to their class treasury.

The Freshmen class officers are: President-Neil Wilber, Vice-President-Greg Updike, Secretary-Anne Helstad, and Treasurer-Terry Rindahl.

QUEEN TAMMY FRY AND KING RAY

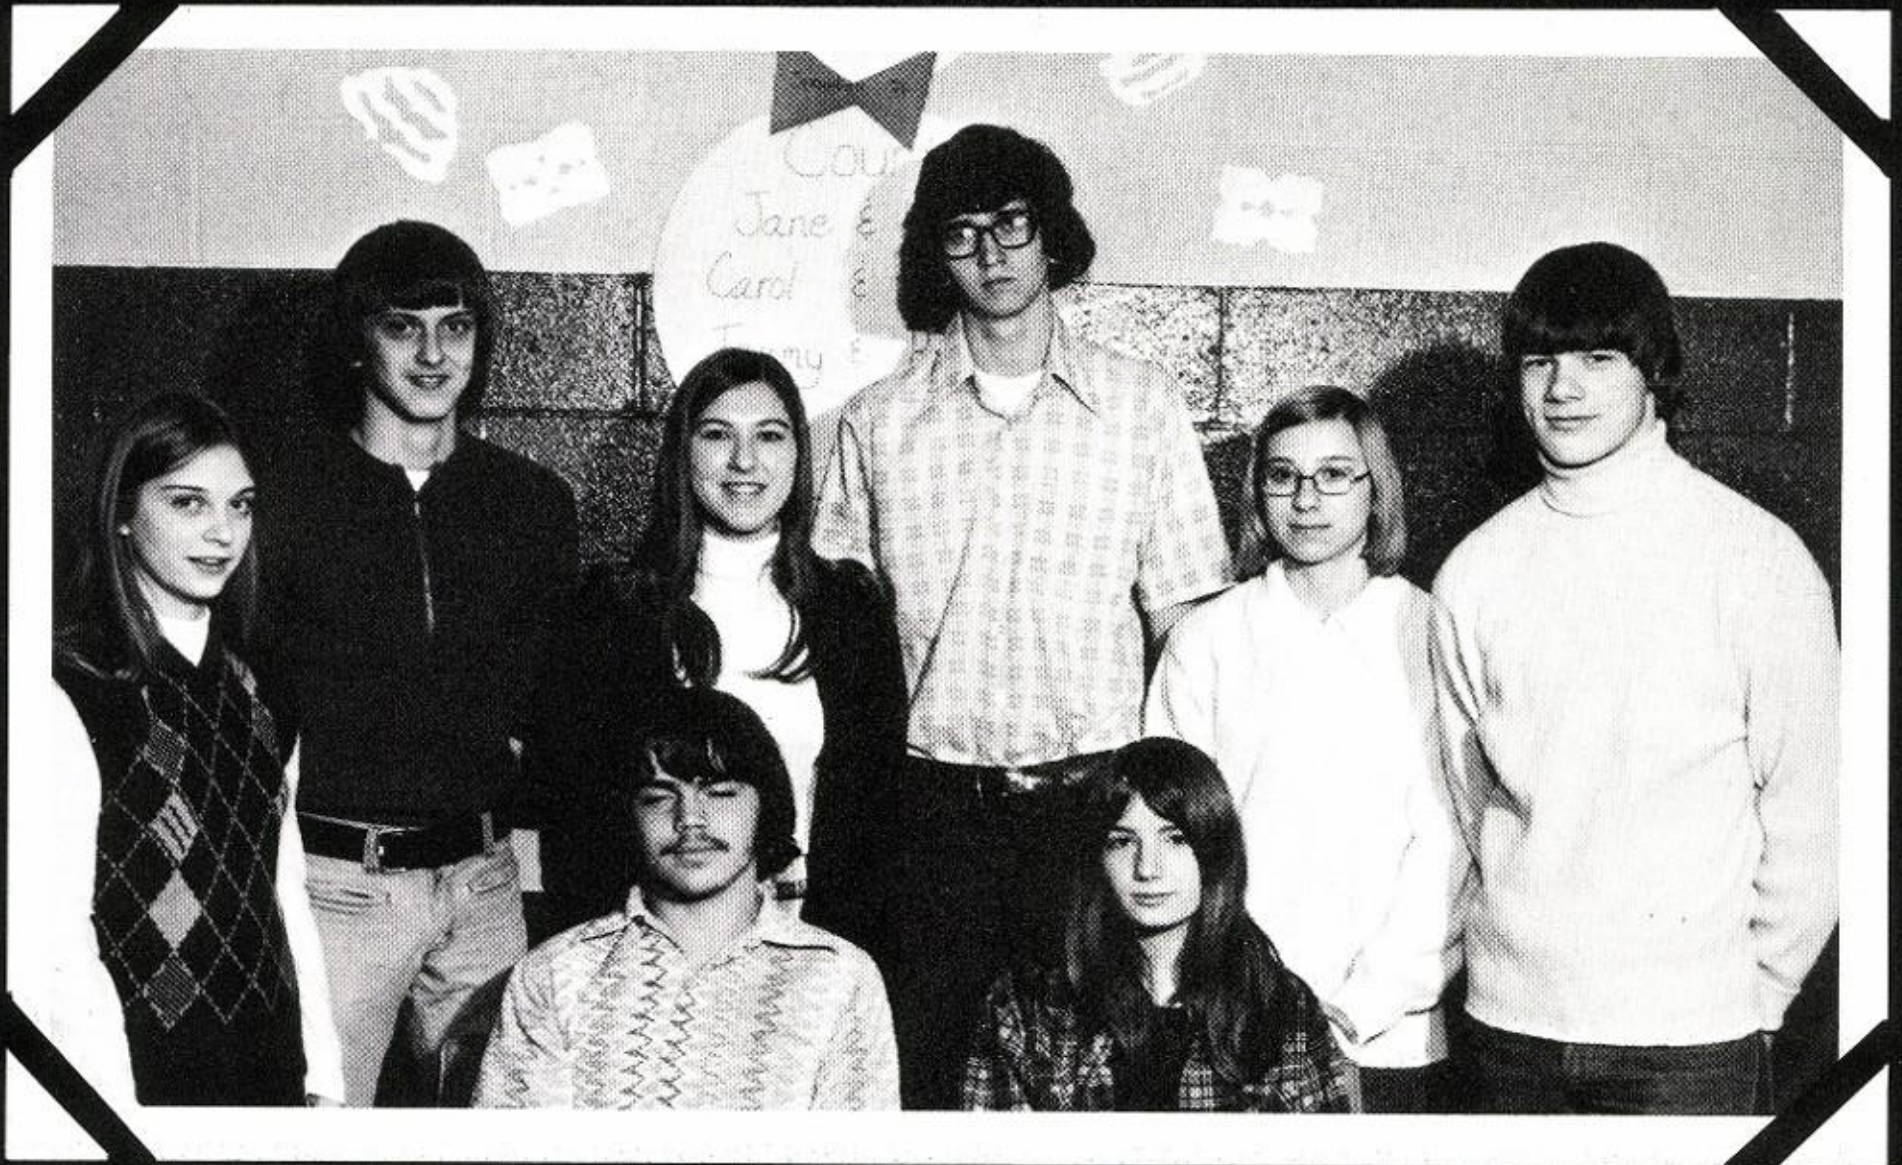

The "Carnaby Street" band played the theme music, "Winterwonderland", waltzes, and hardrock for "Snowball 74". The gymnasium donned reindeer, snowmen, Christmas trees with sparkling colored lights, a snow scene and a large warm fireplace.

The court of Jane Trim and Kevin Back, Carol Glowcheski and Tom Halderson, Rita Wojciechowski and Dan Johnson supported the reigning king and queen, Ray Jick and Tammy Fry.

The band played well to the sparsely attended ball. The loss of a couple of dollars and Mr. Rowland's staple gun did nothing to dampen the dancers enthusiasm and enjoyment.

JICK REIGN OVER SNOBALL

FAR LEFT: Loren Klein, Student Council president, crowns the Sno-ball Royalty.

UPPER LEFT: Queen Tammy Fry and King Ray Jick.

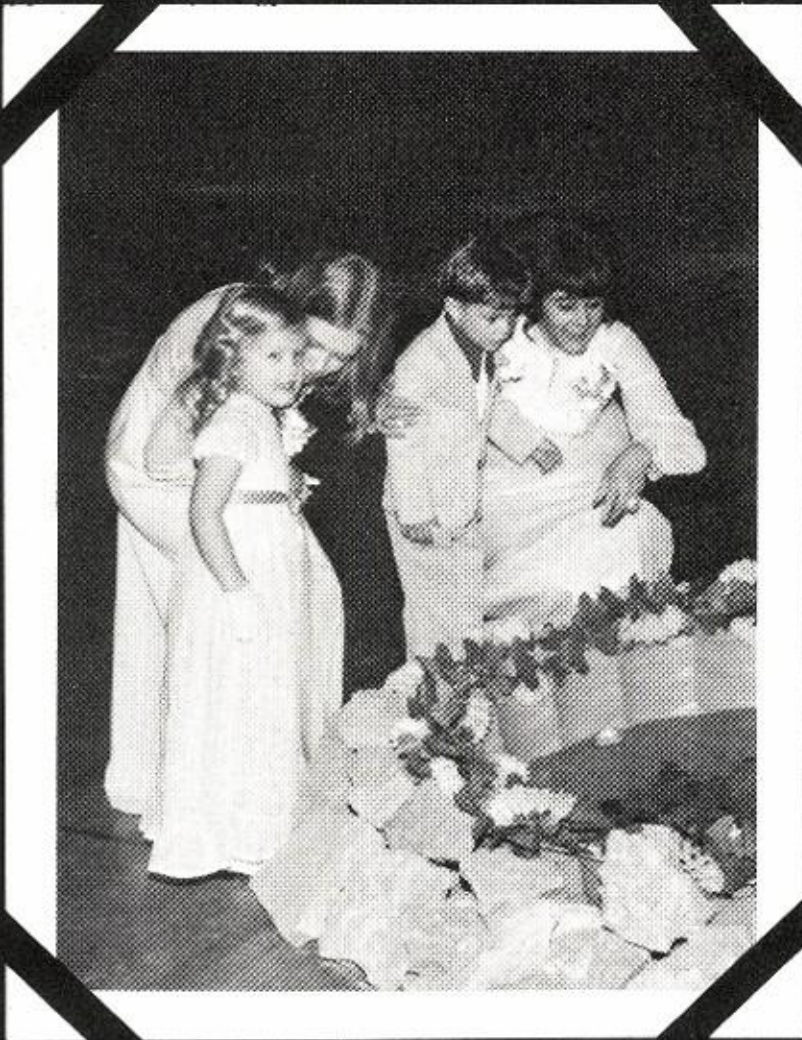

"PIECES OF APRIL" SETS

Queen Jane King Terry

Preparing months ahead of time to plan decorations, ticket sales, refreshments, and arrange for a band paid off for the Class of '74. By the Friday before Prom, nearly everything was ready. The only problem was to get things in place by Saturday.

Slowly, gradually, the gym was transformed into a park in the spring. An old-fashioned gazebo with climbing roses, picket fences, an arch by the door, a pond, and pastel carnations added to the magical romance hinted by the theme "Pieces of April".

Terry Smith ruled as King; his queen was Jane Erickson. The Court of Honor included John Olson and Julie Tranberg, Ron Aasland and Rose Dolle, Jeff Hauser and Rita Waldera, Terry Collins and Rhonda Winters, John Elstad, and Shawn Ofsdahl, and Dan Baer and Linda Lebakken.

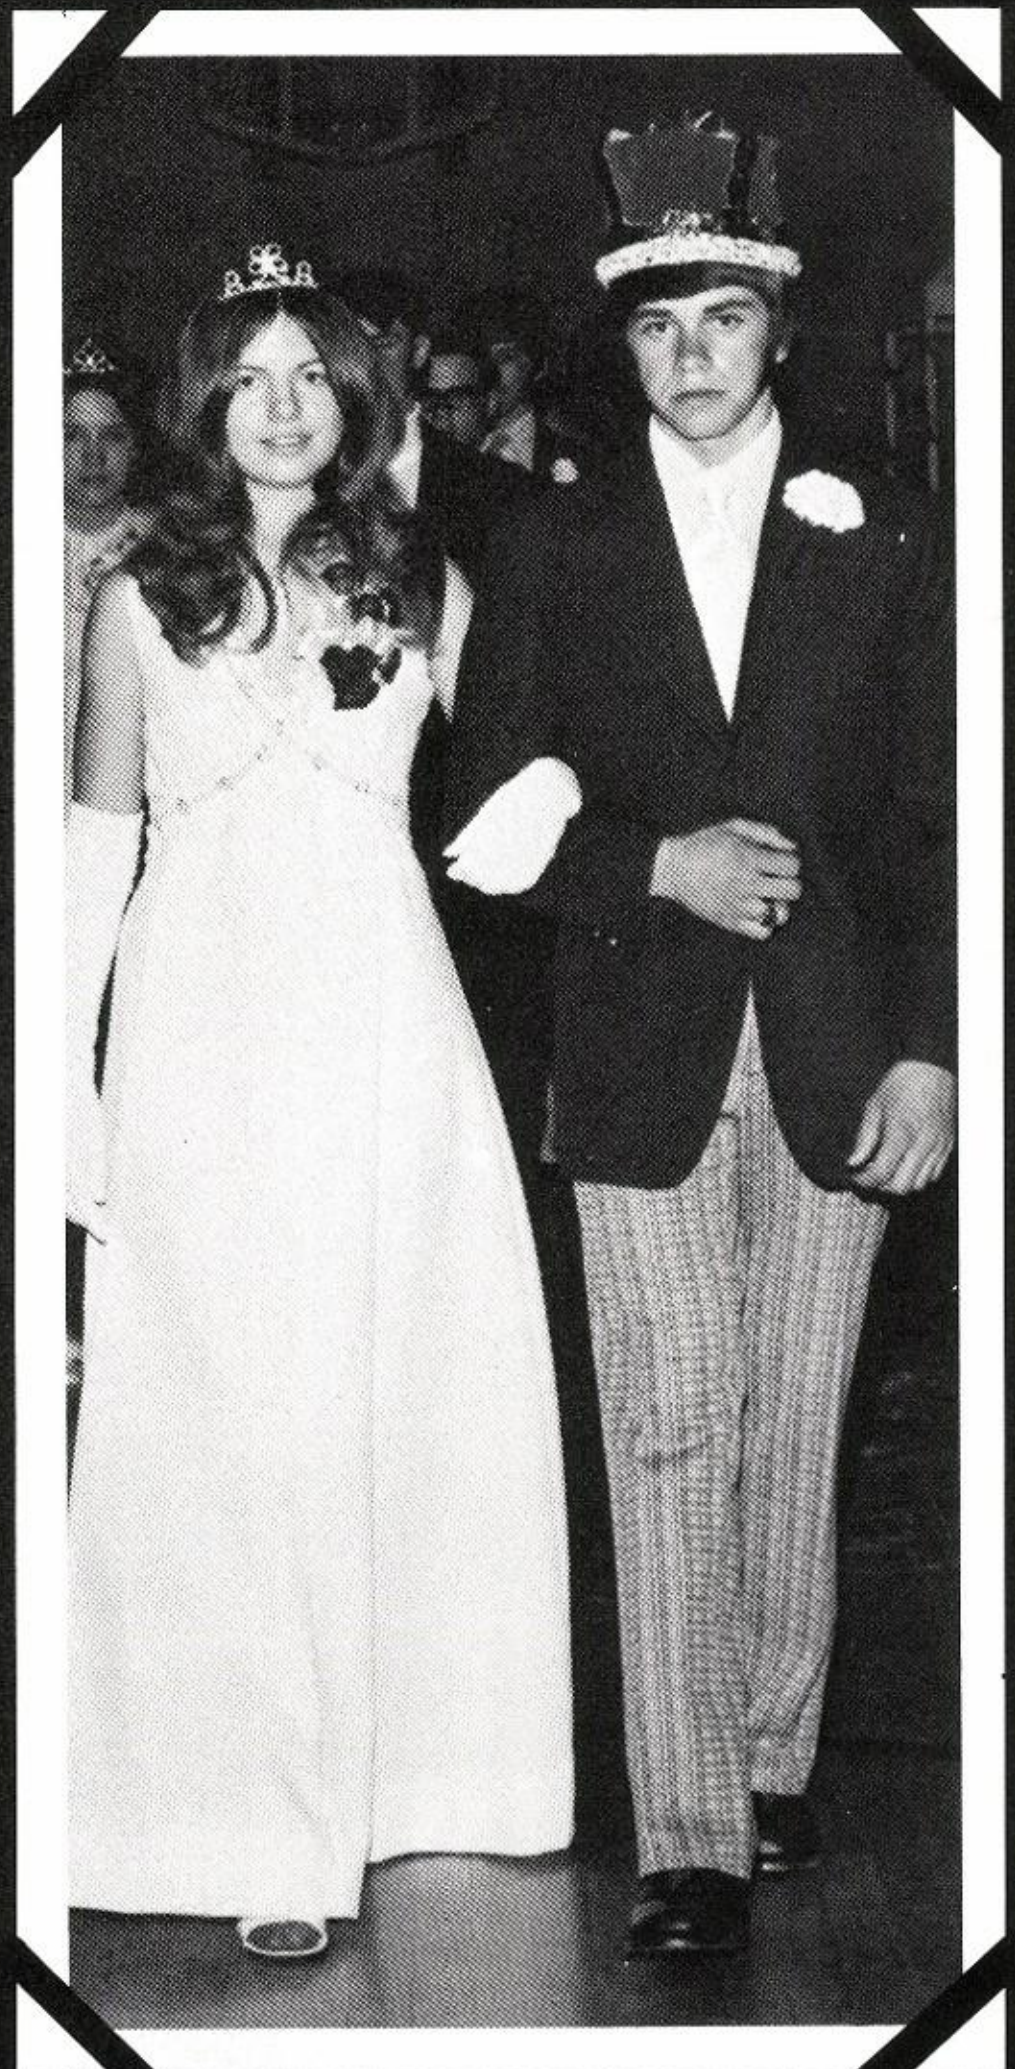

TOP RIGHT: Those on prom court were S. Ofsdahl, J. Elstad, L. Lebakken, D. Baer, R. Waldera, J. Hauser, J. Erickson, T. Smith, R. Dolle, R. Aasland, J. Tranberg, J. Olson, R. Winters, and T. Collins.

A ROMANTIC THEME

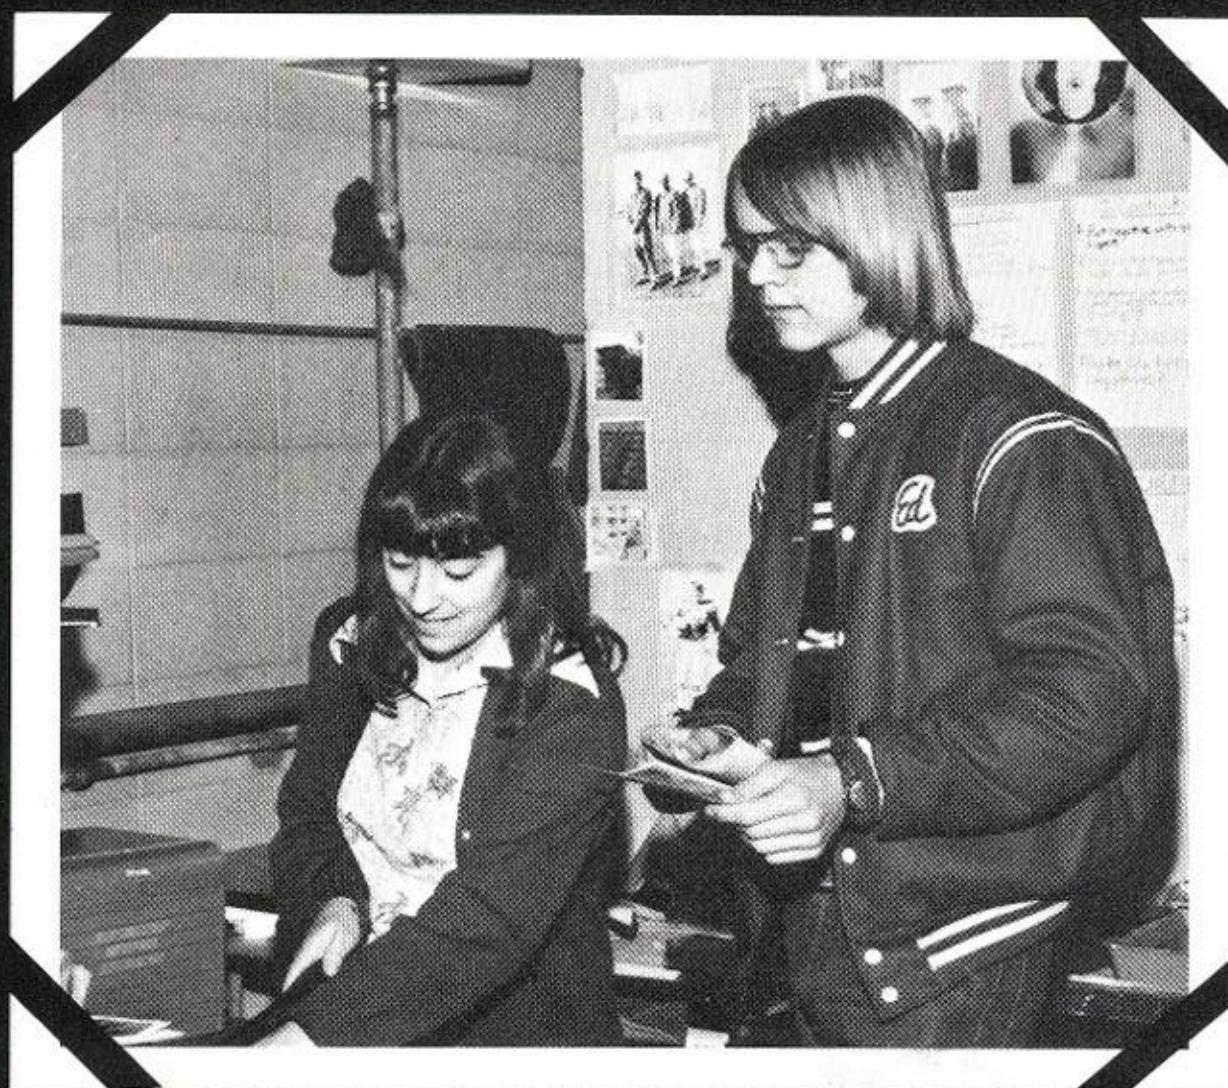

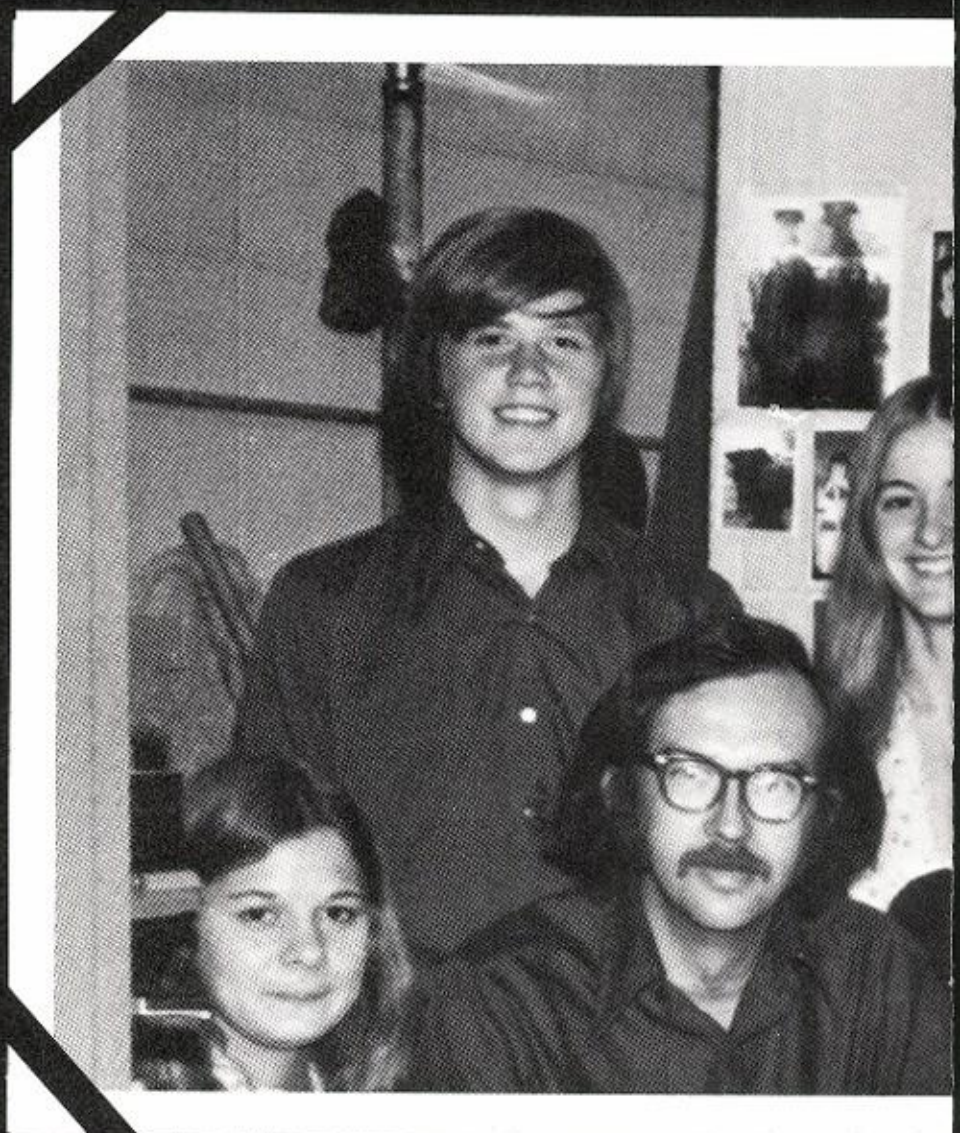

YOUNG CLUB LEARNS BY

During the '73-'74 school year the Photography Club shared responsibilities for pictures for the yearbook with ALF Studios of Winona. The members participated in two photography clinics during their weekly Tuesday meetings, and took portraits of couples at three dances this year including Homecoming and Prom. The club performed valiantly in spite of the ills of their equipment.

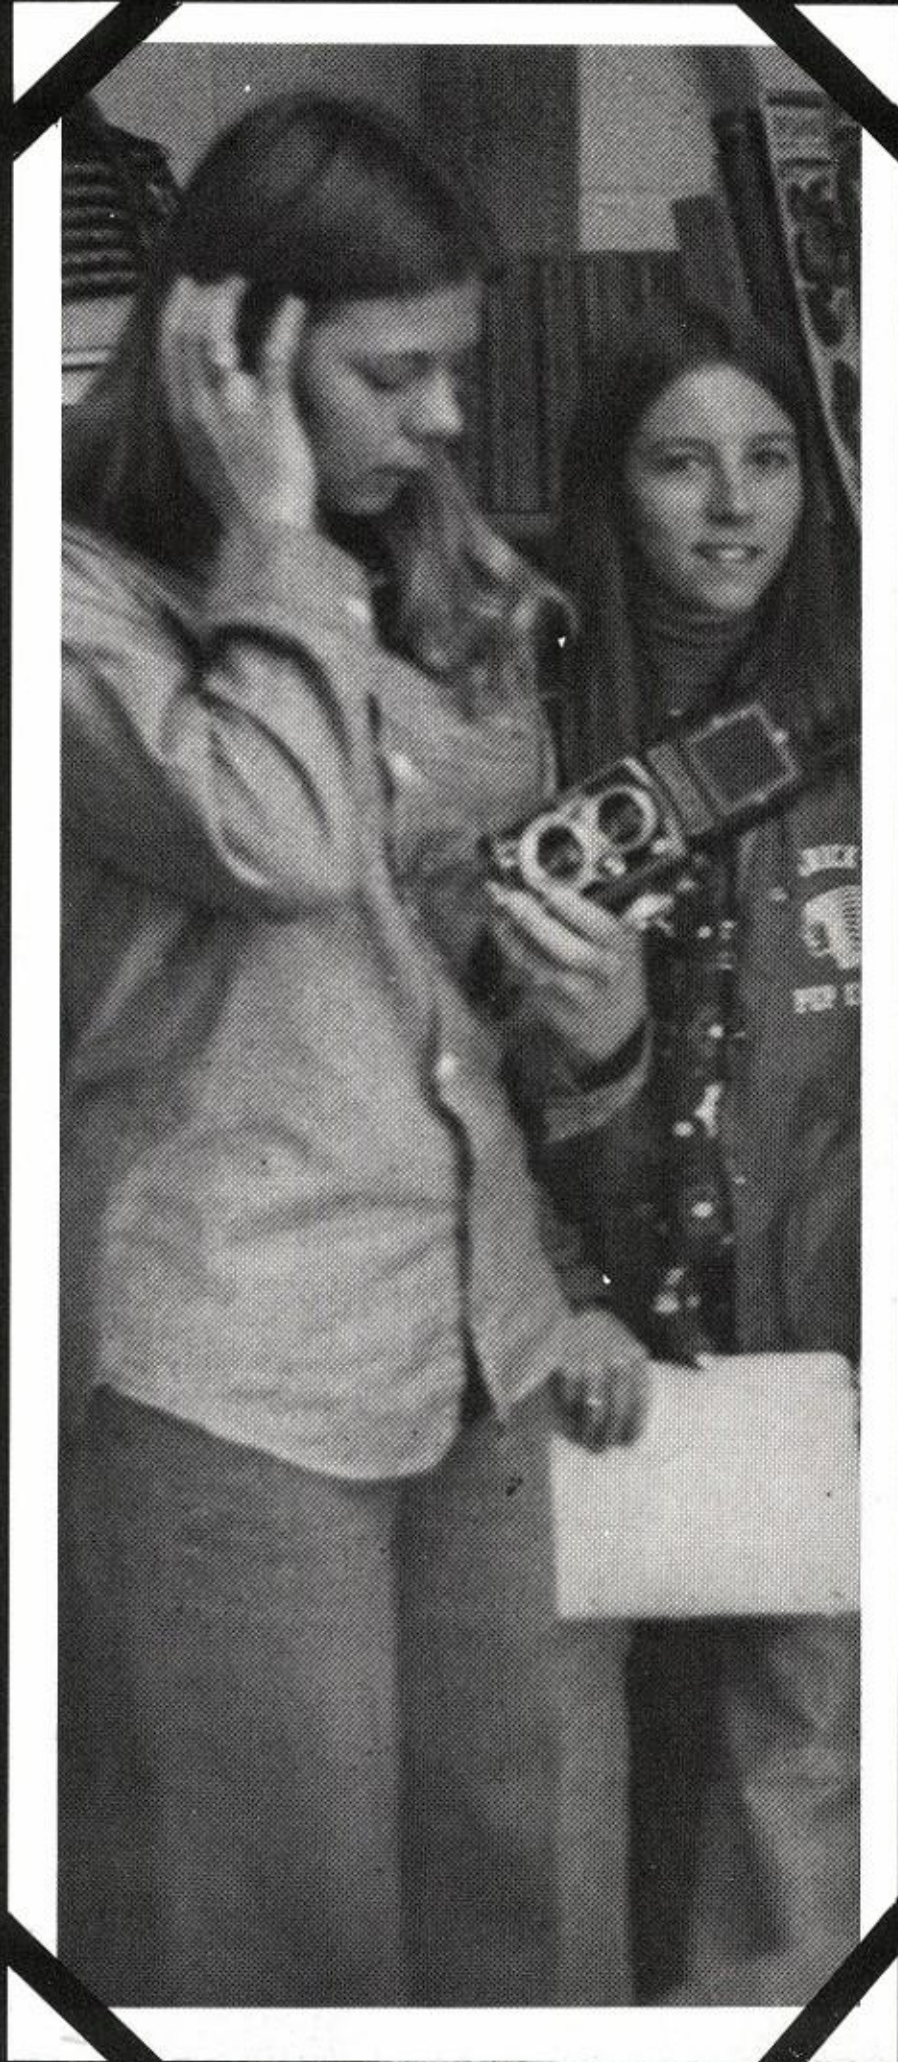

The weekly meetings enable President David Hanson to enlarge himself, Vice-President Mary Wilber to develop into a truly magnificent graduating senior, Secretary Mary McKeeth to load her camera, and Doris Wilber to fix things up for the following week. Ed Stull assisted wherever he was needed.

VALUABLE EXPERIENCE

Gaining valuable experience in public speaking and having fun while it's happening is the main prerogative for most of the students at G.E.T. who participate in the forensics contest.

Many options are available to the students. A clinic at LaCrosse State University acquainted those who went to the clinic with the nine areas of speaking that are offered in the contest. A prospective speaker chose his coach from the four English teachers, selected a reading or prepared a speech, and practiced, practiced, practiced! Using the video tape equipment during study halls and before and after school gave the students a good idea of how they looked and how their speaking could be improved.

Although there are not as many students participating as the coaches would like, we have done well at the contests, with several speakers attending the state contest each year. Last year six girls made it to state. They were: Delaine Hoff, Debbie Lund, Katy Twesme, Rose Dolle, Linda Nelson, and Lynn Parkhurst.

BELOW: Leda and Val discuss what division they'll choose.

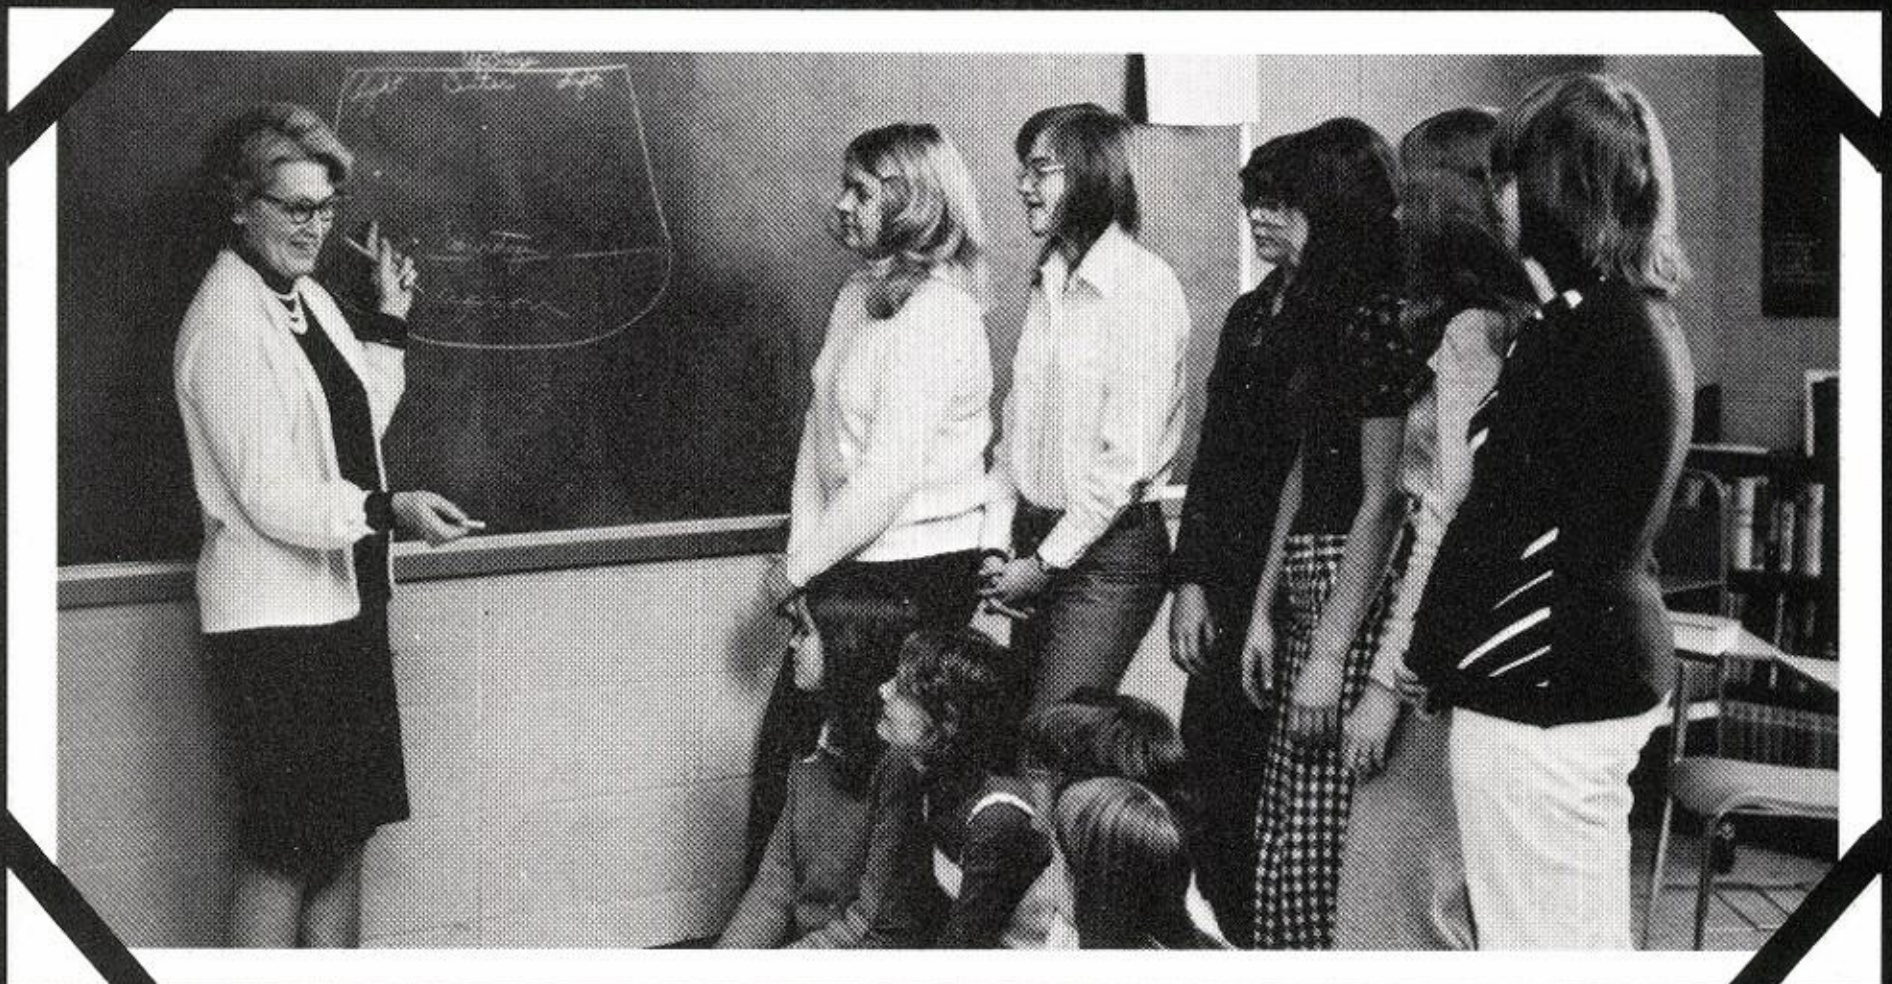

DRAMA CLUB PROMOTES

Although its membership is small, the enthusiasm of the Drama Club is not held back. The main objective of the organization is to promote dramatic activities and its appreciation among the student body and the public.

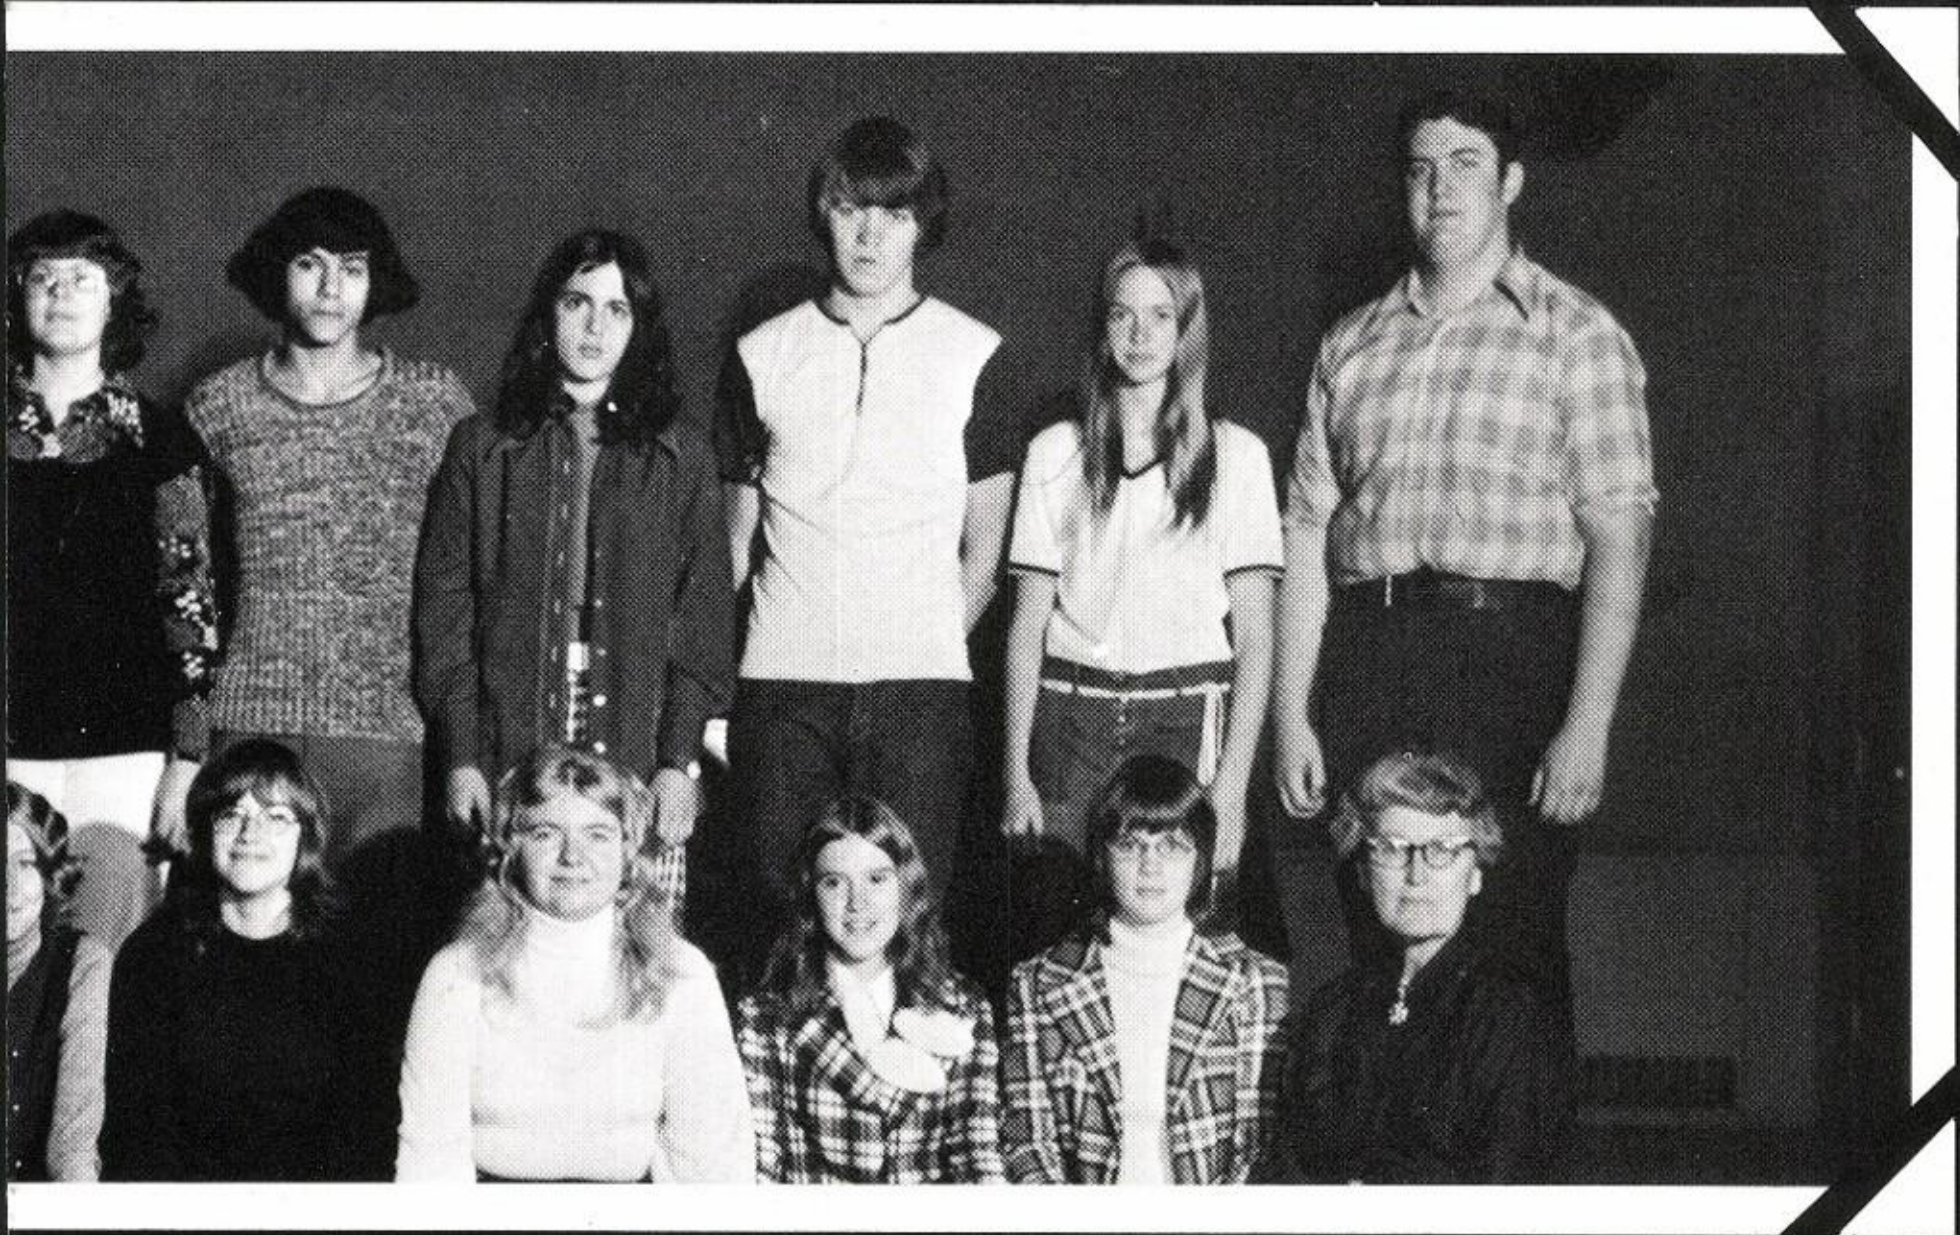

The club sponsored a one-act play, "Mugsies Merry Christmas" at the Christmas Talent Show. Performing in this humorous skit were: James Larson, Joan Olson, Laurie Grover, Paul Riemer, Joel Vasquez, and Jerry Mulac. A three-act play is in the planning stage for a spring presentation. Open casting was used for both of these plays.

The club is self-supporting in that it sold stationery, had a bake sale, and sold tickets to its play.

The 1973-74 officers were: President-Mary Junghans, Vice-President-Darlene Kleppen, Public Relations-Laurie Grover, Treasurer-Les Mickelson, and Secretary-Kathy Byom.

FUTURE FARMERS OF AMERICA

F.F.A.'s motto is: Learning to do
Doing to learn
Earning to live
Living to serve

F.F.A. and W.J.D.A. is an intracurricular part of vocational agriculture. The activities that these two organizations are involved in are many and varied. They provide students with opportunities to gain confidence and show their leadership abilities. The Wisconsin Junior Dairyman's Association participates in the district and state association meetings. Our members vie for honors in the speaking contest, in the demonstration contest, in dairy directors, and in exhibiting outstanding dairy animals in the classification contest.

The Future Farmers of America, the larger organization, has many more activities which students can participate in. Some of the following are those we have participated in, and have won over the past few years: Leadership workshop, homecoming float, Parliamentary Procedure team, Wisconsin Farmer Degree, American Farmer Degree, Holstein Award, Guernsey Award, Swine Junior Director, Creed Contest, Speaking Contest, Building Our American Communities, Proficiency Awards, National F.F.A. Week, National F.F.A. Chapter Award Program, Judging Contests at the University of Wisconsin River Falls and the University of Wisconsin, Madison, Parents and Sons Awards Night, State F.F.A. convention, County and State Fair and Northwest Livestock Exposition. We also participate locally in many other lesser activities including planting free trees, raising pheasants, and participating in fishing and other sports.

These activities involved year round participation. The summer program is a vitally important aspect of the whole program. Most of the basic organization and background for students gets set up at this time. The students abilities and projects are analyzed and approved for application of next year's awards. Planning of activities for younger students is done to help them for later awards. The summer program provides for the necessary continuity for a complete vocational-agricultural program.

"Best Apathy, Get Involved" was the state and national theme for Future Homemakers of America during the 1973-74 school year. The Gale-Ettrick-Trempealeau Chapter was hostess for the fall rally. The new state and national program "Action Impact" was presented to one hundred twenty-five F.H.A. members attending from five nearby schools.

Our chapter with Becky Williamson, program chairman, decided our main interest and concern would center around children. Soliciting for UNICEF which aids children around the world, supporting a Mexican girl, our own Margaita Rominez Delgado, through a foster children's plan, and sending Christmas gifts to the Children's Center at Spooner were expressions of this concern. Plans were also made to sponsor a Children's Circus for local youngsters during late winter.

Popcorn is synonymous with F.H.A. at G-E-T. We raised money for our year's activities by selling it at football games in the fall, made popcorn balls for the Knights of Columbus children's party at Christmas time, and made it and ate it ourselves at the pop of a kernel all during the year.

Renee Paulus received the award for most hours of volunteer service during the football season.

Becky Williamson, Mary Wilber, Beverly Sacher, and Roxanne Beirne were the new officers who represented our chapter at the state convention at Green Lake in June. Doris Wilber and Sandy Smith were also officers.

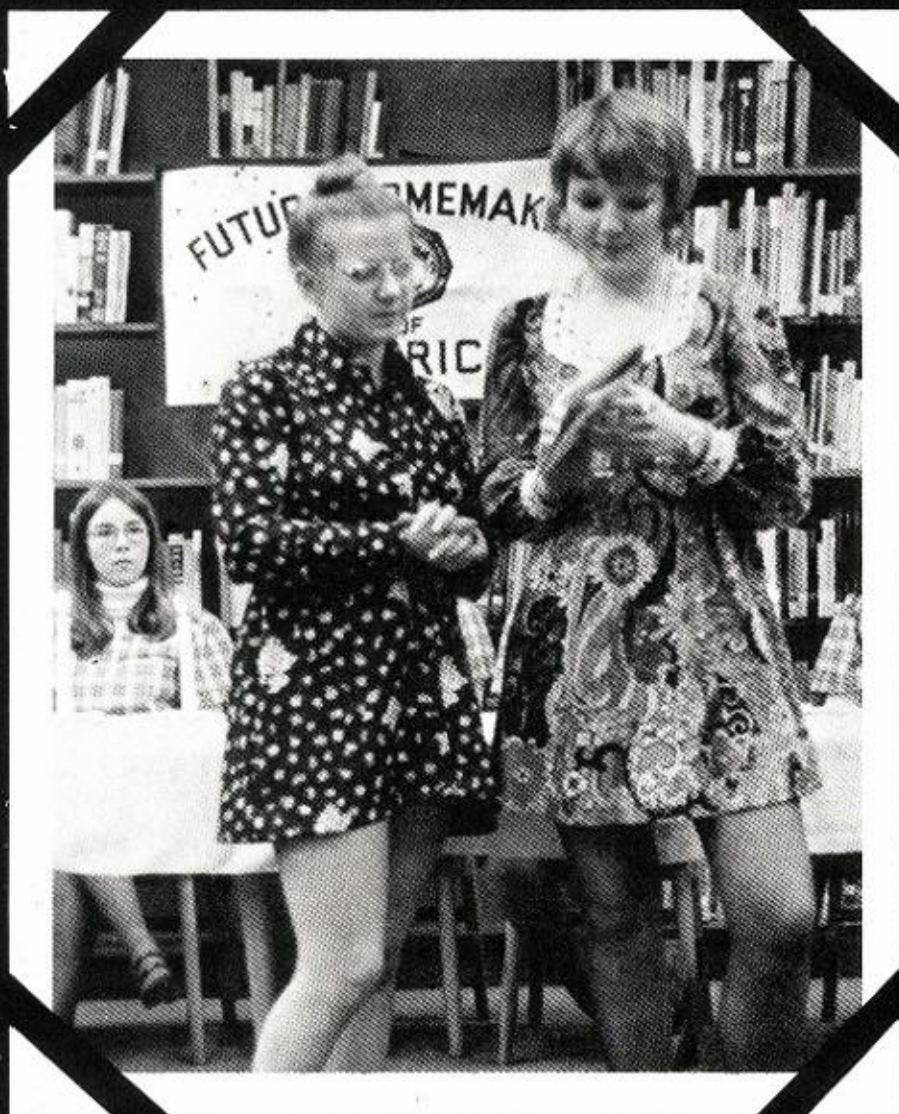

Students were made aware of F.H.A. meeting days when they saw the officers in the plaid jumpers in the F.H.A. colors, red and white, which they wore at all official F.H.A. activities during the year.

F.H.A. CHAPTER HOSTESS

WANTED: MORE BOYS IN

The Pep Club is in its third year of existence. Its purpose is to promote school spirit in all school activities. Members of the club lead the way in promoting pride in our school and in our accomplishments. They sat in groups at athletic contests to lend vocal support to teams and the cheerleaders. They made signs and other promotional displays to generate support for the various activities that our students participate in. They helped the cheerleaders in their preparation for pep meetings and put on skits at pep meetings. The paper, brushes, paint, and all the supplies are purchased with money earned by members in fund raising projects. Next year the club is looking for a bigger and better year and will be recruiting more boys for membership in the club.

POM PON SQUAD RECEIVES

Once again, the Gale-Ettrick-Trempealeau Pom Pon squad entertained spectators at many home football games, basketball games, and wrestling matches. The squad had two new inspirations as they started the 73-74 season; Marla Henke and Melissa Hayes were the new advisors.

The girls attended the annual Pom Pon Clinic sponsored by the U. W. LaCrosse Pom Pon squad again this year. Competition was held between the many squads that attended the clinic. A trophy was awarded to one squad, while G. E. T. shared Honorable Mention with another squad. New moves and routine ideas were presented to the squads, along with ideas for uniforms, practices, and try-outs.

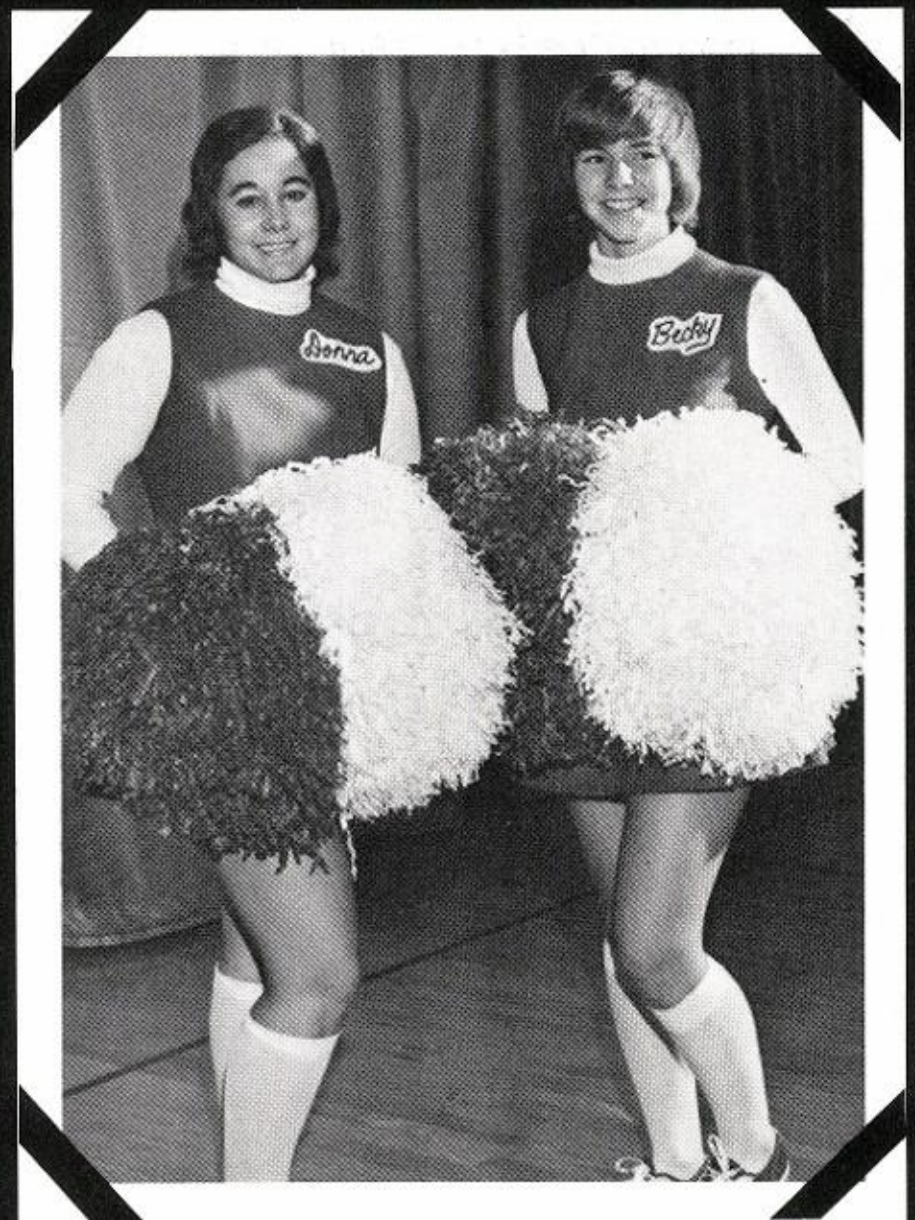

Trying a new approach for making money, the squad sold G. E. T. Redmen pennants to the G. E. T. fans.

Donna Bowman was the squad's captain this year. Becky Williamson was elected co-captain.

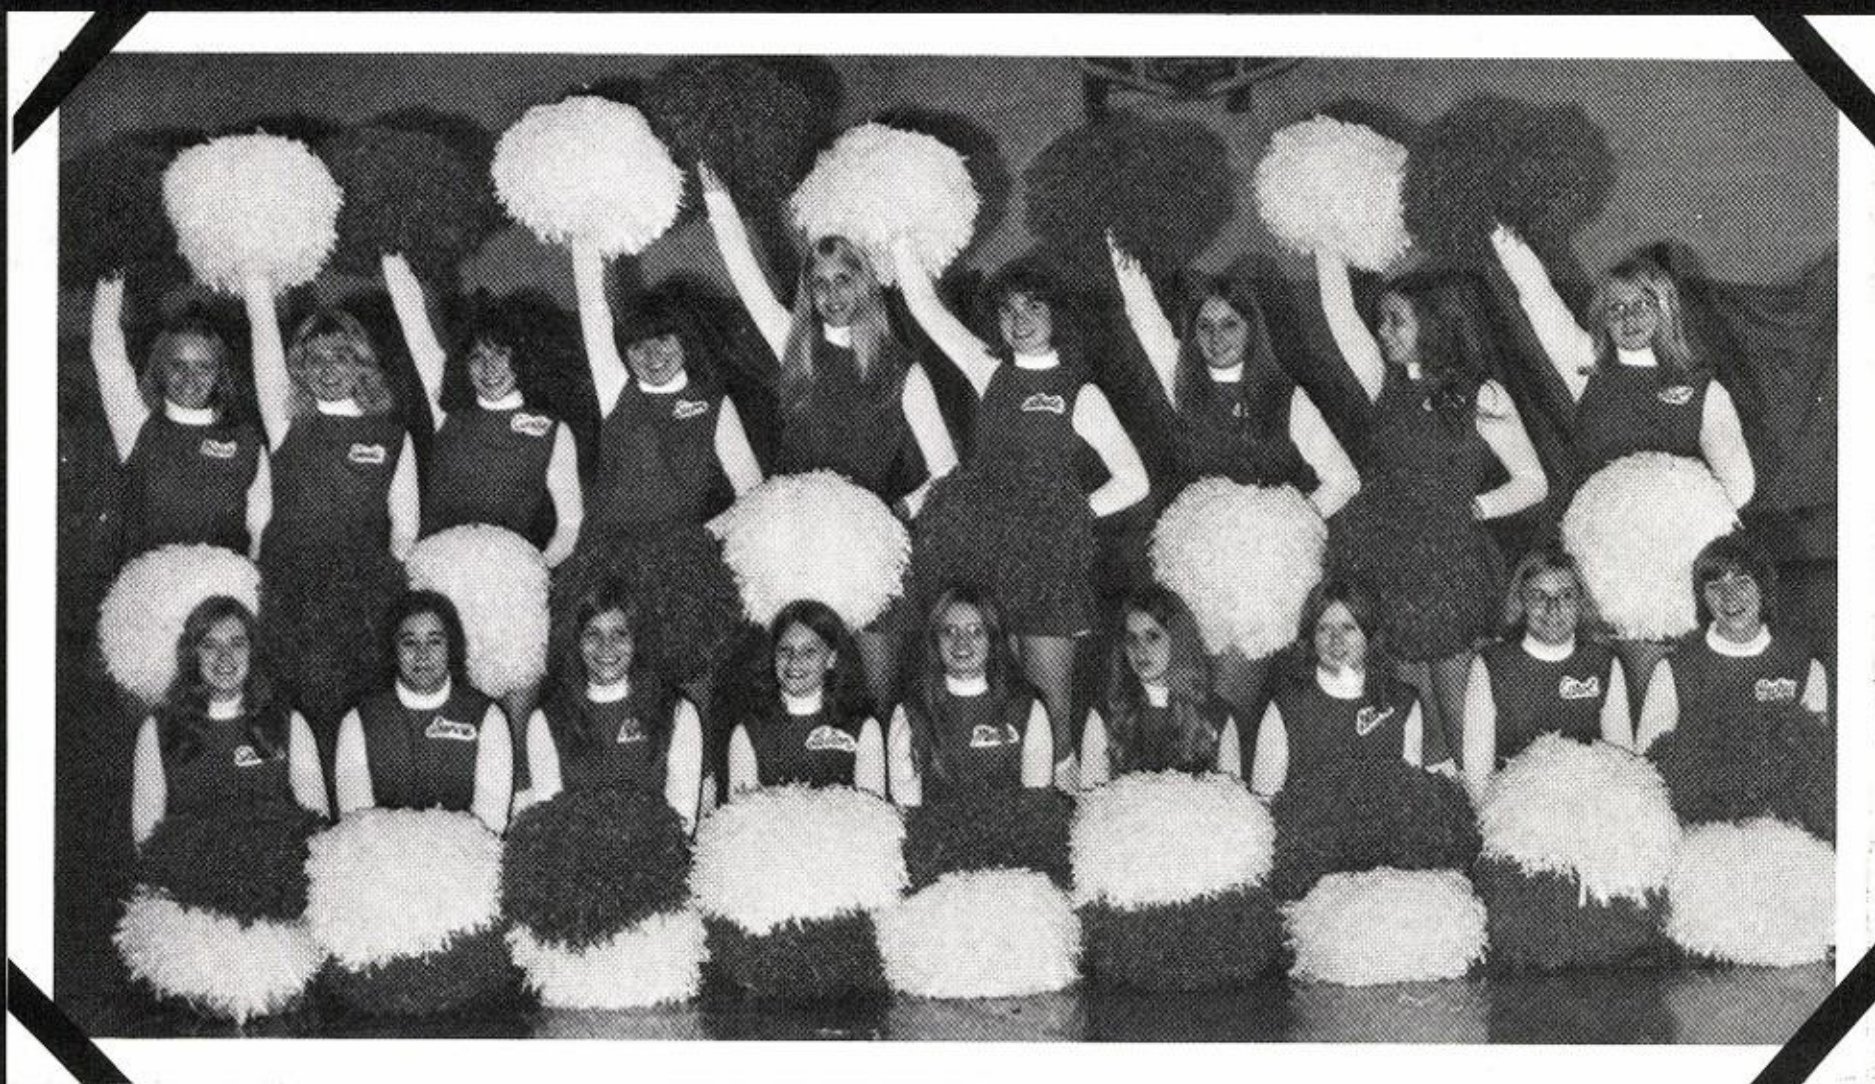

ABOVE: Pom Pon girls display talents with sincere effort.

TOP RIGHT: Pom Pon girls get their "kicks" out of performing.

CONCERTS KEEP CHORUS AND

Presenting three concerts, a Christmas concert, a Pops concert, and a Spring concert, kept the Gale-Ettrick-Trempealeau Mixed Chorus and Girls Glee Club on their toes. At the Christmas concert the chorus presented two Mikolos Rozsa compositions, "Adoration of the Magi," and "Star of Bethlehem." Several of the songs sung at the winter pops concert included; "And the Sky Never Saw the Morning," "Sounds of Silence," "Going Out of My Head," and "Down Town."

All the members went on their annual caroling rounds throughout the area, and culminated their evening with food and refreshments.

The Mixed Chorus and Girls Glee Club participated in the solo-ensemble contest, with many groups and soloists also taking part.

BAND INTRODUCES

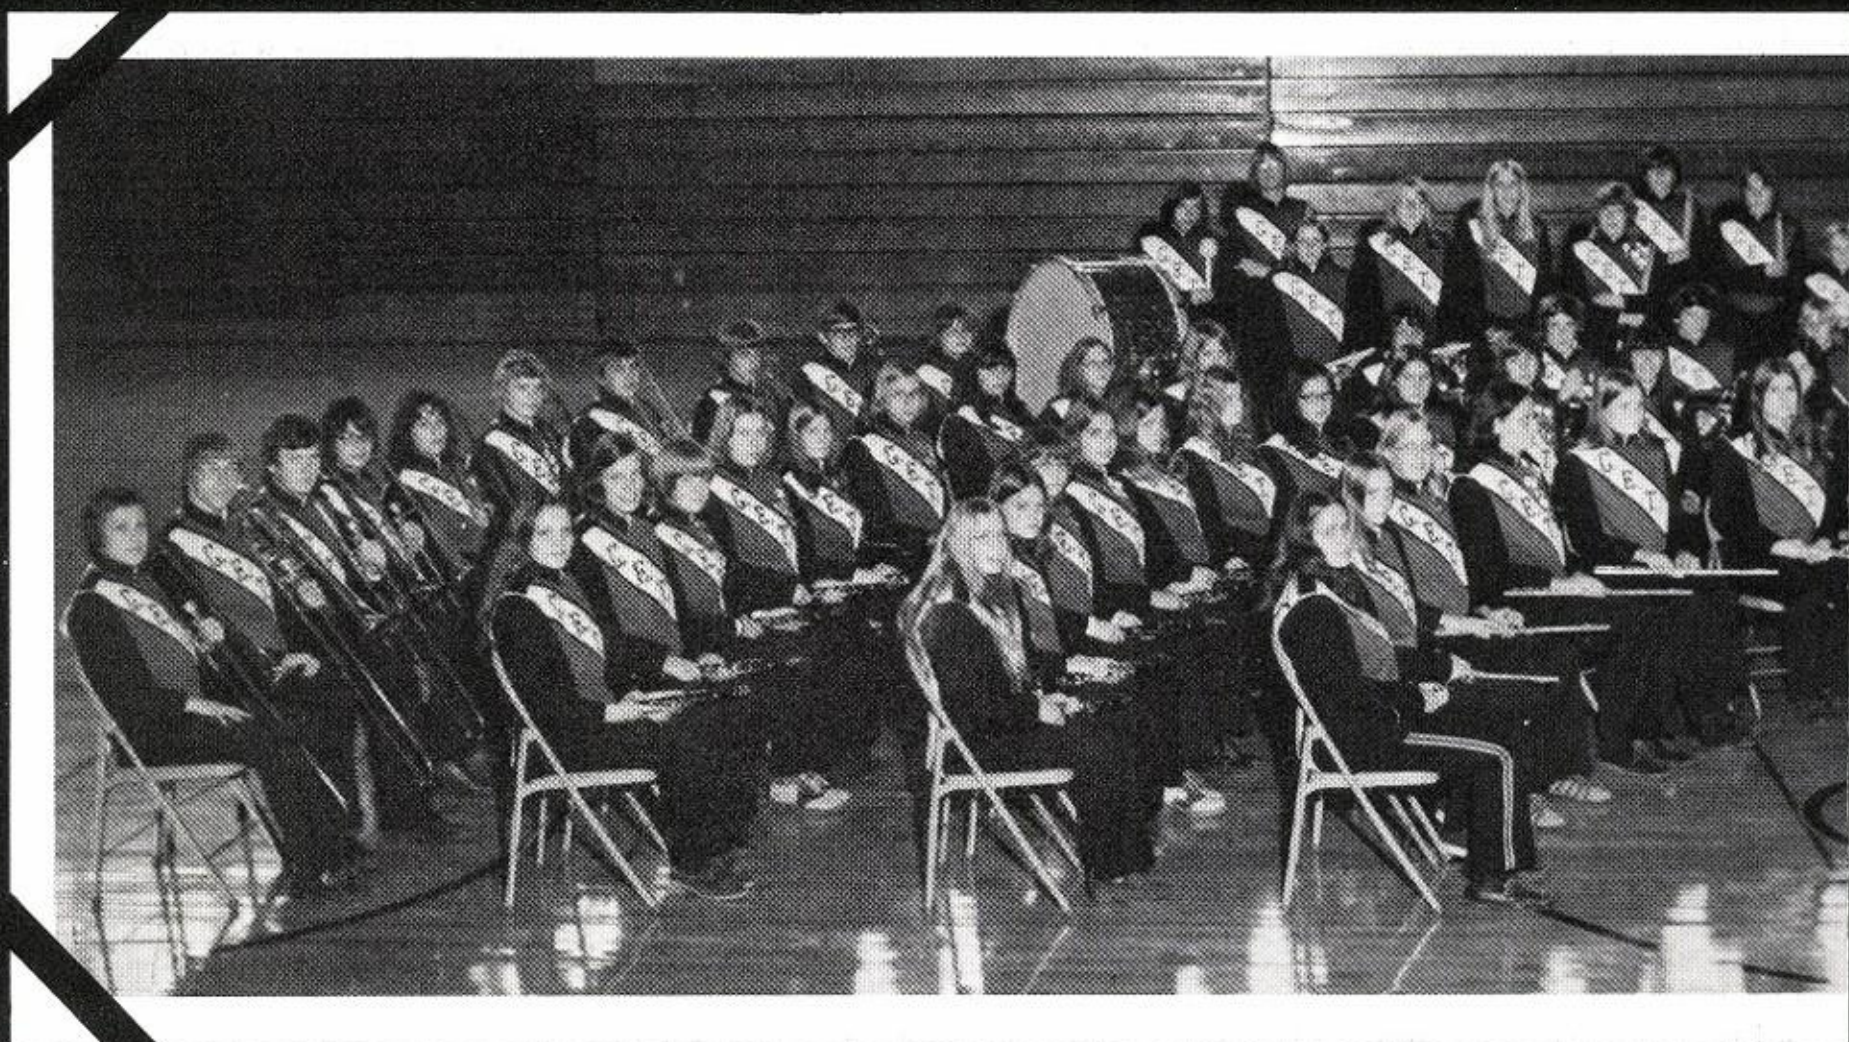

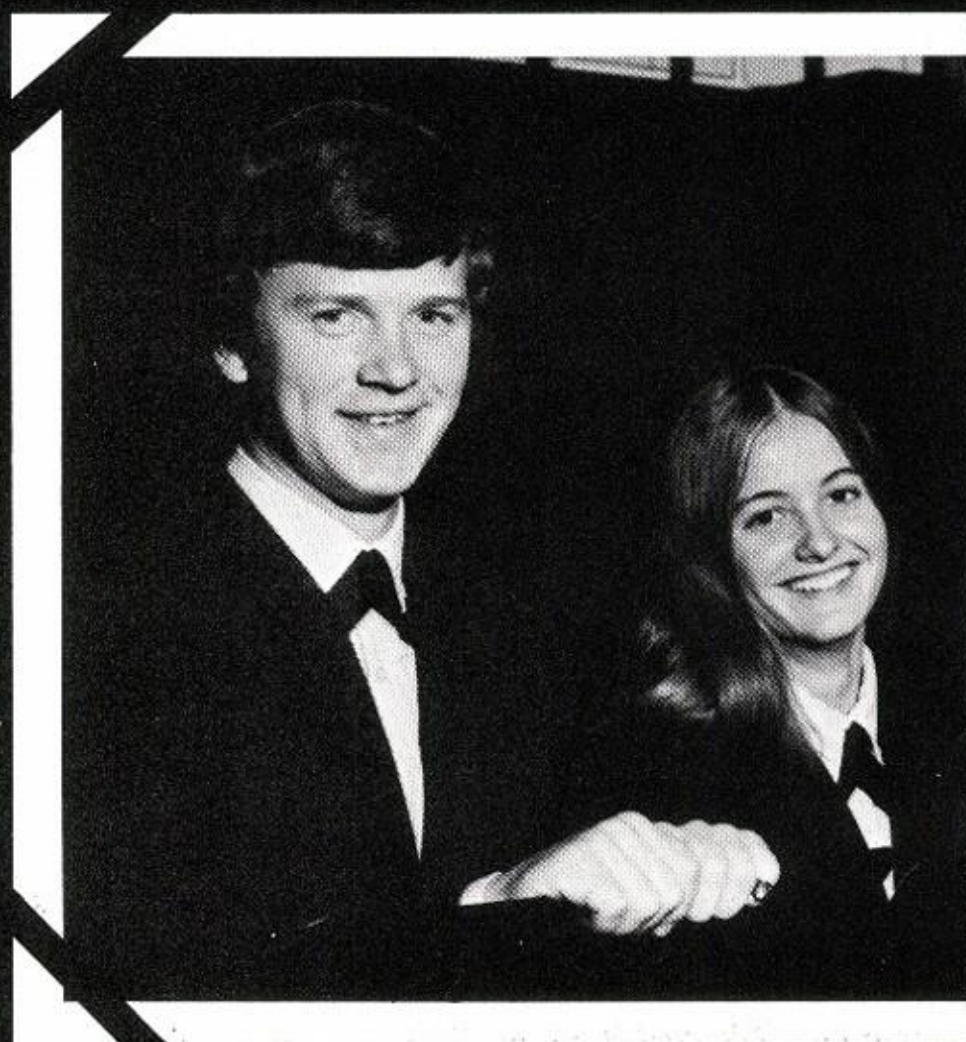

The 1973-74 G. E. T. Band under the direction of Mr. Don Rowlands is a class "A" band that intends to keep up its rating. The band contest for this year is going to be held at Taylor High School with contests in Solo, Ensembles, Piano and Concert.

During the year the band participates in three concerts. For the Christmas concert this year the band played "We Wish You a Merry Christmas", "Variations of Echo Carol", "Variations on Joy to the World", and "Greenbriars of Wexley and Yuletide Festival". For the Pop's concert the program will include: "Overture to a New Era", "Where It's At", "MacArthur Park", and "La Roguina". The Spring concert will consist of music played for the contest. The Pep band was also a success and some of the favorites played were: "Brass Rails", "Black Magic Woman", "Something for Cat", "The Lion Sleeps Tonight", "Shaft", and "Shambala".

Officers elected this year are President-Eileen Lettner, Vice President-Barry Enghagen, Secretary-Deb Fischer, and Treasurer-Mike Paulson.

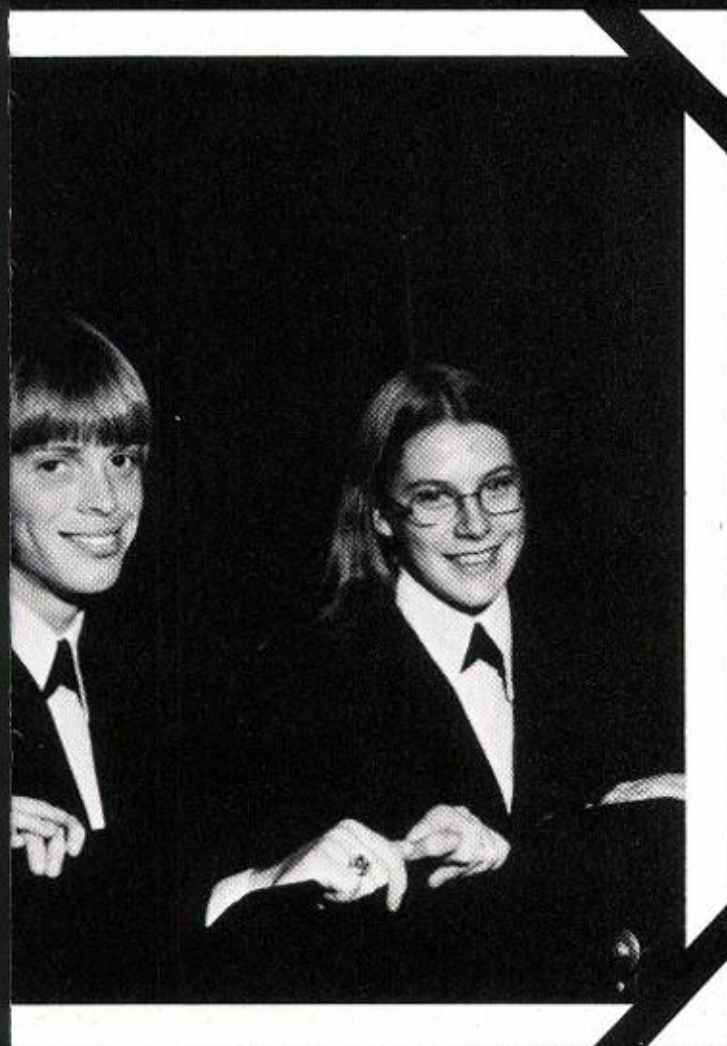

CENTER: Treasurer - M. Paulson, Secretary - D. Fischer, Vice-President - B. Enghagen, President - E. Lettner.

FAR RIGHT: The band marches to the town square for the homecoming pep rally.

NATIONAL HONOR SOCIETY

ABOVE: Shawn and Linda hand out programs for a concert.

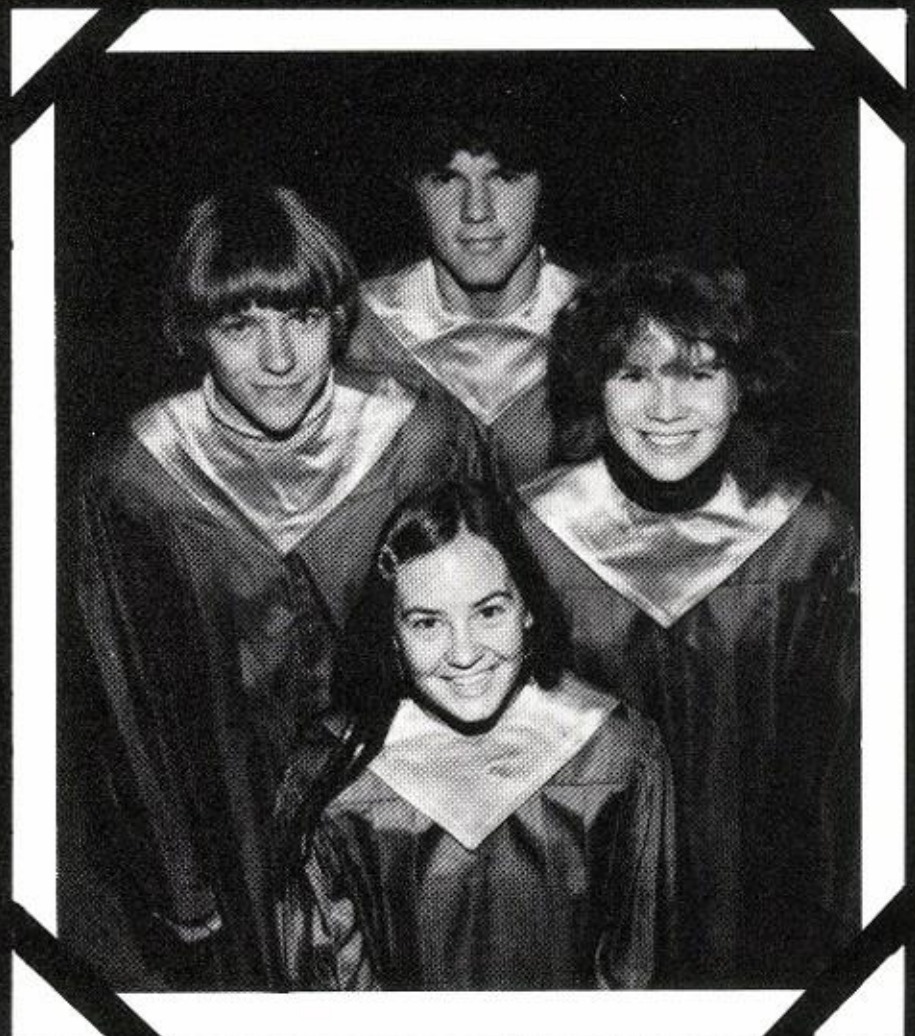

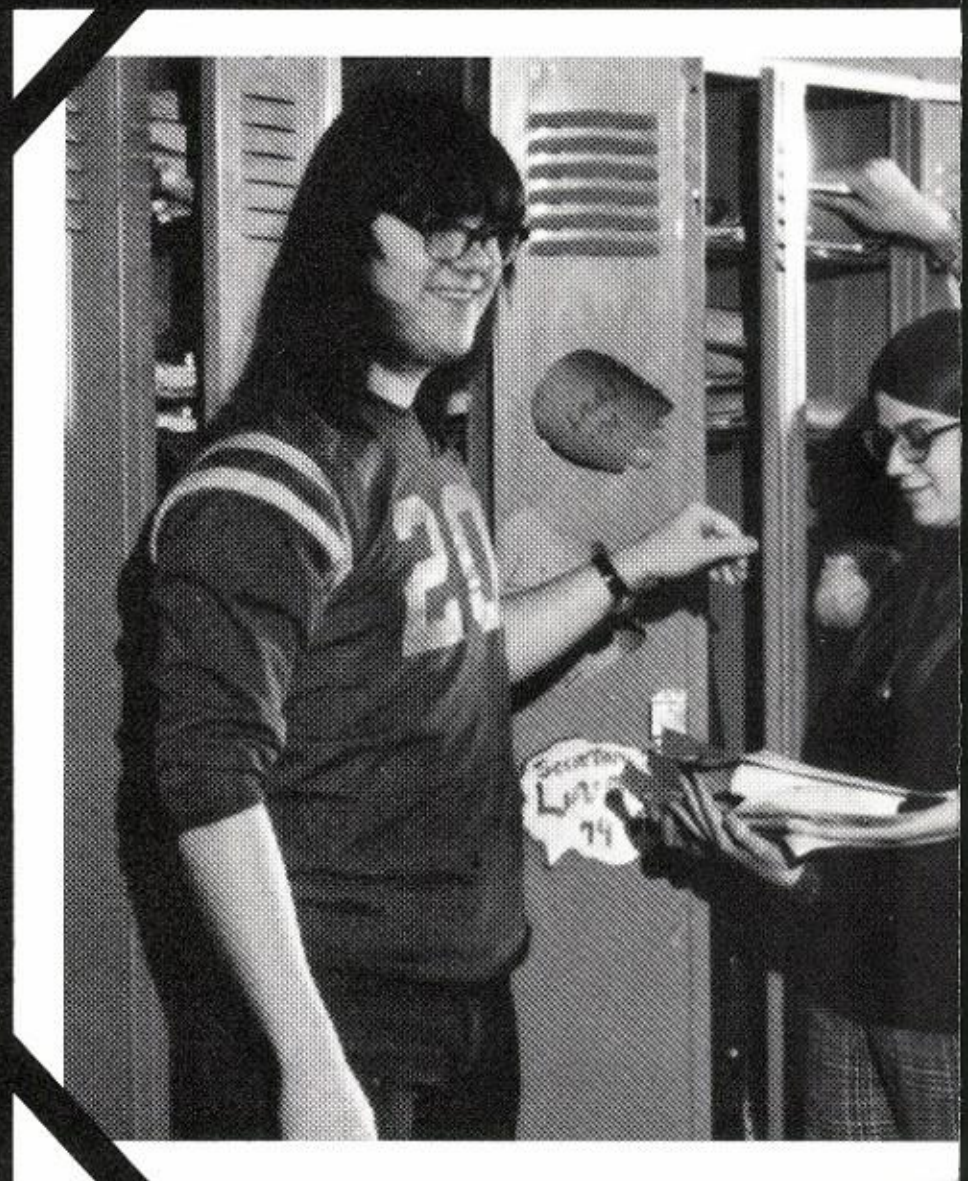

RIGHT: N. H. S. OFFICERS ARE: B. Tranberg, President; J. Hauser, V. President; L. Nelson, Secretary; N. Leavitt, Treasurer.

Chosen by the faculty on the basis of outstanding leadership, scholarship, character, and service, the members of the National Honor Society are inducted into the organization in the fall of the school year. A percentage of the senior and junior class is selected for membership each year, and a percentage of the sophomore class is selected as provisional members until they become juniors.

The second annual slave sale was held again this year. Due to the lack of time during the Christmas program, only the senior members could be sold. They did find time, however, to sell Mrs. Nelson, and it paid off well.

Serving G. E. T. to their fullest, the members of the N. H. S. served as guides at parent-teacher conferences, ushered at several school functions, and helped out at forensics contest.

The officers of the National Honor Society for the '73-'74 school year were: president, Bob Tranberg; vice president, Jeff Hauser; secretary, Linda Nelson, Treasurer, Nan Leavitt.

CLUB PROMOTES UNDERSTANDING AND

The purpose of the Library Club is to promote interest in the library and to increase student understanding and participation in library work. The organization also strives to stimulate interest in librarianship as a profession.

Affiliated with Student Library Assistants of Wisconsin, the club sent delegations to the state conventions in April of '73 at Whitewater and in April of '74 in Eau Claire. This year the local club was honored to have one of its members elected to a state office in this organization. Jane Erickson was elected editor of the publication, SLAW Newsletter. Serving in this capacity, she and her advisor, Mrs. Twesme, attended meetings of the executive board in Madison, Eau Claire, and Wisconsin Rapids. Miss Sandy McCardle, a student-librarian from Monroe High School and also an officer of SLAW, visited G.E.T High School in December as an exchange student interested in observing library procedures here. For the tenth consecutive year, members have operated the paperback bookstore for the convenience of their fellow students. Twelve new members were accepted in early January. In May, sixteen graduating seniors said goodbye at their annual spring dinner.

ALL ACTIVITIES GO WELL

The G.E.T. Student Council accomplished all planned activities with effort and hard work. The activities were the homecoming parade, homecoming sock hop, and the Winter Snoball.

The Student Council President this year is Loren Klein with Vice-President Dave Hanson under the direction of the advisor, Mr. Dave Lund. The council hopes to help the school in any way it can by bringing in conveniences such as the pop machine and striving for better facilities to make life easier for the students at G.E.T. High School. The council hopes to put up a bicycle rack for the students this spring.

YEARBOOK STAFF COMES UP

Norma and Nan have worked so hard this year (or so they say), and as a result, Mrs. Hanson has had it with the yearbook staff. Sandy and Debbie always skipped out, and Ed could just as well have been gone. The only reason Barry came to yearbook staff meetings was so he could warm up Mrs. Hanson's car. Linda went off her rocker because Mr. Green kept rewriting her copy. Darlene got sent in with the underclassmen pages, and Sarah is still trying to get us to taste her doughnut holes.

All in all . . . we have another yearbook.

MEMBERS ATTEND

Now a well-organized club, the Industrial Arts Club is open to any student currently taking an industrial arts class. By building projects during open shop after school and in the evenings, the club gave its members a chance to further their knowledge of industrial arts.

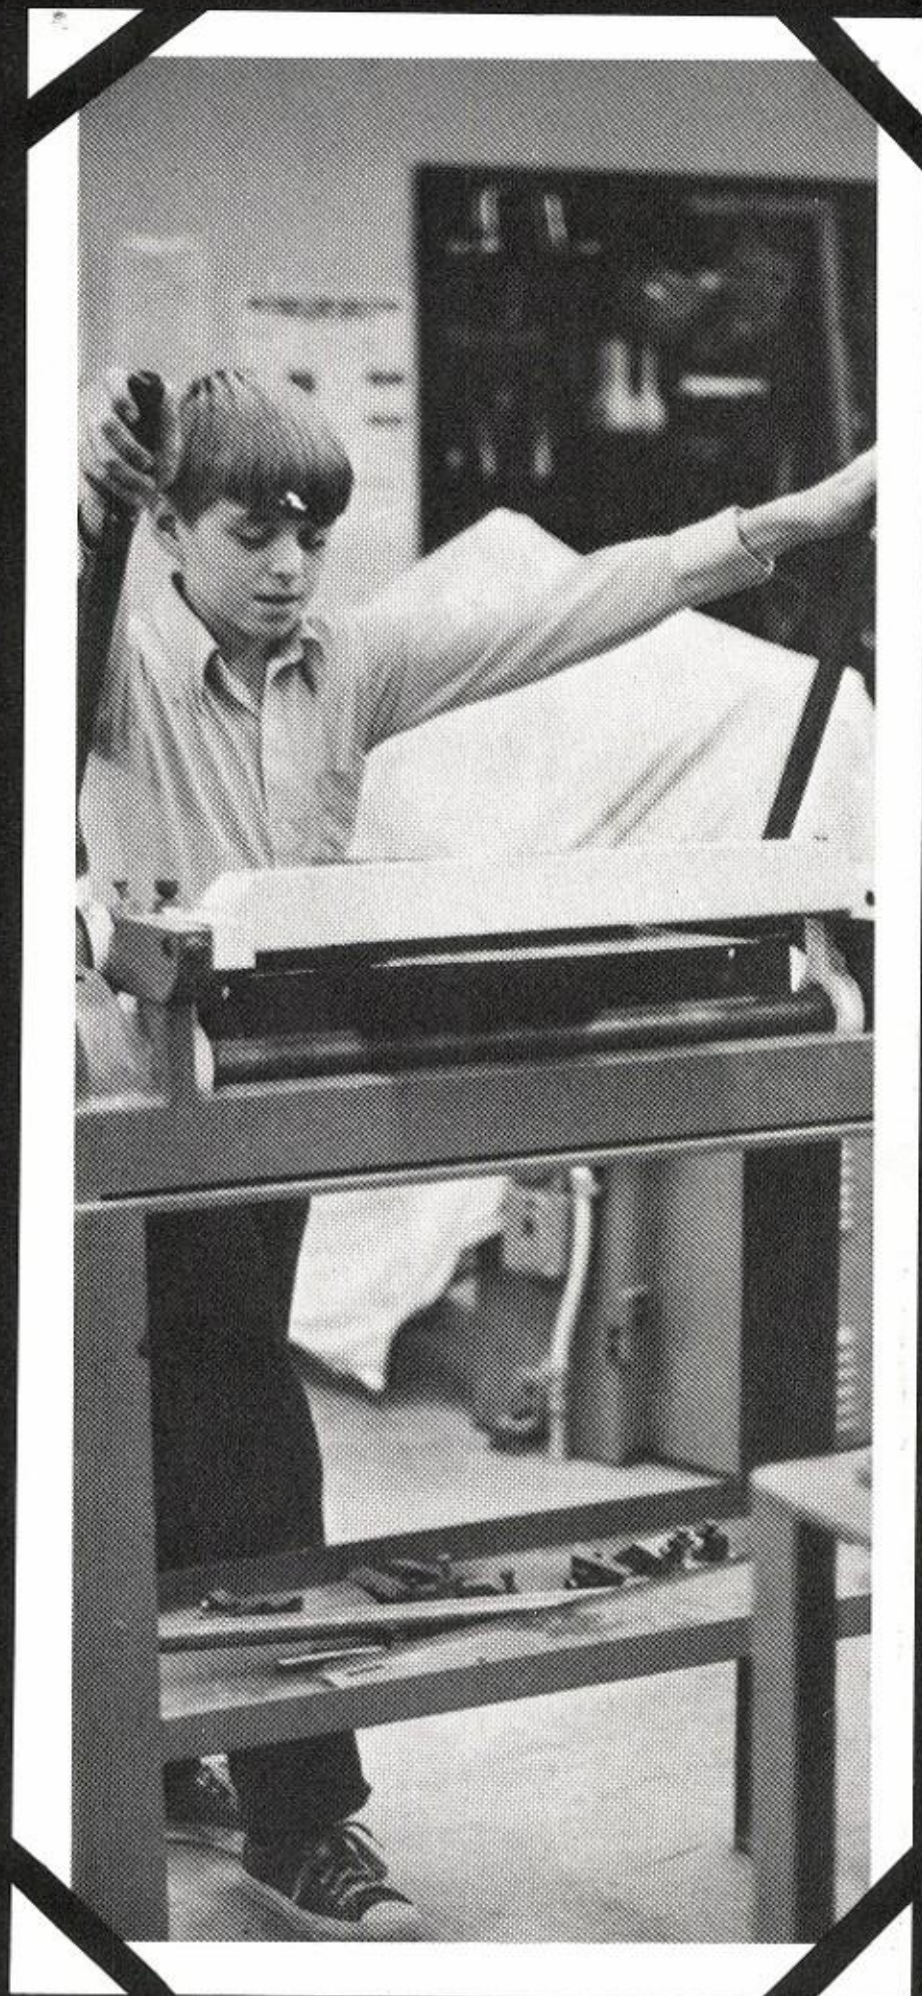

Several members of the club attended a clinic at Stout State where they saw the latest in several aspects of industrial arts: a vacuum forming machine; the latest in computer drafting; and new techniques in foundry. Some of the special activities the club took part in included a snowmobiling party and a roller skating party. The nativity scene the club constructed last year decorated the roof of the school again this year, but it was not lit due to the energy crisis.

The officers of the Industrial Arts Club for the 1973-1974 school year were: President, T. Smith; Vice President, T. Smith, Secretary-Treasurer, B. Tranberg.

ROW 1: L. Stegemeyer, G. Updike, J. Lund, R. Hoff, J. Erickson, C. Jick. ROW 2: R. Duellman, M. Smith, T. McCormick, D. Collins, D. Osborn, E. Trim, G. Smith, L. Dahl, T. Smith, R. Tranberg. ROW 3: S. Prussing, B. Hein, K. Stellflug, K. Sahlstrom, G. Baardseth, F. Truax, W. Truax. ROW 4: J. Bettsworth, J. Richer, J. Kopp, R. Nastvold, M. Clark, J. Paulus, T. Smith, R. Niederkorn, N. Bell, D. Anderson, T. Halderson.

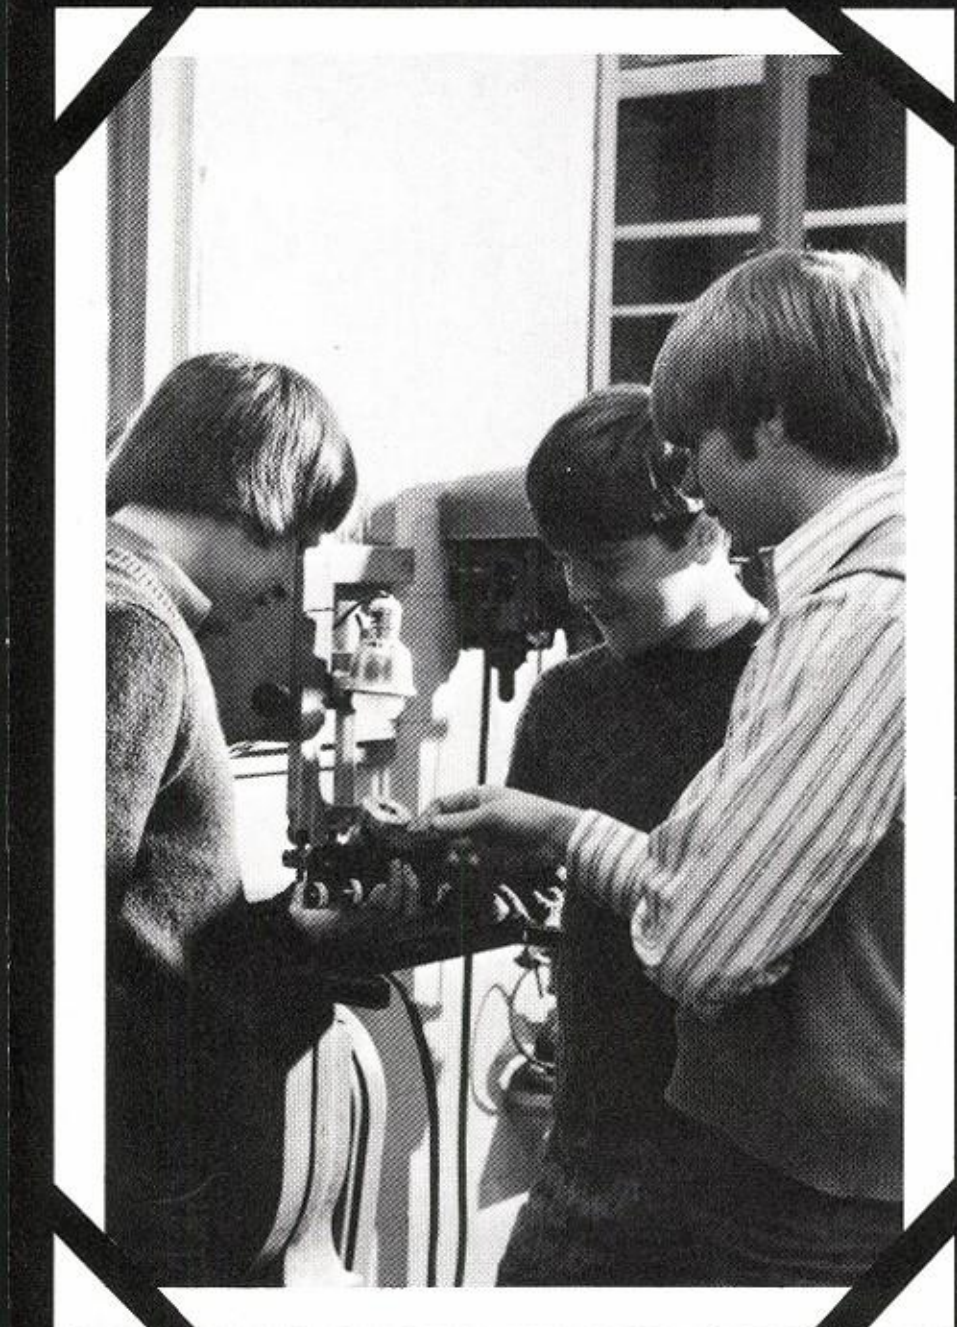

CLINIC AT STOUT

A-V BETTER IN '73-'74

The Audio-Visual Club, in its second year of existence, proved to be bigger and better. It provided more school services during the school hours as well as those that were extracurricular. The club provided T.V. coverages of all home football, basketball, and wrestling matches as well as girls gymnastics during the '73-'74 school year. The club was successful in compiling a constitution this year under the watchful and scrutinizing eyes of Greg Eichman. They were, by and large, a very dependable group. Audio-visual club officers were:

T. Reimer	President
R. Weyant	V-President
E. Stull	Secretary
T. Jessesky	Treasurer

RIGHT: Mr. Green is late again.

BELOW: ROW 1: T. Jessesky, M. Junghans, R. Weyant, K. Oullette, S. Leavitt, T. Jessesky. ROW 2: E. Stull, T. Reimer, F. Green, J. Beseler, J. Peter, G. Eichman.

ECOLOGY CLUB ADOPTS

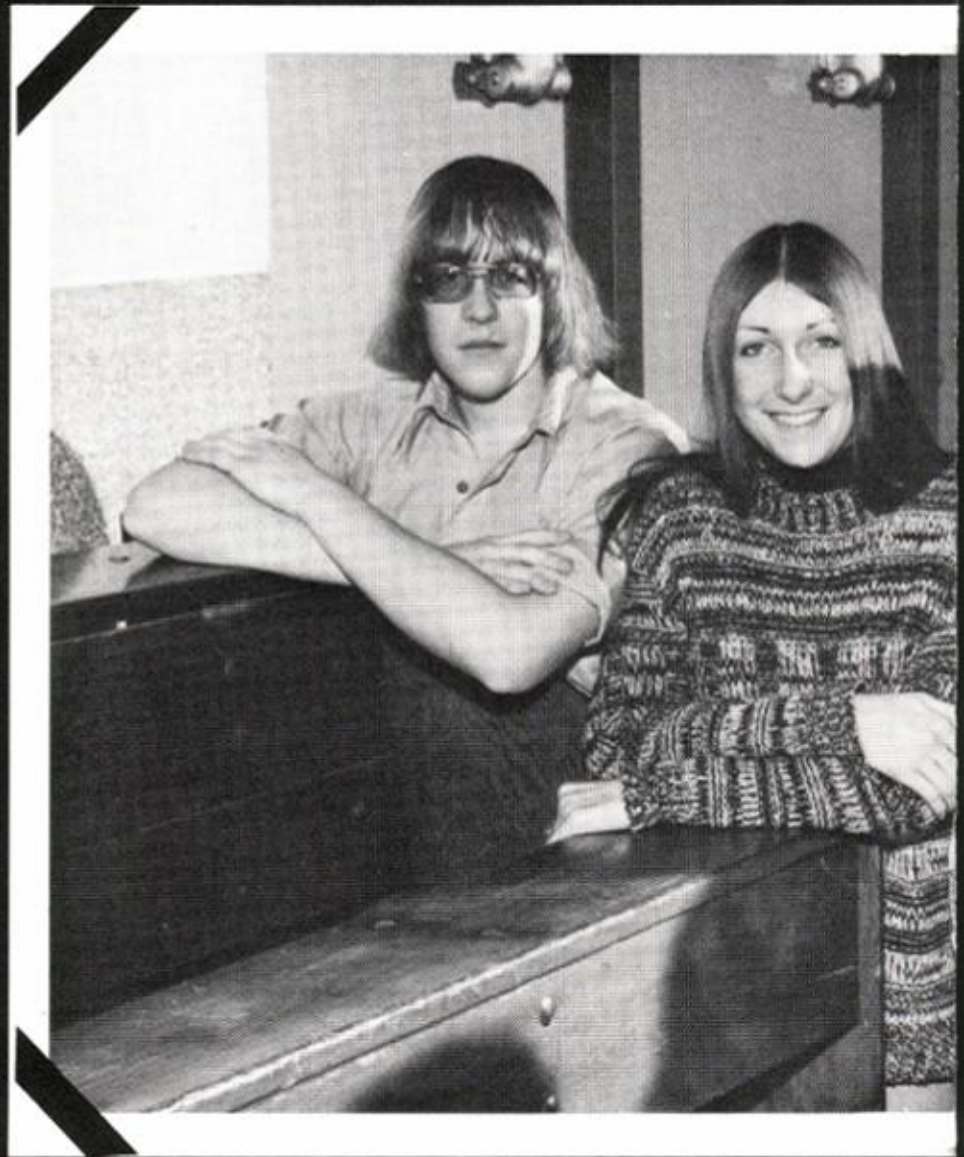

For the first time in several years, the Ecology Club has a membership large enough to really have a fair chance of accomplishing something. This year, besides their continuing project, the club established a firm foundation for the future.

The ecologists are being introduced to other groups and organizations from the community (Lions Club, Trempealeau-Jackson County Watershed Committee, etc.) to gain recognition and cooperation for planned projects. A set of plans for making money to be donated to environmental conditions was made.

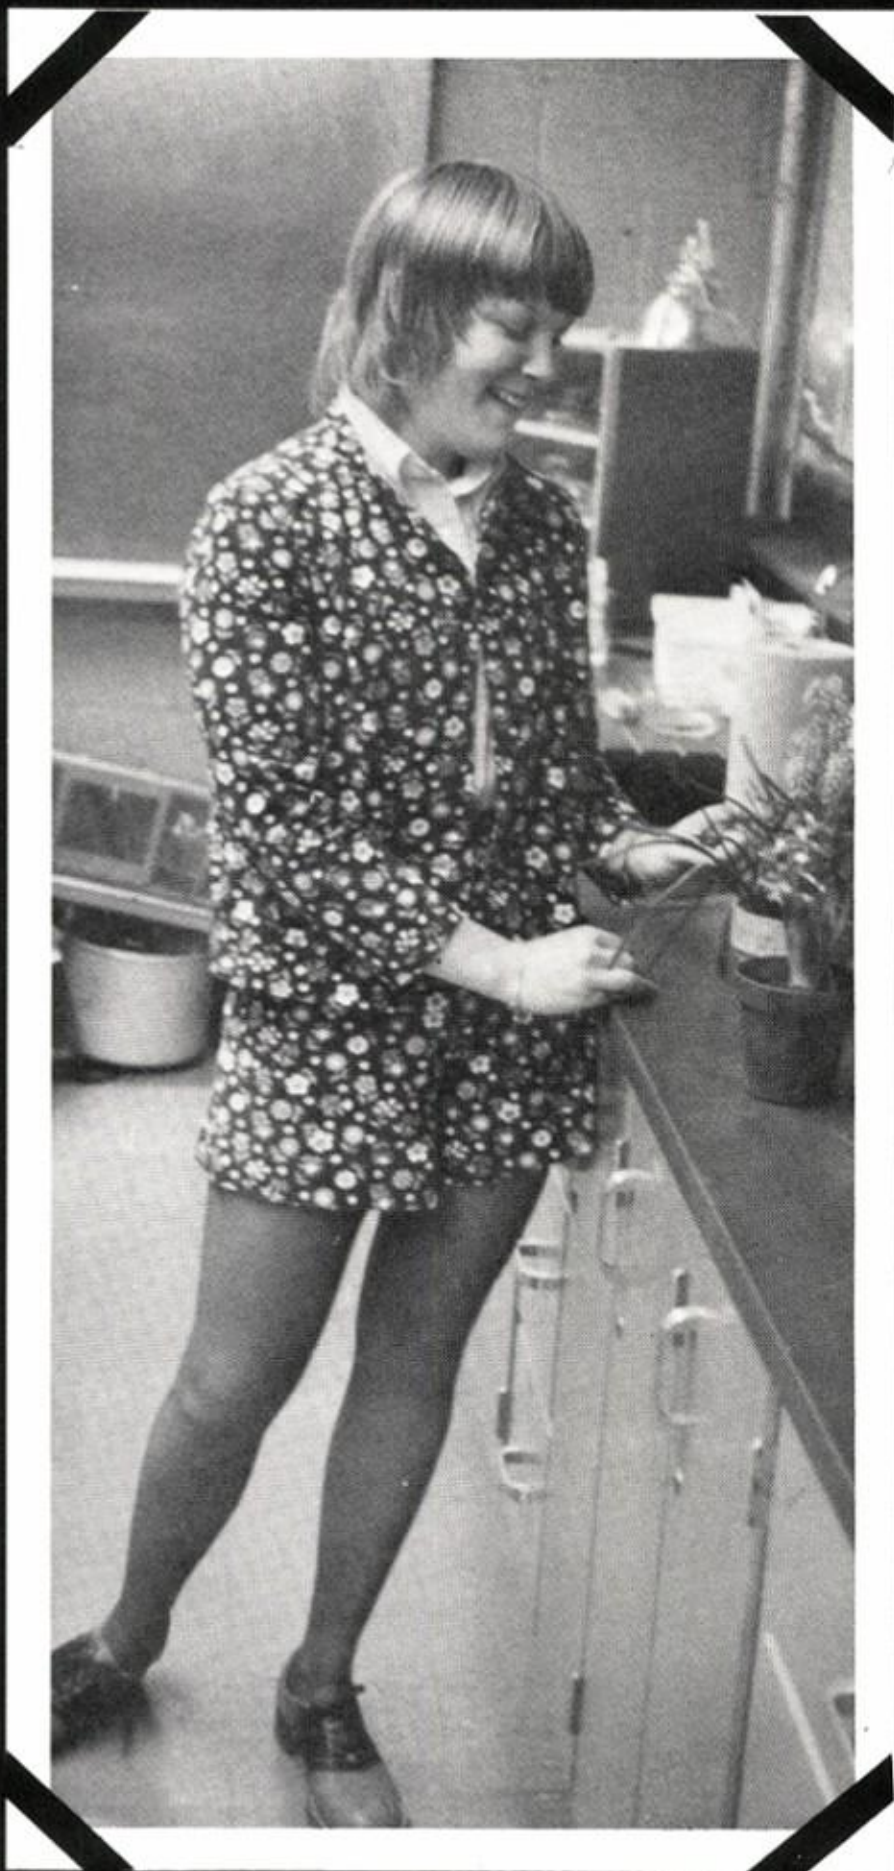

Projects started by the club were: dredging Lake Marinuka; harvesting and managing the school forest; and starting an environmental information bank in the library.

The club has adopted the following as its motto: "A group of students who want to take some ecological action in the community for the community".

The officers of the Ecology Club for 73-74 were: President-Jim Smith, Vice President-Joni Scherr, Recording Secretary-Kelly Kopp, Corresponding Secretary-Lynn Parkhurst, and Treasurer-Renee Wood.

FACULTY

SCIENCE DEPARTMENT

ABOVE: DON FITZPATRICK

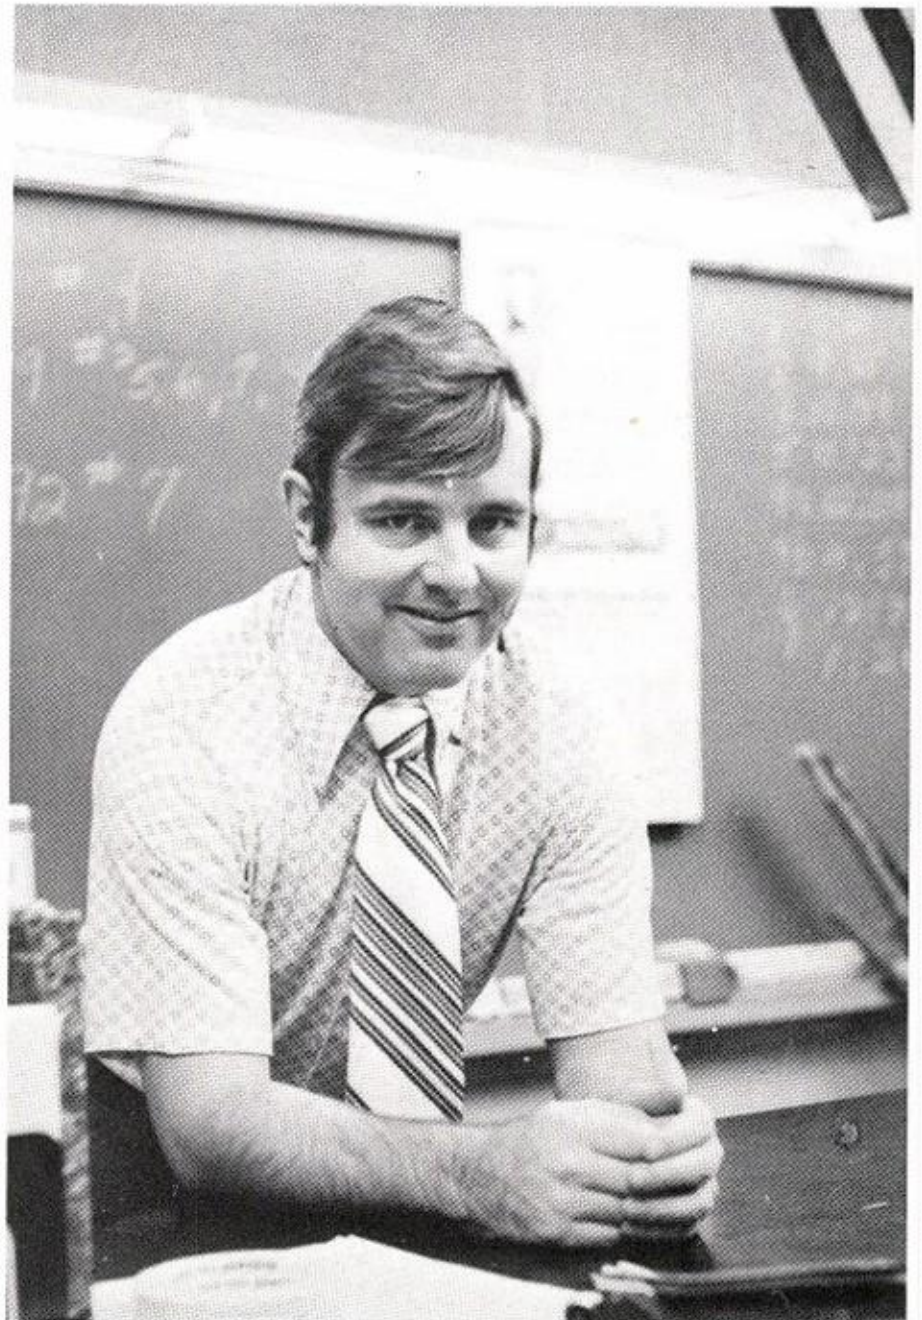

RIGHT: VERDUN CECIL

The Science Department hasn't had any changes in classes, but the class curriculums have been expanded. The Ecology class went on an extended field trip for three days to the Clam Lake Field Station. While there, the class studied winter ecology. The Human Biology class did more extensive work in the dissection of organs. Both Ecology and Human Biology require Biology I as a background.

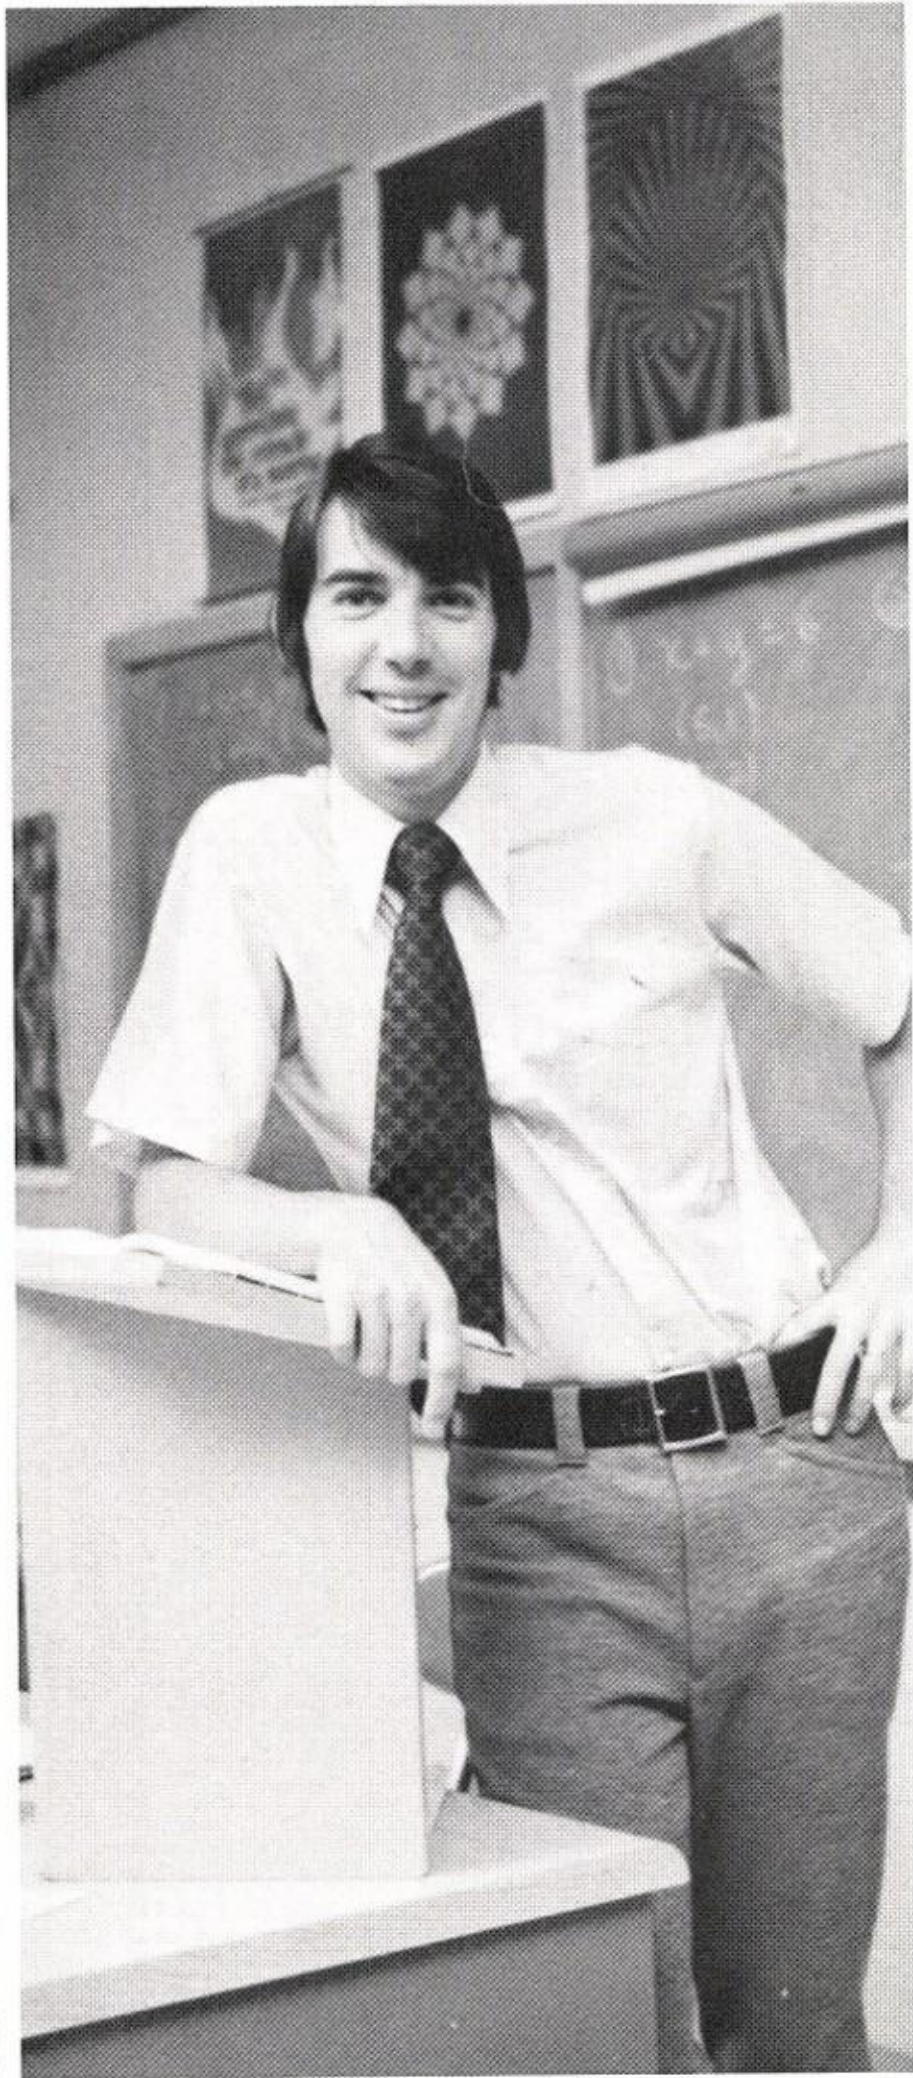

Mr. Cecil taught two sections of I.P.S. this year, which again attracted students, most of them freshmen.

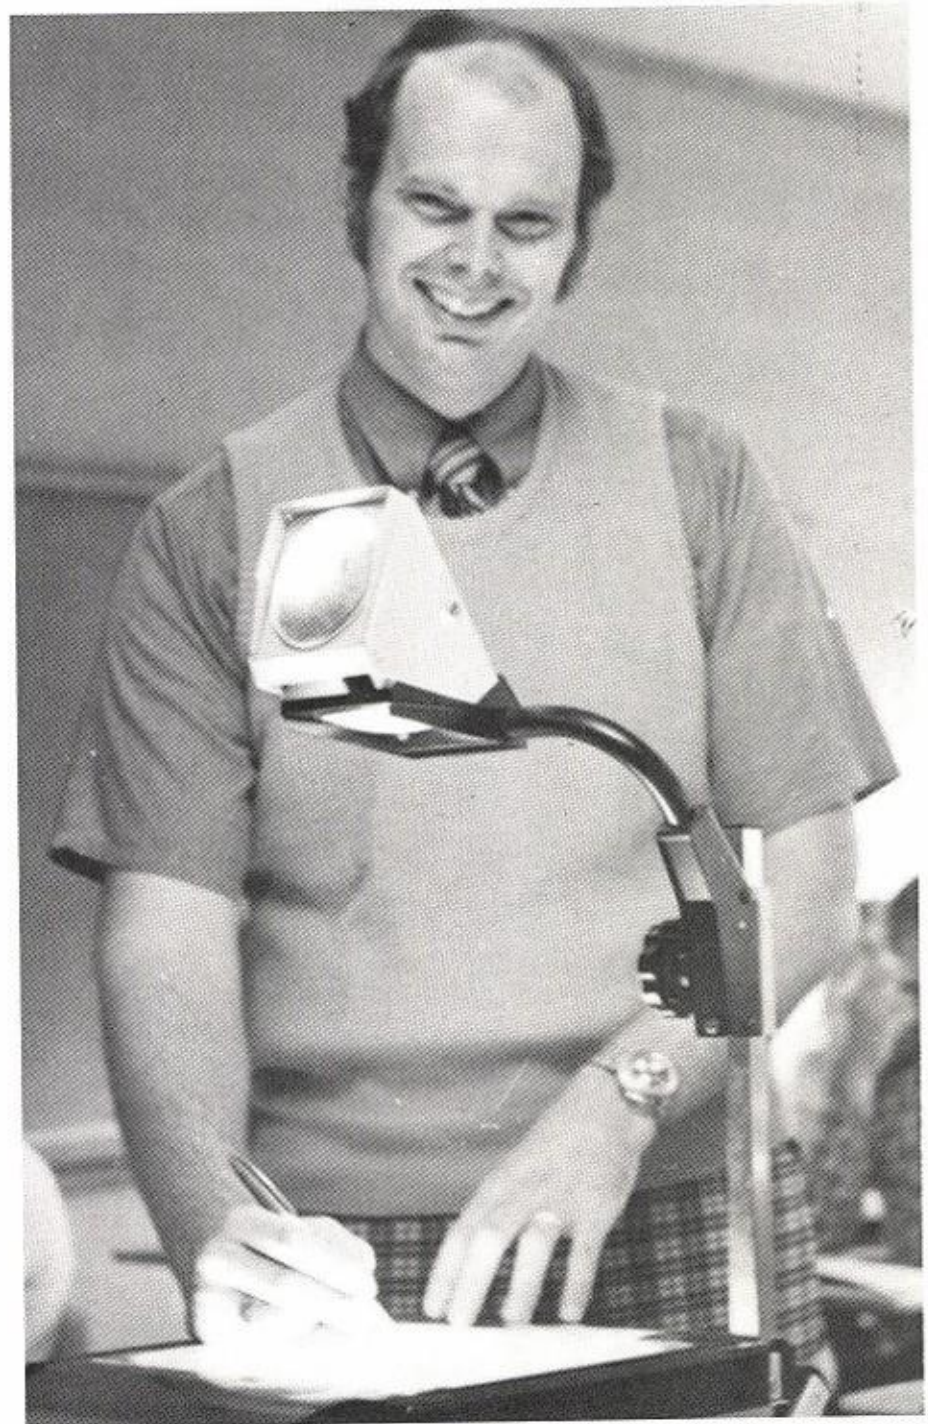

ABOVE: RICHARD PAMPUCH

MATHEMATICS

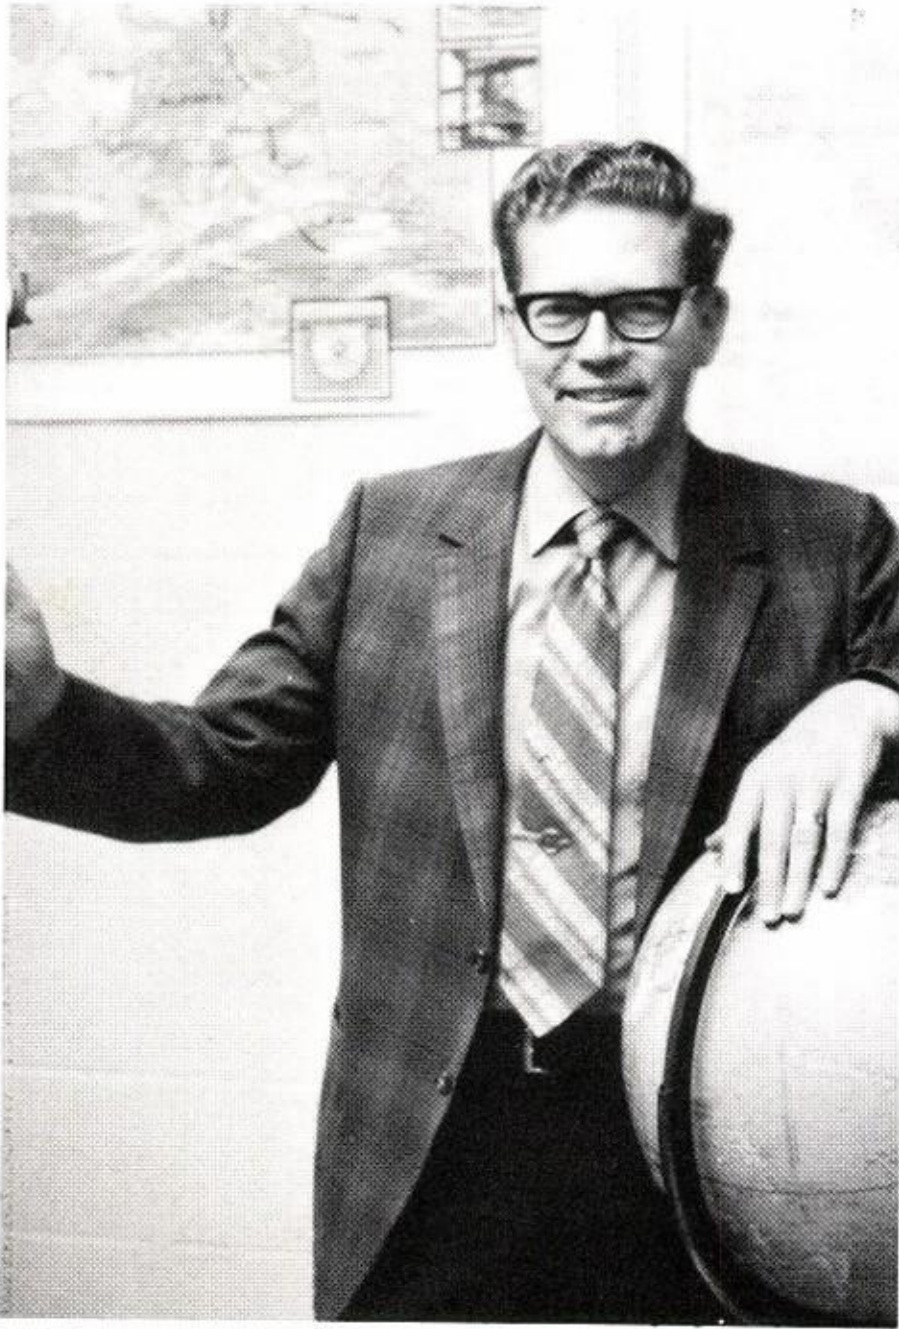

ABOVE: LARRY GAUTSCH

ABOVE: JOEL WORRA

The Mathematics Department is beginning to develop a five-year plan to restructure its curriculum so that a wider variety of mathematics topics can be offered to students of G.E.T. Math 4 may be transformed into a number of semester courses, including applied mathematical topics in addition to the pre-college theoretical concepts now offered. Geometry will also be semesterized and augmented to embrace transformational and non-Euclidean geometries. Algebra II might be changed to a semester of advanced Algebra and one of Trigonometry. Finally, General Math may be divided into several smaller courses like pre-Algebra and Business Math. This extensive revitalization, it is hoped, will be expedited and enhanced by the proposed implementation of flexible-modular scheduling at G.E.T.

SOCIAL STUDIES

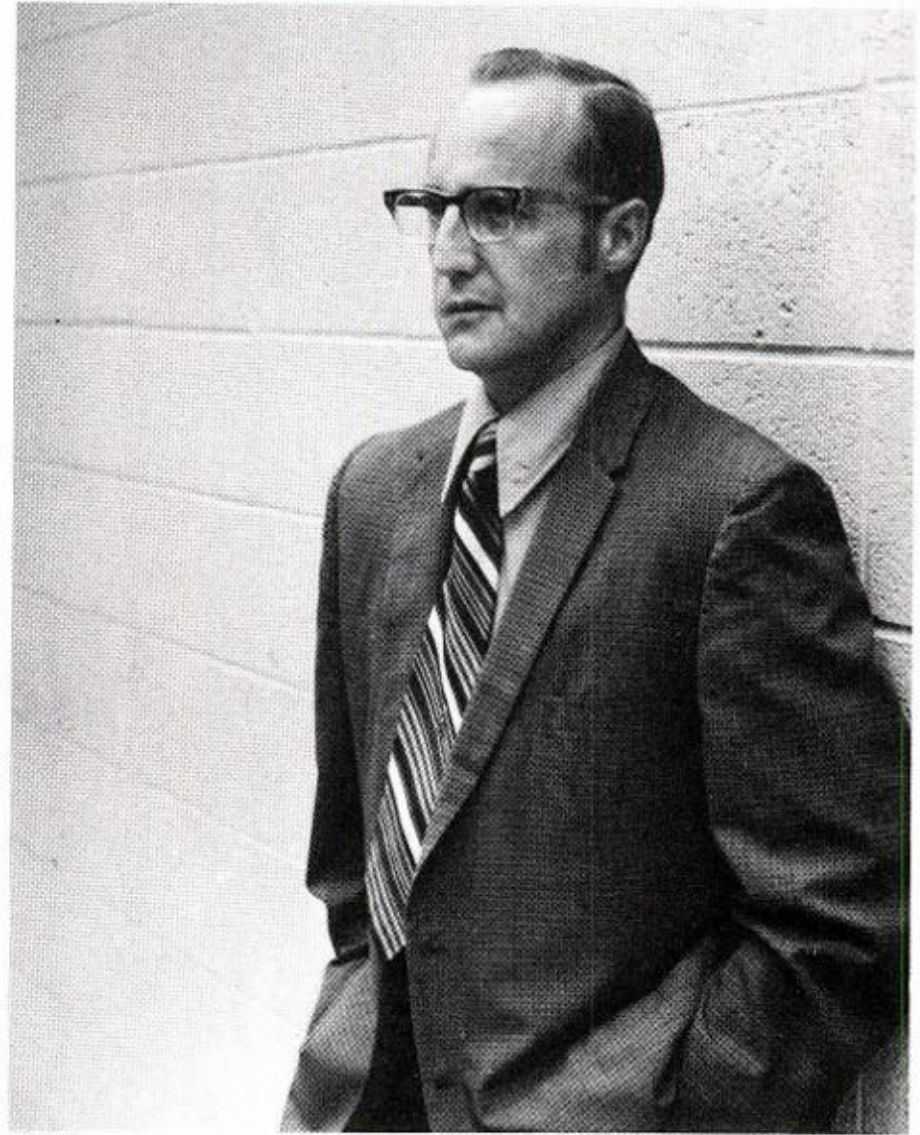

ABOVE: ROBERT CHRISTIANSON

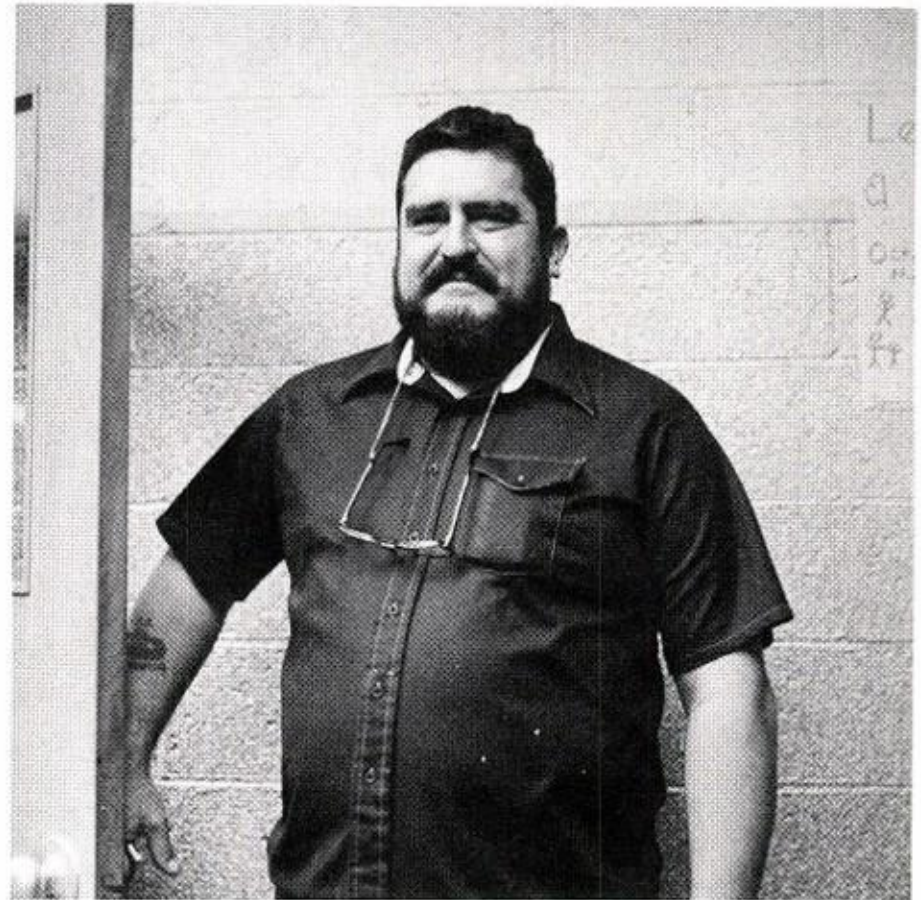

Because of the many changes and revisions last year, the Social Studies Department has remained primarily the same. However, there have been a few minor changes.

Before this year, only juniors could take U.S. History, which is a required course. Now, any student in grades nine through twelve can elect to take it. The change was made to give students more flexibility in their choice of classes.

Over the past year, all three social studies teachers have taken more classes in the fields in which they are interested. Mr. Lund took a four-week course at UWL on economics; Mr. Scheller carried eight credits in psychology from UWL; and Mr. Christainson took two independent study courses in U.S. History at Winona.

ABOVE: DAVE LUND

ABOVE: ED SCHELLER

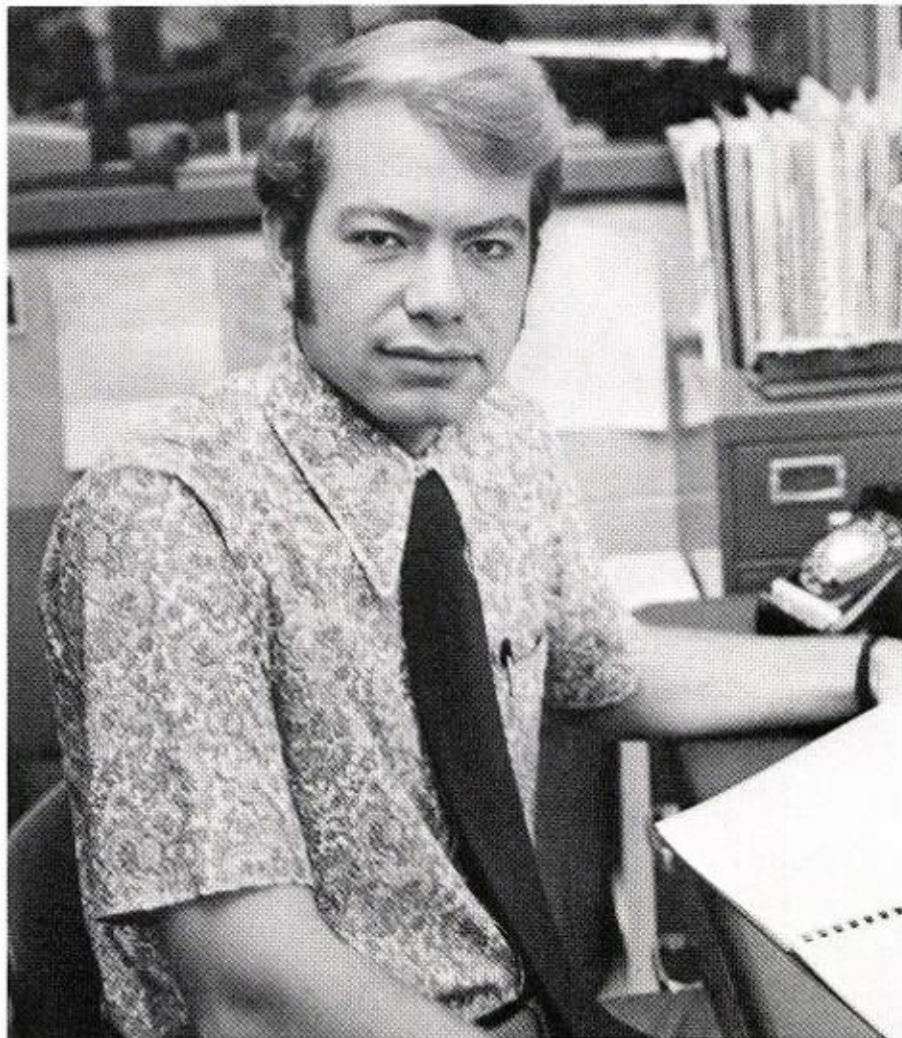

IND. ARTS — AGRICULTURE

ABOVE: ROBERT DUELLMAN

ABOVE: DON HENDRICKSON

ABOVE: STEVE PRUSSING

With the ever-present interest in agriculture, G.E.T.'s vocational agriculture curriculum is very extensive. The classes cover Agriculture and Agri-business in two one-year courses, Agricultural Mechanics, which is a one-semester course, Agricultural Business Management in two one-semester courses, Resource, and Soil and Forest Conservation, which are also semester courses.

An eight-week summer ecology course is open to juniors, seniors, or graduates. It is an exploratory course in all areas of conservation. It also stimulates the interest and awareness of our natural resources and what can be done to conserve or improve them. The students have a firsthand chance to see some of the jobs available.

The Industrial Arts Department, continuing under its present program of many semester courses, was bettered by the purchasing of new equipment. A new hoist was procured for the use of the students in Auto Mechanics, along with a new vacuum forming machine, and new molds for the foundry area.

Two of the top students from the Auto Mechanics class entered the Plymouth "Troubleshooters Contest." The contest was held at Madison and the boys competed against 48 other teams.

Mr. Duellman and Mr. Prussing both worked over the summer. Mr. Duellman worked with the Corps of Engineers as a deck hand on a boat and Mr. Prussing was an electrician for Fibrite in Winona. Both men attended summer school at Winona State and took an electrical safety course.

BUSINESS EDUCATION

The Business Department expanded its curriculum in several ways this year. Two new semester classes were added. They are: Introduction to Business, open to freshmen and Business Law, open to seniors.

Because the Office Education class nearly doubled in size, more extensive materials were needed. Six new L-type secretarial desks and chairs were purchased. In addition to the four electronic calculators already in the department, two more were purchased. After two years of "diligent" work, Mr. Duellman finished a cabinet for the shorthand lab equipment.

The girls in Office Education are kept busy all of the time receiving training in filing, recordkeeping, ten-key adding machines, electronic calculators, data processing, telephone usage, many types of duplicating machines and current office procedures.

Third quarter the class becomes a model office. The class forms a company known as the Lester-Hill Corporation.

During fourth quarter the girls go out into the business world to receive on-the-job training in offices in our Galesville, Ettrick, and Trempealeau area.

ABOVE: GWEN HANSON

ABOVE: AUDREY NERBY

ABOVE: Julie Tranberg is using the electronic printing calculator in her office education class.

ENGLISH DEPARTMENT

ABOVE: ELAINE NELSON

By dropping some classes and adding others, the English Department is revising and molding its semester classes to fit each student's individual needs. This year, Individual Reading replaced Fiction of Western Civilization, thus giving each student the opportunity to read from a larger variety of books--not just fiction.

New faces to the department this year were Mrs. Betty Hatton and Mr. Jack Jesseski. Mr. Green's face was new, to the English Department at least. He taught one section of English each semester, in addition to his art courses. Student teachers were here throughout the year.

Although field trips were limited by the fuel shortage, the Mass Media class visited different media in the area, and the department attended a Guthrie presentation of a Moliere comedy.

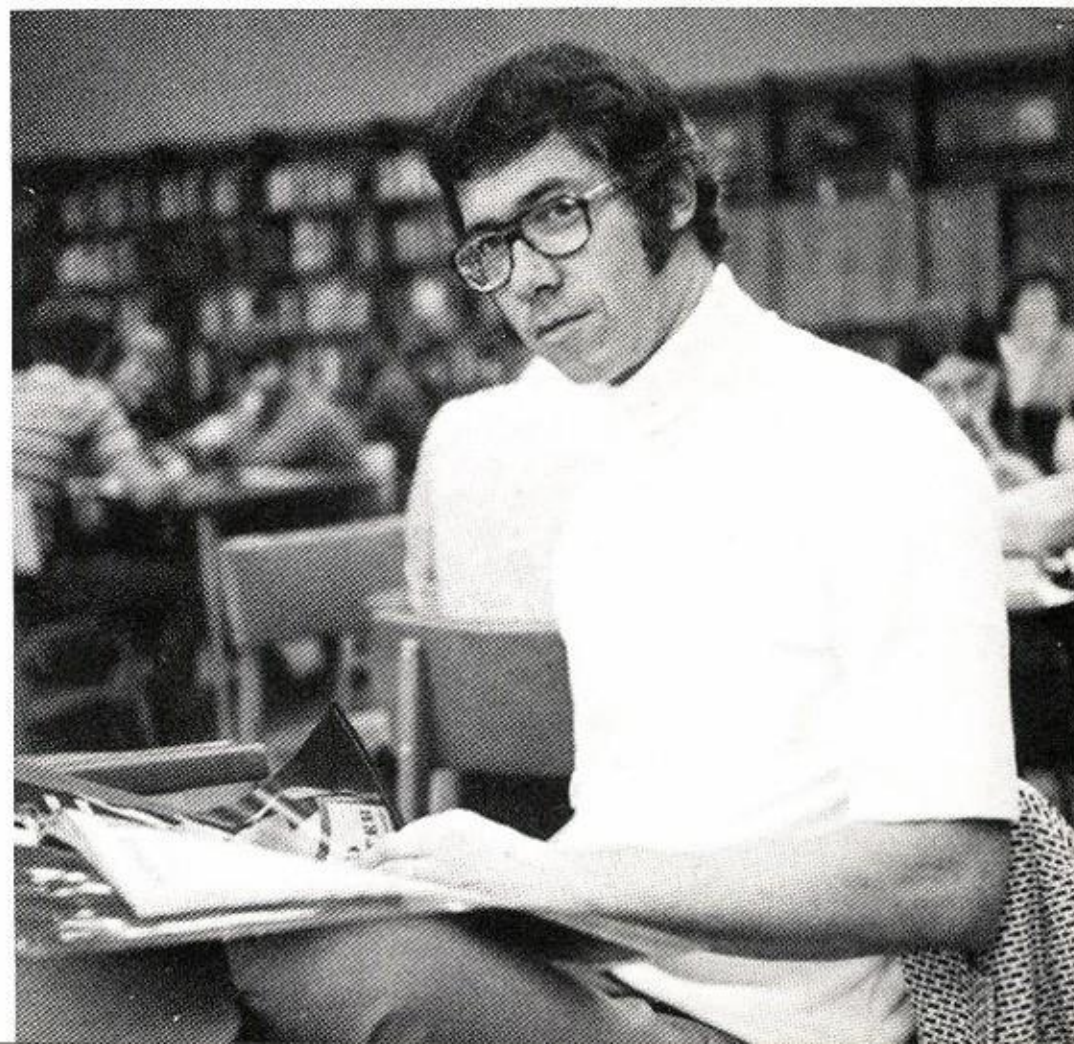

ABOVE: BETTY HATTON

ABOVE: MARY ESTHER RUNNESTRAND

RIGHT: JACK JESSESKI

HOME ECONOMICS

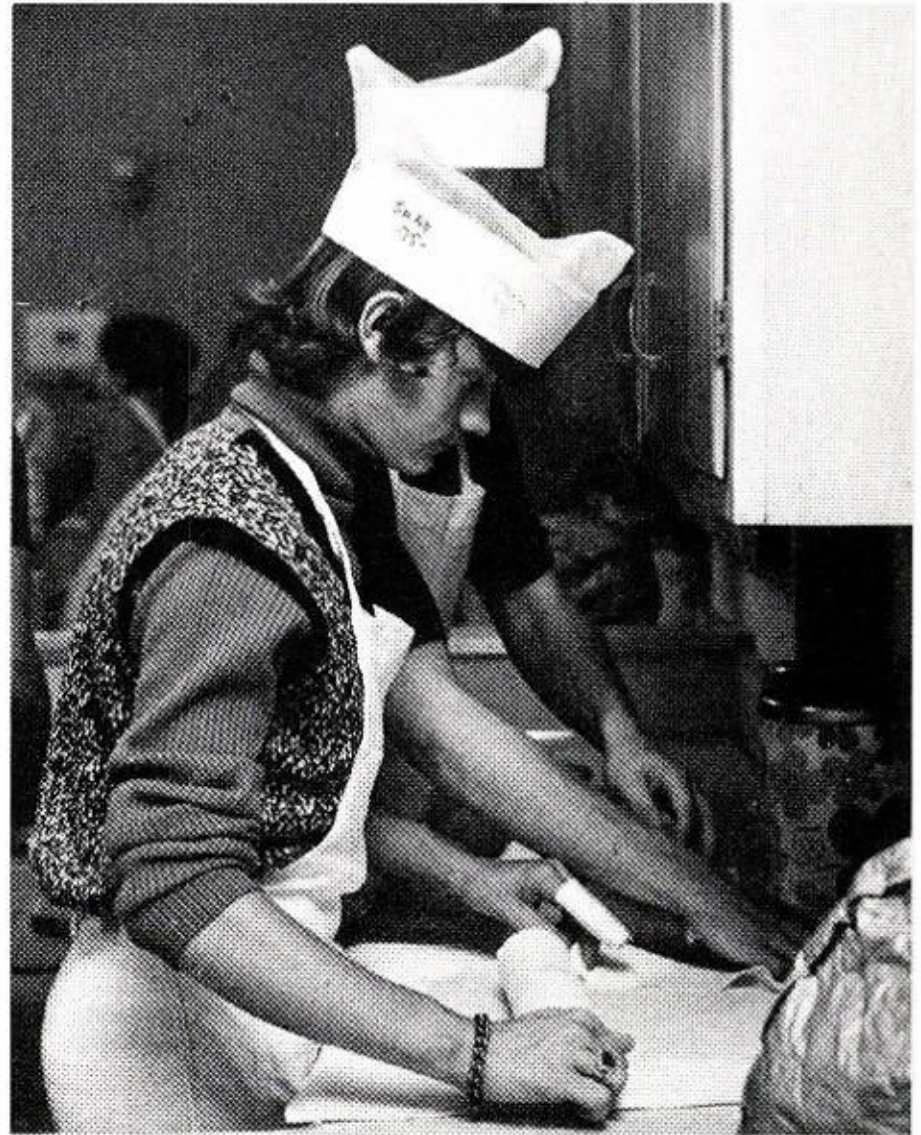

ABOVE: JULIE JACOBSON

Home Economics has been defined recently as the art and science of keeping families in touch with families and the people in them, and that it combines the scientific and human approach in helping individuals cope with change and use technology to enrich their lives.

At Gale-Ettrick-Trempealeau this idea of home economics is carried out in the Home Economics I, as well as in The Home Today and Child Growth and Development. Foods, Clothing and Textiles, Management, and Housing and Home Furnishing is open to 10th, 11th, and 12th grade students. Girls and boys are encouraged to enroll in any of these courses.

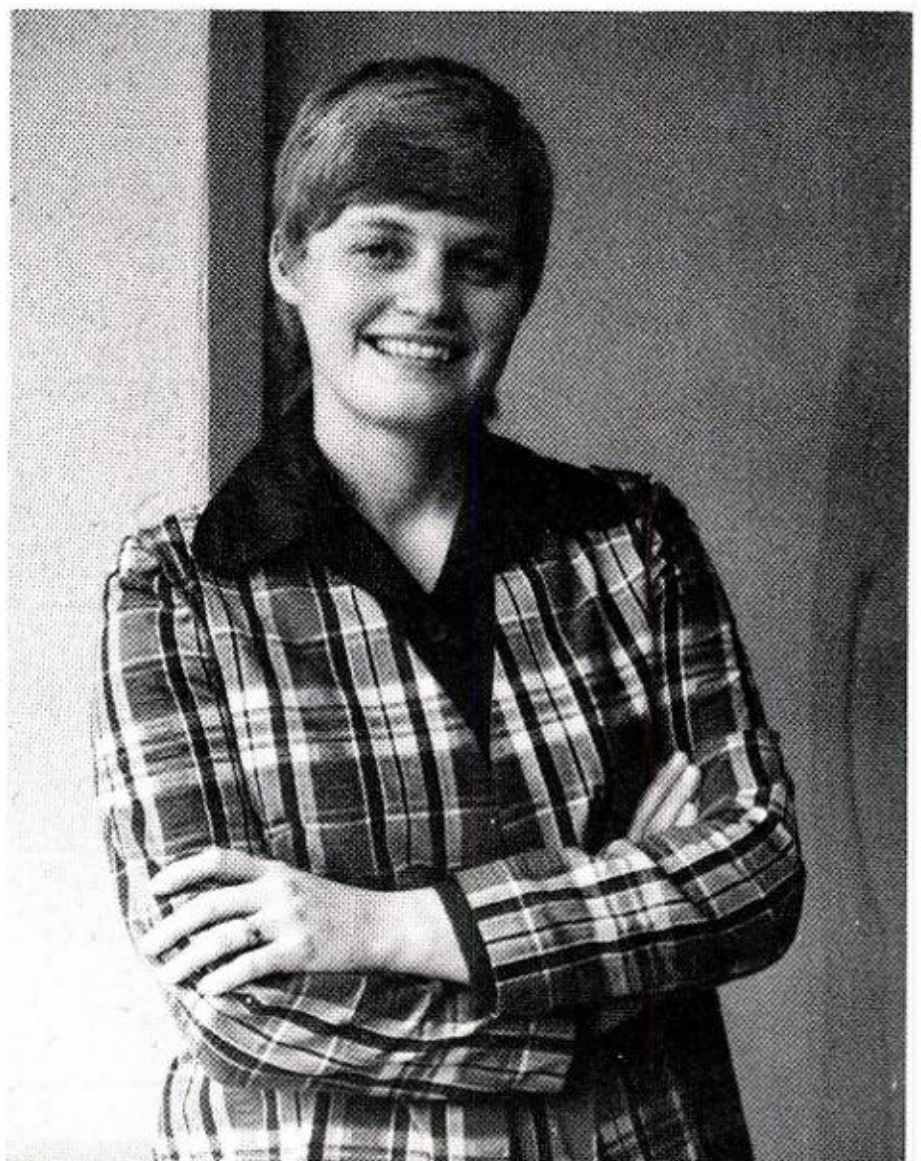

Senior high offerings are beginning to feel the impact of Home Economics I in the junior high school. As a result food and clothing classes are becoming more advanced in their content.

Recovered chairs and new draperies made by the Home Furnishings class helped to brighten the foods room this year. The presence of student teachers from the University of Wisconsin, Stout, during the first semester added a new look, also. Miss Holder and Miss Cook helped students through the intricacies of food preservation, meal preparation, and being hosts and hostesses at guest meals, as well as taking an active part in the total home economics program.

ABOVE: Snapper rolls out pie crust for the Senior Citizens luncheon.

BELOW: LORNA ANDERSON

OUR SPECIALISTS

ABOVE: RUSS LUND

The primary duty of the school counselor is counseling, the one to one relationship which facilitates the process of a student's understanding and acceptance of himself, and to use this self-knowledge in developing his potential as a fully functioning person.

Some of the specific duties are: interviewing students, maintaining cumulative records, coordinating testing programs, providing an information service relating to colleges, financial aids, vocational and occupational data, working closely with teachers on student problems, assisting the principal with student registration, assisting students with schedule changes, compiling honor role and class rank, assisting when possible in securing part time or summer jobs for students, assisting students with college or technical school applications and making recommendations to these schools regarding individual students.

ABOVE: MARLA HENKE

Marla Henke works with over 40 students in the three elementary schools, the junior high school, and the senior high school. Seeing each student twice a week, Miss Henke works with the students individually or in small groups. The students and the therapist try to correct problems in speech, hearing, and language, which includes enunciation, sentence structure, vocabulary and general communication skills.

This is the second year G.E.T. has had a speech and language therapist.

ABOVE: MELISSA HAYES

The students in the Special Education Department learn on individualized basis. Miss Hayes teaches English, math, and geography. A study of occupations is also included in the curriculum. Here the students are taught labor laws, how to fill out an application, and what to do during an interview. They learn about social security benefits and pay check deductions. Three students this year are participating in the on-the-job training program, with one at Snapper's Cafe, one at the Galesville printing office and one at the cafeteria here at school. Each student works two to three hours a day and is evaluated twice a year by the employer and Miss Hayes.

During her summer vacation, Miss Hayes toured Europe with two friends. Spending a total time of about nine and a half weeks hitch-hiking, train riding, and walking, they saw the major cities in the United Kingdom, France, Germany, Spain, Italy, and six other countries.

PHYSICAL EDUCATION

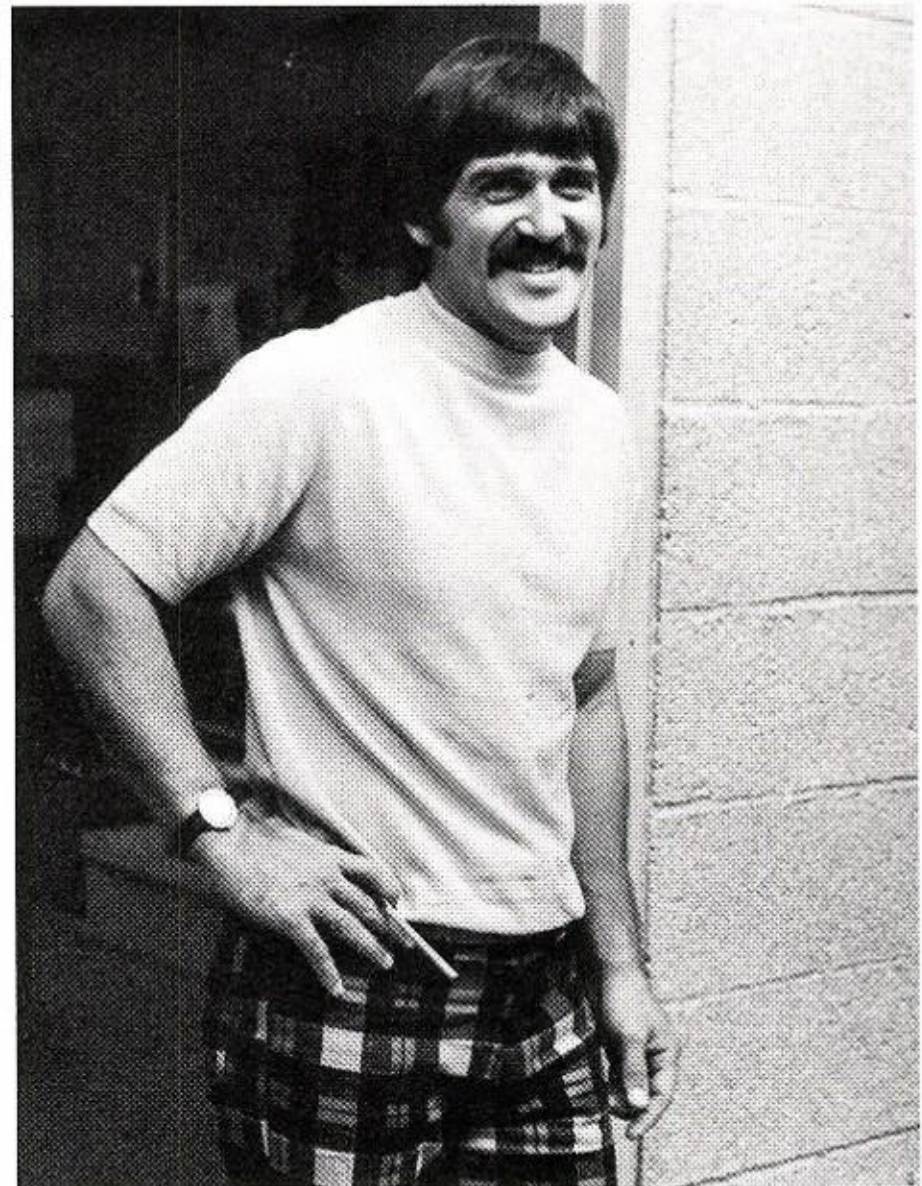

ABOVE: AURORA WARRINER

The Physical Education Department expanded upon its well-rounded program again this year. New activities in the curriculum included beginning skiing, tennis, indoor recreational games, and team handball.

Seniors are now offered electives within the program. Each quarter four different activities were presented and the students chose from these areas. This offered a more varied program and gave seniors the opportunity to select team or individual sports more suited to their own interests.

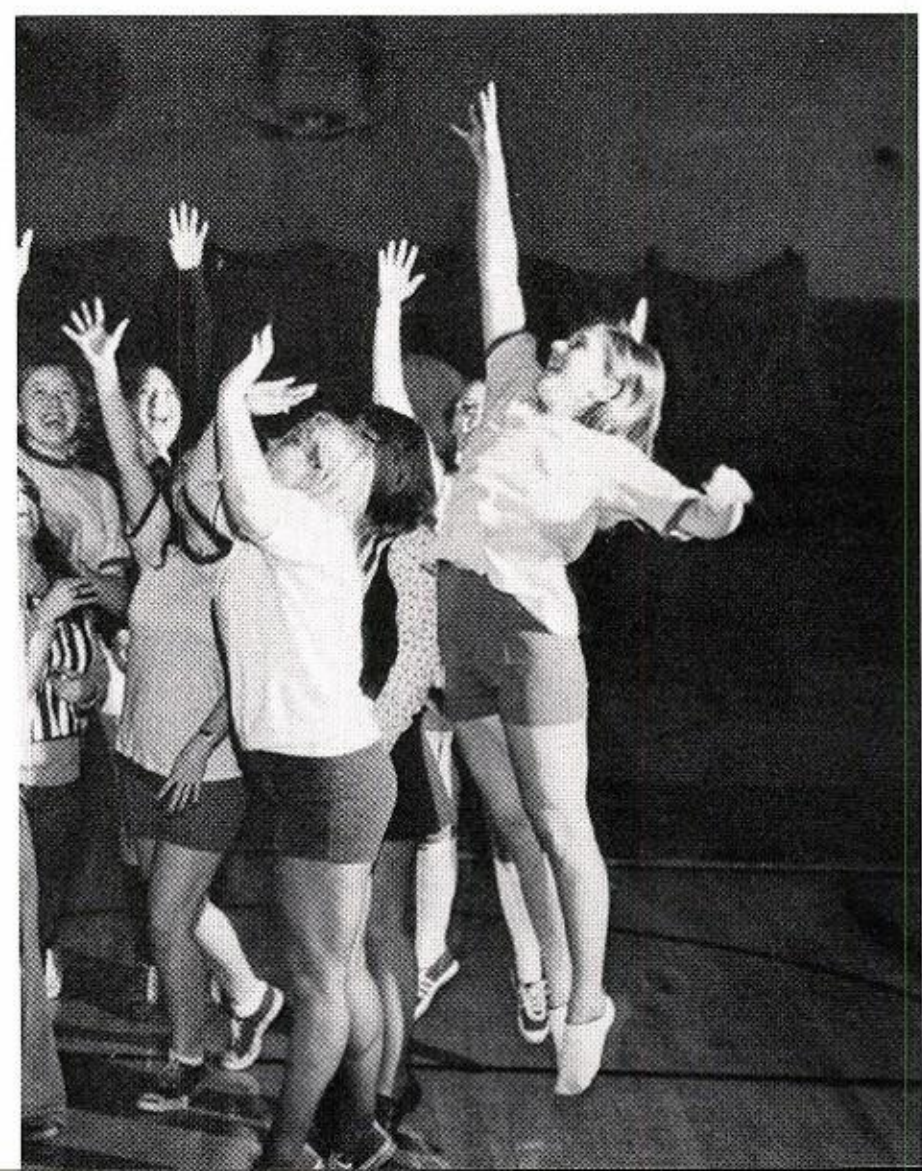

There was an expansion of co-educational activities also this year, with experiments in soccer, flag football, and dance.

Student teachers from the University of Wisconsin at La Crosse were helpful in the boys department this year as well as the girls.

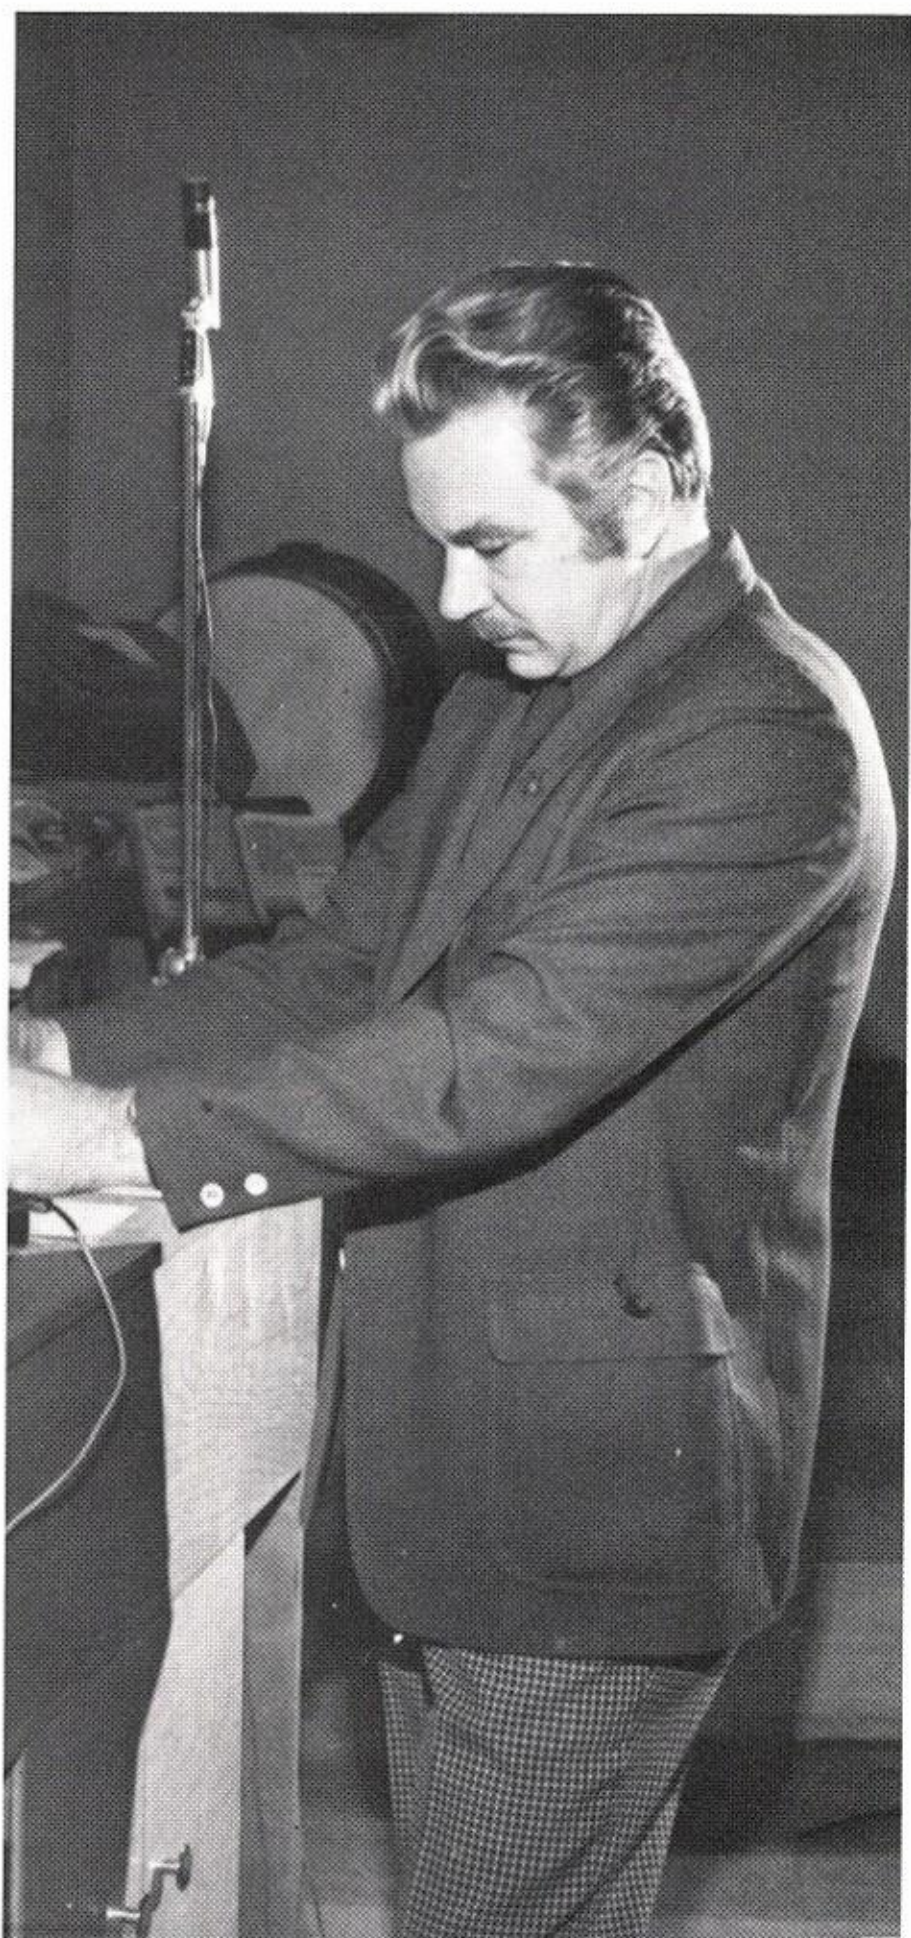

ABOVE: DON SKWIERAWSKI

BELOW: Physical education promotes both fitness and fun.

MUSIC DEPARTMENT

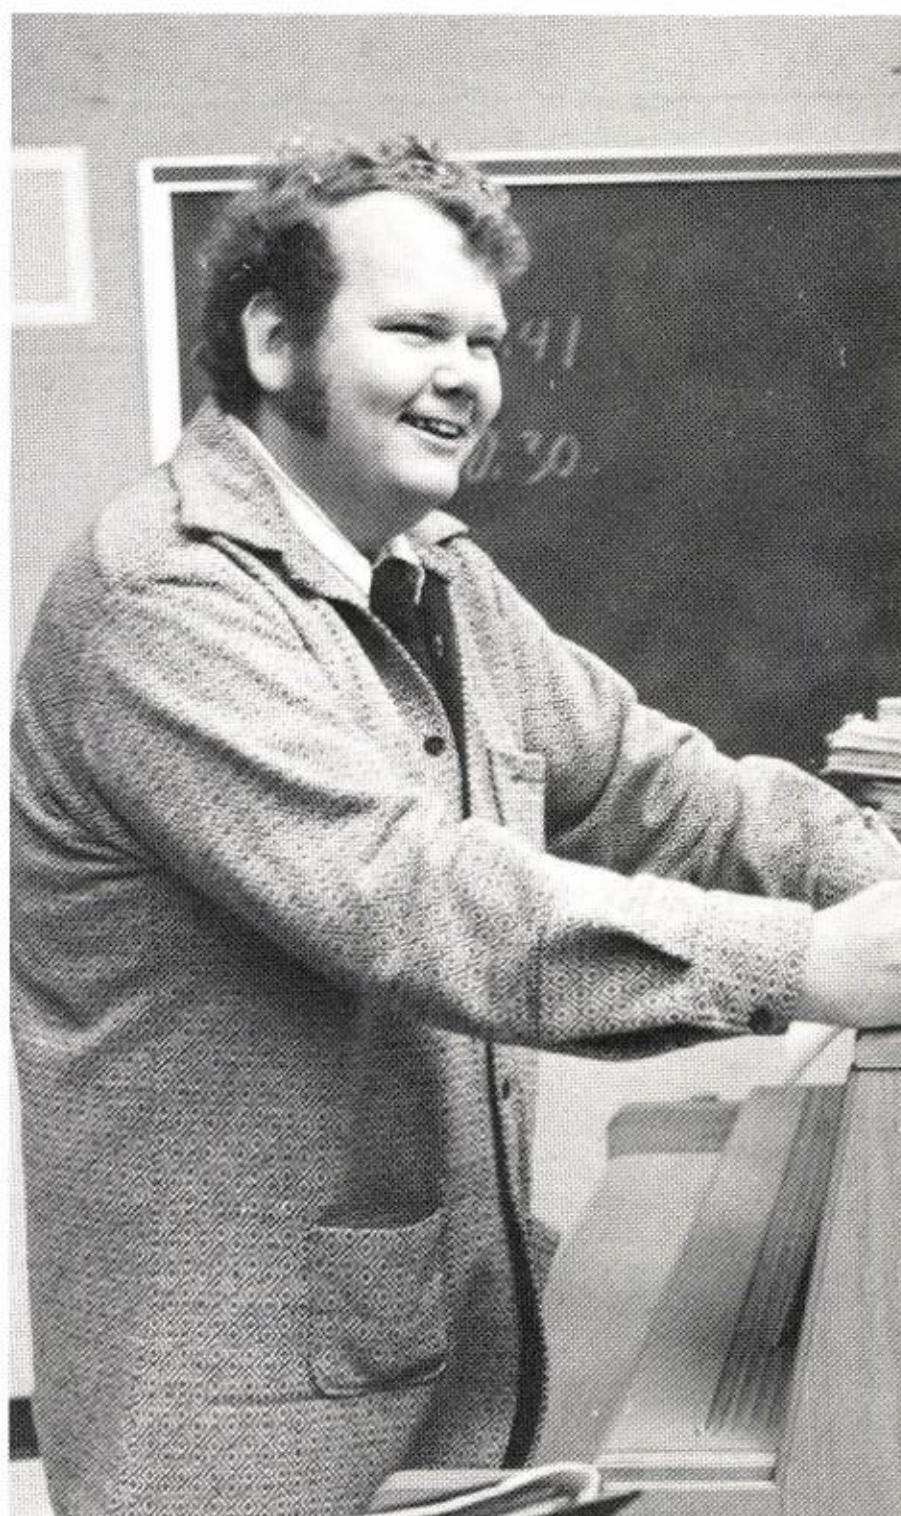

ABOVE: DON ROWLANDS

A new idea being worked on in the Music Department this year was the earning of letters or emblems. These awards would be given to each individual music student who has a certain number of points. These points would be earned by participating in the solo-ensemble contest, the concert contest, or the piano contest by providing special music in church, such as a vocal, or instrumental solo, or an instrumental accompaniment, and by playing in the pep band.

The solo-ensemble contest, concert contest, and piano contest was hosted by Taylor this year. Any student in Band, Chorus, or Girls Glee Club can participate in the contests. To be eligible to participate in the piano contest a student must accompany the chorus or Glee Club.

Each year the Music Department produces three musical concerts: A Christmas Concert, a Pops Concert, and a Spring Concert. All students in the department participate. These concerts are always open to the public.

RIGHT: RANDY SWENSON

ART — DRIVING — LIBRARY

Printmaking, painting, jewelry, sculpture, drawing, weaving, pottery, serigraphy, macrame, and design--these were parts of the many-sided discipline called art at G.E.T. this year. The investigations of the first year art students into such things as color theory, elements of design, and special relationships, both positive and negative, highlighted first year campaigns into the world of art. Silkscreening, printmaking, and painting prompted the second-year student to finally consider art as a vocation or a hobby. The third year students investigated all forms of art.

The students worked diligently on art shows and displays for the enjoyment of the rest of the school. For what is art, if it is not meant as a medium for enjoyment, though it may be used as a tool for satire, political comment, and historical record. The Art Department again climaxed its year with a raku demonstration and clinic behind the school. The kiln was student-constructed and student-fired as was the make-up of the clay and glazes.

The main attraction in the Drivers Education Department this year was the Driving Simulator. Any sophomore or junior who hadn't had behind-the-wheel training was eligible for training in the simulator.

The simulator had twelve places or "cars"; therefore, twelve students could be in a session at one time. By watching films (which were taken from the driver's seat), the students were taught general instructions (such as how to signal, turn, brake), and more specific situations, such as city, winter, and night driving in light, medium, or heavy traffic.

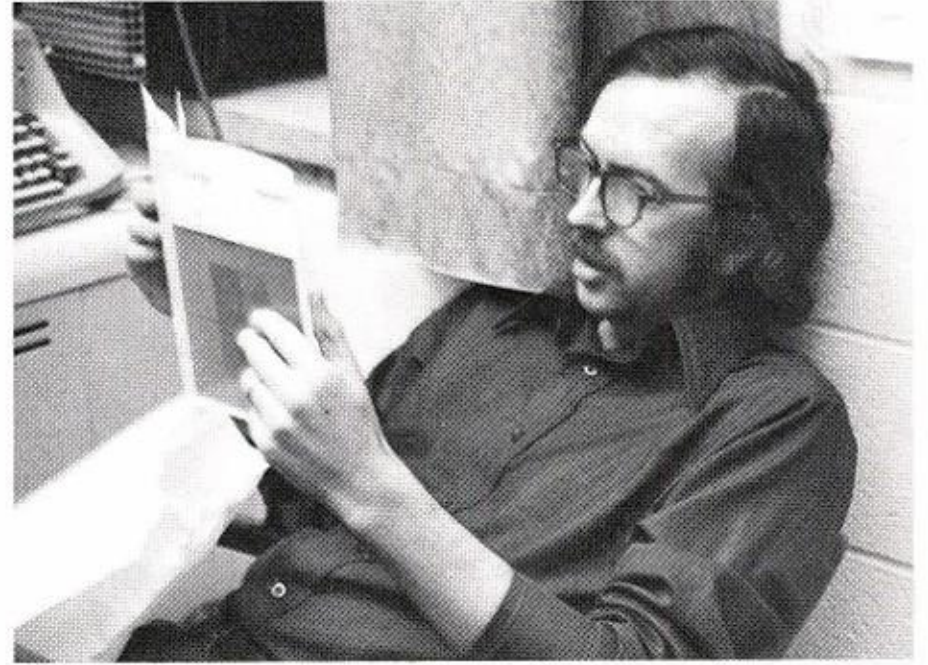

Mr. Solberg could accurately check each student by watching a control council. This council checked speed, signaling, steering, and brakes. Each car had a feed-back panel, which could be on or off, and told the student if he was driving correctly. The cars could be driven as automatic or standard transmissions.

The simulator was here for six weeks. Other schools in the area used its facilities the rest of the year.

With ever increasing emphasis on individual research and independent study, the importance of the library as a learning center has been re-emphasized.

Student-library assistants helped Mrs. Twesme to demonstrate and encourage the use of a variety of print and non-print materials. More than ever before, G.E.T. students relied on microfilm, recordings, cassettes, filmstrips, and other media to improve their understanding of the world they live in.

In keeping with the new philosophy of including audio-visual materials, Mrs. Twesme, librarian, completed work on her Masters Degree in audio-visual education at the University of Wisconsin-LaCrosse. Mrs. Debbie McDonah served this year as a part-time secretary and assistant in the library office.
